 14 bonds.

15 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF
 16 MARYLAND, That, as used herein, the term "County" means the body politic and
 17 corporate of the State of Maryland known as the County Commissioners of
 18 Washington County, and the term "construction, improvement, or development of
 19 public facilities" means the acquisition, alteration, construction, reconstruction,
 20 enlargement, equipping, expansion, extension, improvement, rehabilitation,
 21 renovation, upgrading, and repair of public buildings and facilities and public works
 22 projects, including, but not limited to, the following, together with related
 23 architectural, financial, legal, planning, or engineering services:

24 (a) Public school buildings, *a school for the arts*, administrative facilities,
 25 sites, and grounds;

26 (b) Community College buildings, sites, and grounds;

27 (c) Buildings and facilities for public safety, health and social services,
 28 libraries, County administration purposes, County airport purposes, refuse collection,
 29 recycling or disposal by whatever means, and park and recreation purposes;

30 (d) Acquisition of land or interests in land and any improvement thereon;
 31 and

32 (e) Easements or similar or related rights in land, including transferable
 33 development rights, that restrict the use of agricultural land or woodland to maintain
 34 the character of the land as agricultural land or woodland.

35 SECTION 2. AND BE IT FURTHER ENACTED, That the County is hereby
 36 authorized to finance any part or all of the costs of the facilities described in Section 1

1 of this Act, and to borrow money and incur indebtedness for that purpose, at one time
2 or from time to time, in an amount not exceeding, in the aggregate, \$80,000,000 and to
3 evidence such borrowing by the issuance and sale upon its full faith and credit of
4 general obligation bonds in like par amount, which may be issued at one time or from
5 time to time, in one or more groups or series, as the County may determine.

6 SECTION 3. AND BE IT FURTHER ENACTED, That the bonds shall be issued
7 in accordance with a resolution of the County, which shall describe generally the
8 construction, improvement, or development of public facilities for which the proceeds
9 of the bond sale are intended and the amount needed for those purposes. The County
10 shall have and is hereby granted full and complete authority and discretion in the
11 resolution to fix and determine with respect to the bonds of any issue: the designation,
12 date of issue, denomination or denominations, form or forms, and tenor of the bonds
13 which, without limitation, may be issued in registered form within the meaning of
14 Section 30 of Article 31 of the Annotated Code of Maryland, as amended; the rate or
15 rates of interest payable thereon, or the method of determining the same, which may
16 include a variable rate; the date or dates and amount or amounts of maturity, which
17 need not be in equal par amounts or in consecutive annual installments, provided only
18 that no bond of any issue shall mature later than 30 years from the date of its issue;
19 the manner of selling the bonds, which may be at either public or private sale, for such
20 price or prices as may be determined to be for the best interests of the County; the
21 manner of executing and sealing the bonds, which may be by facsimile; the terms and
22 conditions, if any, under which bonds may be tendered for payment or purchase prior
23 to their stated maturity; the terms or conditions, if any, under which bonds may or
24 shall be redeemed prior to their stated maturity; the place or places of payment of the
25 principal of and the interest on the bonds, which may be at any bank or trust company
26 within or without the State of Maryland; covenants relating to compliance with
27 applicable requirements of federal income tax law, including (without limitation)
28 covenants regarding the payment of rebate or penalties in lieu of rebate; covenants
29 relating to compliance with applicable requirements of federal or state securities laws;
30 and generally all matters incident to the terms, conditions, issuance, sale, and delivery
31 thereof.

32 The bonds may be made redeemable before maturity, at the option of the
33 County, at such price or prices and under such terms and conditions as may be fixed
34 by the County prior to the issuance of the bonds, either in the resolution or in
35 subsequent resolutions. In case any officer whose signature appears on any bond
36 ceases to be such officer before the delivery thereof, such signature shall nevertheless
37 be valid and sufficient for all purposes as if he had remained in office until such
38 delivery. The bonds and the issuance and sale thereof shall be exempt from the
39 provisions of Sections 2C, 9, 10, and 11 of Article 31 of the Annotated Code of
40 Maryland. The County may enter into agreements with agents, banks, fiduciaries,
41 insurers, or others for the purpose of enhancing the marketability of any security for

1 the bonds and for the purpose of securing any tender option that may be granted to
2 holders of the bonds, all as may be determined and presented in the aforesaid
3 resolution, which may (but need not) state as security for the performance by the
4 County of any monetary obligations under such agreements the same security given by
5 the County to bondholders for the performance by the County of its monetary
6 obligations under the bonds. If the County determines in the resolution to offer any of
7 the bonds by solicitation of competitive bids at public sale, the resolution shall fix the
8 terms and conditions of the public sale and shall adopt a form of notice of sale, which
9 shall outline the terms and conditions, including the manner of receipt of bids, and a
10 form of advertisement, ~~which shall be published in one or more daily or weekly~~
11 ~~newspapers having a general circulation in Washington County and which may also be~~
12 ~~published in one or more journals having a circulation primarily among banks and~~
13 ~~investment bankers.~~ At least one publication of the advertisement shall be made not
14 less than 10 days before the sale of the bonds.

15 Upon delivery of any bonds to the purchaser or purchasers, payment therefor
16 shall be made to the Treasurer of Washington County or such other official of the
17 County as may be designated to receive such payment in a resolution passed by the
18 County Commissioners of Washington County before such delivery. For purposes of
19 issuance and sale, bonds, authorized hereunder may be consolidated into a single issue
20 with any other bonds authorized to be issued by the County.

21 SECTION 4. AND BE IT FURTHER ENACTED, That the net proceeds of the
22 sale of bonds shall be used and applied exclusively and solely for the acquisition,
23 construction, improvement, or development of public facilities for which the bonds are
24 sold. If the amounts borrowed shall prove inadequate to finance the projects described
25 in the resolution, the County may issue additional bonds within the limitations hereof
26 for the purpose of evidencing the borrowing of additional funds for such financing,
27 provided the resolution authorizing the sale of additional bonds shall so recite, but if
28 the net proceeds of the sale of any issue of bonds exceeds the amount needed to finance
29 the projects described in the resolution, the excess funds so borrowed and not
30 expended shall be applied to the payment of the next principal maturity of the bonds
31 or to the redemption of any part of the bonds which have been made redeemable or to
32 the purchase and cancellation of bonds, unless the County shall adopt a resolution
33 allocating the excess funds to the acquisition, construction, improvement, or
34 development of other public facilities, as defined and within the limits set forth in this
35 Act.

36 SECTION 5. AND BE IT FURTHER ENACTED, That the bonds hereby
37 authorized shall constitute, and they shall so recite, an irrevocable pledge of the full
38 faith and credit and unlimited taxing power of the County to the payment of the
39 maturing principal of and interest on the bonds as and when they become payable. In
40 each and every fiscal year that any of the bonds are outstanding, the County shall levy

1 or cause to be levied ad valorem taxes upon all the assessable property within the
2 corporate limits of Washington County in rate and amount sufficient to provide for or
3 assure the payment, when due, of the principal of and interest on all the bonds
4 maturing in each such fiscal year and, in the event the proceeds from the taxes so
5 levied in any such fiscal year shall prove inadequate for such payment, additional
6 taxes shall be levied in the succeeding fiscal year to make up any such deficiency. The
7 County may apply to the payment of the principal of and interest on any bonds issued
8 hereunder any funds received by it from the State of Maryland, the United States of
9 America, any agency or instrumentality thereof, or from any other source, if such
10 funds are granted for the purpose of assisting the County in financing the acquisition,
11 construction, improvement, or development of the public facilities defined in this Act
12 and, to the extent of any such funds received or receivable in any fiscal year, the taxes
13 that are required to be levied may be reduced accordingly.

14 SECTION 6. AND BE IT FURTHER ENACTED, That the County is further
15 authorized and empowered, at any time and from time to time, to issue its bonds in
16 the manner hereinabove described for the purpose of refunding, by payment at
17 maturity or upon purchase or redemption, any bonds issued hereunder. The validity of
18 any such refunding bonds shall in no way be dependent upon or related to the validity
19 or invalidity of the obligations so refunded. The powers herein granted with respect to
20 the issuance of bonds shall be applicable to the issuance of refunding bonds. Such
21 refunding bonds may be issued by the County for the purpose of providing it with
22 funds to pay any of its outstanding bonds issued hereunder at maturity, for the
23 purpose of providing it with funds to purchase in the open market any of its
24 outstanding bonds issued hereunder, prior to the maturity thereof, or for the purpose
25 of providing it with funds for the redemption prior to maturity of any outstanding
26 bonds issued hereunder which are, by their terms, redeemable, for the purpose of
27 providing it with funds to pay interest on any outstanding bonds issued hereunder
28 prior to their payment at maturity of purchase or redemption in advance of maturity,
29 or for the purpose of providing it with funds to pay any redemption or purchase
30 premium in connection with the refunding of any of its outstanding bonds issued
31 hereunder. The proceeds of the sale of any such refunding bonds shall be segregated
32 and set apart by the County as a separate trust fund to be used solely for the purpose
33 of paying the purchase or redemption prices of the bonds to be refunded.

34 SECTION 7. AND BE IT FURTHER ENACTED, That the County may, prior to
35 the preparation of definitive bonds, issue interim certificates or temporary bonds, with
36 or without coupons, exchangeable for definitive bonds when such bonds have been
37 executed and are available for such delivery, provided, however, that any such interim
38 certificates or temporary bonds shall be issued in all respects subject to the
39 restrictions and requirements set forth in this Act. The County may, by appropriate
40 resolution, provide for the replacement of any bonds issued hereunder which shall

1 have become mutilated or lost or destroyed upon such conditions and after receiving
2 such indemnity as the County may require.

3 SECTION 8. AND BE IT FURTHER ENACTED, That any and all obligations
4 issued pursuant to the authority of this Act, their transfer, the interest payable
5 thereon, and any income derived therefrom in the hands of the holders thereof from
6 time to time (including any profit made in the sale thereof) shall be and are hereby
7 declared to be at all times exempt from State, county, municipal, or other taxation of
8 every kind and nature whatsoever within the State of Maryland.

9 Nothing in this Act shall prevent the County from authorizing the issuance and
10 sale of bonds the interest on which is not excludable from gross income for federal
11 income tax purposes.

12 SECTION 9. AND BE IT FURTHER ENACTED, That the authority to borrow
13 money and issue bonds conferred on the County by this Act shall be deemed to provide
14 an additional and alternative authority for borrowing money and shall be regarded as
15 supplemental and additional to powers conferred upon the County by other laws and
16 shall not be regarded as in derogation of any power now existing; and all Acts of the
17 General Assembly of Maryland heretofore passed authorizing the County to borrow
18 money are hereby continued to the extent that the powers contained in such Acts have
19 not been exercised, and nothing contained in this Act may be construed to impair, in
20 any way, the validity of any bonds that may have been issued by the County under the
21 authority of any said Acts, and the validity of the bonds is hereby ratified, confirmed,
22 and approved. This Act, being necessary for the welfare of the inhabitants of
23 Washington County, shall be liberally construed to effect the purposes hereof. All Acts
24 and parts of Acts inconsistent with the provisions of this Act are hereby repealed to
25 the extent of such inconsistency.

26 SECTION 10. AND BE IT FURTHER ENACTED, That the borrowing
27 authorized by this Act may also be undertaken by the County in the form of
28 installment purchase obligations executed and delivered by the County for the purpose
29 of acquiring easements or similar or related rights in land, including transferable
30 development rights, that restrict the use of agricultural land or woodland to maintain
31 the character of the land as agricultural land or woodland. The form of installment
32 purchase obligations, the manner of accomplishing the acquisition of easements, which
33 may be by the direct exchange of installment purchase obligations for easements or
34 transferable development rights, and all matters incident to the execution and
35 delivery of the installment purchase obligations and acquisition of the easements or
36 transferable development rights by the County shall be determined in the resolution.
37 Except where the provisions of this Act would be inapplicable to installment purchase
38 obligations, the term "bonds" used in this Act shall include installment purchase
39 obligations and matters pertaining to the bonds under this Act, such as the security

1 for the payment of the bonds, the exemption of the bonds from State, county,
2 municipal, or other taxation, and authorization to issue refunding bonds and the
3 limitation on the aggregate principal amount of bonds authorized for issuance, shall be
4 applicable to installment purchase obligations.

5 SECTION 11. AND BE IT FURTHER ENACTED, That the Washington County
6 Commissioners shall present a plan to implement a County land preservation and
7 landowner equity program to the members of the General Assembly representing
8 Washington County on or before January 1, 2008. The plan shall establish annual
9 goals for financial support and acres of land preserved.

10 SECTION 12. AND BE IT FURTHER ENACTED, That this Act shall take
11 effect June 1, 2007.
