 25 (2001 Replacement Volume and 2006 Supplement)

26 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF
 27 MARYLAND, That the Laws of Maryland read as follows:

28 **Article – Estates and Trusts**

29 [Subtitle 6. Powers of Attorney.]

30 [13–601.

31 (a) In this section, “durable power of attorney” means a power of attorney by
 32 which a principal designates another as an attorney in fact or agent and the authority
 33 is exercisable notwithstanding the principal’s subsequent disability or incapacity.

1 (b) Except as provided in subsection (e) of this section, when a principal
2 designates another as an attorney in fact or agent by a power of attorney in writing, it
3 is a durable power of attorney unless otherwise provided by its terms.

4 (c) Any act done by the attorney in fact or agent pursuant to the power
5 during any period of disability or incompetence or uncertainty as to whether the
6 principal is dead or alive has the same effect and inures to the benefit of and binds the
7 principal as if the principal were alive, competent, and not disabled.

8 (d) If a guardian is appointed for the principal, the attorney in fact or agent
9 shall account to the guardian rather than the principal. The guardian has the same
10 power the principal would have but for his disability or incompetence to revoke,
11 suspend, or terminate all or any part of the power of attorney or agency.

12 (e) (1) This section does not apply to an instrument or portion of an
13 instrument that is an advance directive appointing a health care agent under Title 5,
14 Subtitle 6 of the Health – General Article.

15 (2) An instrument or portion of an instrument that is an advance
16 directive appointing a health care agent is subject to the provisions of Title 5, Subtitle
17 6 of the Health – General Article.]

18 [13–602.

19 (a) The death, disability, or incompetence of a principal who has executed a
20 power of attorney in writing does not revoke or terminate the agency as to the
21 attorney in fact, agent, or other person who, without actual knowledge of the death,
22 disability, or incompetence of the principal, acts in good faith under the power of
23 attorney or agency. Unless otherwise invalid or unenforceable, any action taken binds
24 the principal and his heirs, legatees, and personal representatives.

25 (b) In the absence of fraud, an affidavit executed by the attorney in fact or
26 agent and stating that he did not have, at the time of doing an act pursuant to the
27 power of attorney, actual knowledge of the revocation or termination of the power of
28 attorney by death, disability, or incompetence, is conclusive proof of the nonrevocation
29 or nontermination of the power at that time. If the exercise of the power requires
30 execution and delivery of any instrument which is recordable, the affidavit when
31 authenticated for record is likewise recordable.

32 (c) This section may not be construed to alter or affect any provision for
33 revocation or termination contained in the power of attorney.]

1 [13-603.

2 If any member of the armed services of the United States has executed a power
3 of attorney, the fact that the person has been reported or listed, officially or otherwise,
4 as “missing in action”, as that phrase is used in military parlance, may not operate to
5 revoke the power of attorney, unless the instrument otherwise provides.]
