6 municipality the activities authorized by this appendix.

7 (c) The ordinance shall include provisions establishing the number of  
8 members of the public body or agency, the manner of their appointment and removal,

18 sections A1-102 and A1-103 of this appendix;

24 In order to initiate an urban renewal project, the legislative body of the  
25 municipality shall adopt a resolution which:

26 (1) Finds that one or more slum or blighted areas exist in the  
27 municipality;

28 (2) Locates and defines the slum or blighted area; and

1           (3) Finds that the rehabilitation, redevelopment, or a combination of  
2 them, of the area or areas, is necessary and in the interest of the public health, safety,  
3 morals, or welfare of the residents of the municipality.]

4 [A1-107. Preparation and approval of plan for urban renewal project.

5           (a) In order to carry out the purposes of this appendix, the municipality shall  
6 have prepared an urban renewal plan for slum or blighted areas in the municipality,  
7 and shall approve the plan formally. The municipality shall hold a public hearing on  
8 an urban renewal project after public notice of it by publication in a newspaper having  
9 a general circulation within the corporate limits of the municipality. The notice shall  
10 describe the time, date, place, and purpose of the hearing, shall generally identify the  
11 urban renewal area covered by the plan, and shall outline the general scope of the  
12 urban renewal project under consideration. Following the hearing, the municipality  
13 may approve an urban renewal project and the plan therefor if it finds that:

14           (1) A feasible method exists for the location of any families or natural  
15 persons who will be displaced from the urban renewal area in decent, safe, and  
16 sanitary dwelling accommodations within their means and without undue hardship to  
17 the families or natural persons;

18           (2) The urban renewal plan conforms substantially to the master plan  
19 of the municipality as a whole; and

20           (3) The urban renewal plan will afford maximum opportunity,  
21 consistent with the sound needs of the municipality as a whole, for the rehabilitation  
22 or redevelopment of the urban renewal area by private enterprise.

23           (b) An urban renewal plan may be modified at any time. If modified after the  
24 lease or sale of real property in the urban renewal project area, the modification may  
25 be conditioned upon whatever approval of the owner, lessee, or successor in interest as  
26 the municipality considers advisable. In any event, it shall be subject to whatever  
27 rights at law or in equity as a lessee or purchaser, or his successor or successors in  
28 interest, may be entitled to assert. Where the proposed modification will change  
29 substantially the urban renewal plan as approved previously by the municipality, the  
30 modification shall be approved formally by the municipality, as in the case of an  
31 original plan.

32           (c) Upon the approval by the municipality of an urban renewal plan or of any  
33 modification of it, the plan or modification shall be considered to be in full force and

1 effect for the respective urban renewal area. The municipality may have the plan or  
2 modification carried out in accordance with its terms.]

3 [A1-108. Disposal of property in urban renewal area.

4 (a) The municipality may sell, lease, or otherwise transfer real property or  
5 any interest in it acquired by it for an urban renewal project to any person for  
6 residential, recreational, commercial, industrial, educational, or other uses or for  
7 public use, or it may retain the property or interest for public use, in accordance with  
8 the urban renewal plan and subject to whatever covenants, conditions, and  
9 restrictions, including covenants running with the land, as it considers necessary or  
10 desirable to assist in preventing the development or spread of future slums or blighted  
11 areas or to otherwise carry out the purposes of this appendix. The purchasers or  
12 lessees and their successors and assigns shall be obligated to devote the real property  
13 only to the uses specified in the urban renewal plan, and may be obligated to comply  
14 with whatever other requirements the municipality determines to be in the public  
15 interest, including the obligation to begin within a reasonable time any improvements  
16 on the real property required by the urban renewal plan. The real property or interest  
17 may not be sold, leased, otherwise transferred, or retained at less than its fair value  
18 for uses in accordance with the urban renewal plan. In determining the fair value of  
19 real property for uses in accordance with the urban renewal plan, the municipality  
20 shall take into account and give consideration to the uses provided in the plan, the  
21 restrictions upon, and the covenants, conditions, and obligations assumed by the  
22 purchaser or lessee or by the municipality retaining the property, and the objectives of  
23 the plan for the prevention of the recurrence of slum or blighted areas. In any  
24 instrument or conveyance to a private purchaser or lessee, the municipality may  
25 provide that the purchaser or lessee may not sell, lease, or otherwise transfer the real  
26 property without the prior written consent of the municipality until he has completed  
27 the construction of any or all improvements which he has obligated himself to  
28 construct on the property. Real property acquired by the municipality which, in  
29 accordance with the provisions of the urban renewal plan, is to be transferred, shall be  
30 transferred as rapidly as feasible in the public interest consistent with the carrying  
31 out of the provisions of the urban renewal plan. Any contract for the transfer and the  
32 urban renewal plan (or any part or parts of the contract or plan as the municipality  
33 determines) may be recorded in the land records of the county in which the  
34 municipality is situated in a manner so as to afford actual or constructive notice of it.

35 (b) The municipality may dispose of real property in an urban renewal area  
36 to private persons. The municipality may, by public notice by publication in a  
37 newspaper having a general circulation in the community invite proposals from and  
38 make available all pertinent information to private redevelopers or any persons  
39 interested in undertaking to redevelop or rehabilitate an urban renewal area, or any

1 part thereof. The notice shall identify the area, or portion thereof, and shall state that  
2 proposals shall be made by those interested within a specified period. The  
3 municipality shall consider all redevelopment or rehabilitation proposals and the  
4 financial and legal ability of the persons making proposals to carry them out, and may  
5 negotiate with any persons for proposals for the purchase, lease, or other transfer of  
6 any real property acquired by the municipality in the urban renewal area. The  
7 municipality may accept any proposal as it deems to be in the public interest and in  
8 furtherance of the purposes of this subheading. Thereafter, the municipality may  
9 execute and deliver contracts, deeds, leases, and other instruments and take all steps  
10 necessary to effectuate the transfers.

11 (c) The municipality may operate temporarily and maintain real property  
12 acquired by it in an urban renewal area for or in connection with an urban renewal  
13 project pending the disposition of the property as authorized in this appendix, without  
14 regard to the provisions of subsection (a), for uses and purposes considered desirable  
15 even though not in conformity with the urban renewal plan.

16 (d) Any instrument executed by the municipality and purporting to convey  
17 any right, title, or interest in any property under this appendix shall be presumed  
18 conclusively to have been executed in compliance with the provisions of this appendix  
19 insofar as title or other interest of any bona fide purchasers, lessees, or transferees of  
20 the property is concerned.]

21 [A1-109. Eminent domain.

22 Condemnation of land or property under the provisions of this appendix shall be  
23 in accordance with the procedure provided in the Real Property Article of the  
24 Annotated Code of Maryland.]

25 [A1-110. Encouragement of private enterprise.

26 The municipality, to the extent it determines to be feasible in carrying out the  
27 provisions of this appendix, shall afford maximum opportunity to the rehabilitation or  
28 redevelopment of any urban renewal area by private enterprise consistent with the  
29 sound needs of the municipality as a whole. The municipality shall give consideration  
30 to this objective in exercising its powers under this appendix.]

31 [A1-111. General obligation bonds.

32 For the purpose of financing and carrying out of an urban renewal project and  
33 related activities, the municipality may issue and sell its general obligation bonds.  
34 Any bonds issued by the municipality pursuant to this section shall be issued in the

1 manner and within the limitations prescribed by applicable law for the issuance and  
2 authorization of general obligation bonds by the municipality, and also within  
3 limitations determined by the municipality.]

4 [A1-112. Revenue bonds.

5 (a) In addition to the authority conferred by section A1-111 of this appendix,  
6 the municipality may issue revenue bonds to finance the undertaking of any urban  
7 renewal project and related activities. Also, it may issue refunding bonds for the  
8 payment or retirement of the bonds issued previously by it. The bonds shall be made  
9 payable, as to both principal and interest, solely from the income, proceeds, revenues,  
10 and funds of the municipality derived from or held in connection with the undertaking  
11 and carrying out of urban renewal projects under this appendix. However, payment of  
12 the bonds, both as to principal and interest, may be further secured by a pledge of any  
13 loan, grant, or contribution from the federal government or other source, in aid of any  
14 urban renewal projects of the municipality under this appendix, and by a mortgage of  
15 any urban renewal project, or any part of a project, title to which is in the  
16 municipality. In addition, the municipality may enter into an indenture of trust with  
17 any private banking institution of this state having trust powers and may make in the  
18 indenture of trust covenants and commitments required by any purchaser for the  
19 adequate security of the bonds.

20 (b) Bonds issued under this section do not constitute an indebtedness within  
21 the meaning of any constitutional or statutory debt limitation or restriction, are not  
22 subject to the provisions of any other law or charter relating to the authorization,  
23 issuance, or sale of bonds, and are exempted specifically from the restrictions  
24 contained in sections 9, 10, and 11 of Article 31 (Debt – Public) of the Annotated Code  
25 of Maryland. Bonds issued under the provisions of this appendix are declared to be  
26 issued for an essential public and governmental purpose and, together with interest on  
27 them and income from them, are exempt from all taxes.

28 (c) Bonds issued under this section shall be authorized by resolution or  
29 ordinance of the legislative body of the municipality. They may be issued in one or  
30 more series and:

- 31 (1) Shall bear a date or dates;
- 32 (2) Mature at a time or times;
- 33 (3) Bear interest at a rate or rates;
- 34 (4) Be in a denomination or denominations;

6 subject to terms of redemption (with or without premium);
- 7 (10) Be secured in a manner; and
- 8 (11) Have other characteristics, as are provided by the resolution, trust  
9 indenture, or mortgage issued pursuant to it.

10 (d) These bonds may not be sold at less than par value at public sales which  
11 are held after notice is published prior to the sale in a newspaper having a general  
12 circulation in the area in which the municipality is located and in whatever other  
13 medium of publication as the municipality may determine. The bonds may be  
14 exchanged also for other bonds on the basis of par. However, the bonds may not be sold  
15 to the federal government at private sale at less than par, and, in the event less than  
16 all of the authorized principal amount of the bonds is sold to the federal government,  
17 the balance may not be sold at private sale at less than par at an interest cost to the  
18 municipality which does not exceed the interest cost to the municipality of the portion  
19 of the bonds sold to the federal government.

20 (e) In case any of the public officials of the municipality whose signatures  
21 appear on any bonds or coupons issued under this appendix cease to be officials of the  
22 municipality before the delivery of the bonds or, in the event any of the officials have  
23 become such after the date of issue of them, the bonds are valid and binding  
24 obligations of the municipality in accordance with their terms. Any provision of any  
25 law to the contrary notwithstanding, any bonds issued pursuant to this appendix are  
26 fully negotiable.

27 (f) In any suit, action, or proceeding involving the validity or enforceability  
28 of any bond issued under this appendix, or the security for it, any bond which recites  
29 in substance that it has been issued by the municipality in connection with an urban  
30 renewal project shall be considered conclusively to have been issued for that purpose,  
31 and the project shall be considered conclusively to have been planned, located, and  
32 carried out in accordance with the provisions of this appendix.

1 (g) All banks, trust companies, bankers, savings banks, and institutions,  
2 building and loan associations, savings and loan associations, investment companies,  
3 and other persons carrying on a banking or investment business; all insurance  
4 companies, insurance associations, and other persons carrying on an insurance  
5 business; and all executors, administrators, curators, trustees, and other fiduciaries,  
6 may legally invest any sinking funds, moneys, or other funds belonging to them or  
7 within their control in any bonds or other obligations issued by the municipality  
8 pursuant to this appendix. However, the bonds and other obligations shall be secured  
9 by an agreement between the issuer and the federal government in which the issuer  
10 agrees to borrow from the federal government and the federal government agrees to  
11 lend to the issuer, prior to the maturity of the bonds or other obligations, moneys in an  
12 amount which (together with any other moneys committed irrevocably to the payment  
13 of principal and interest on the bonds or other obligations) will suffice to pay the  
14 principal of the bonds or other obligations with interest to maturity on them. The  
15 moneys under the terms of the agreement shall be required to be used for the purpose  
16 of paying the principal of and the interest on the bonds or other obligations at their  
17 maturity. The bonds and other obligations shall be authorized security for all public  
18 deposits. This section authorizes any persons or public or private political subdivisions
