4 5-706.

5 (a) The purpose of the local team is to prevent child deaths by:

6 (1) Promoting cooperation and coordination among agencies involved
7 in investigations of child deaths or in providing services to surviving family members;

8 (2) Developing an understanding of the causes and incidence of child
9 deaths in the county;

10 (3) Developing plans for and recommending changes within the
11 agencies the members represent to prevent child deaths; and

12 (4) Advising the State Team on changes to law, policy, or practice to
13 prevent child deaths.

14 (b) To achieve its purpose, the local team shall:

15 (1) In consultation with the State Team, establish and implement a
16 protocol for the local team;

17 (2) Set as its goal the investigation of child deaths in accordance with
18 national standards;

19 (3) Meet at least quarterly to review the status of child fatality cases,
20 recommend actions to improve coordination of services and investigations among
21 member agencies, and recommend actions within the member agencies to prevent
22 child deaths;

23 (4) Collect and maintain data as required by the State Team;

24 (5) Provide requested reports to the State Team, including discussion
25 of individual cases, steps taken to improve coordination of services and investigations,
26 steps taken to implement changes recommended by the local team within member
27 agencies, and recommendations on needed changes to State and local law, policy, and
28 practice to prevent child deaths; and

1 (6) In consultation with the State Team:

2 (i) Define “near fatality”; and

3 (ii) Develop procedures and protocols that local teams and the
4 State Team may use to review cases of near fatality.
