A BILL ENTITLED

1 AN ACT concerning

2 **Public Schools – Summer Learning Pilot Program**

3 FOR the purpose of establishing the Summer Learning Pilot Program; providing for
4 the purpose of the Program; requiring the State Board of Education to select a
5 certain number of schools to host the Program; prohibiting the State Board from
6 selecting a school for the Program without the approval of the county board of
7 education; requiring certain county boards to develop a model summer learning
8 program with a certain curriculum; requiring a county board, in consultation
9 with the State Board, to determine the cost of the Program in that county;
10 requiring a county board to identify funds to pay for a certain percentage of the
11 Program from certain sources; requiring the State to pay certain funds for the
12 Program under certain circumstances; requiring the State Board to submit a
13 certain report to certain committees of the General Assembly on or before a
14 certain date; and generally relating to the Summer Learning Pilot Program.

15 BY adding to
16 Article – Education
17 Section 7–208
18 Annotated Code of Maryland
19 (2006 Replacement Volume)

20 Preamble

21 WHEREAS, Research shows that young people are at risk of experiencing the
22 loss of academic skills if they do not engage in educational activities during the
23 summer months; and

EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW.

[Brackets] indicate matter deleted from existing law.

1 WHEREAS, Summer learning loss significantly contributes to the widening of
2 the achievement gap among elementary school students in Maryland; and

3 WHEREAS, Students from low-income families typically lose over 2 months'
4 worth of mathematical computation and reading achievement skills each summer and
5 that these losses are cumulative over the elementary school years; and

6 WHEREAS, Large numbers of students from low-income families that qualify
7 for federally subsidized nutrition programs during the school year do not have access
8 to breakfast and lunch over the summer; and

9 WHEREAS, Research on the effectiveness of summer learning programs in
10 Maryland has consistently shown that these programs improve student achievement,
11 improve teacher recruitment and retention, increase student access to nutritious
12 meals, and facilitate a greater collaboration between community-based organizations
13 and public agencies; and

14 WHEREAS, Successful summer learning programs in Maryland have and will
15 continue to be proven methods of leveraging new investment from private and federal
16 funding sources; now, therefore,
