20 purpose of assisting the County in financing the acquisition of ~~transfer~~ development
21 rights in agricultural land located in Cecil County, Maryland and to the extent of any

31 dates; but the investments shall not be pledged to the payment of the purchase price of
32 any of the Installment Purchase Agreements or the interest thereon, and no person
33 other than the County shall have any interest therein.

34 SECTION 7. AND BE IT FURTHER ENACTED, That any and all Installment
35 Purchase Agreements entered into by the County pursuant to the authority of this

39 from State, County, municipal or other taxation of every kind and nature whatsoever
40 within the State of Maryland.

1 SECTION 8. AND BE IT FURTHER ENACTED, That the authority conferred
 2 on the County by this Act to enter into Installment Purchase Agreements and create
 3 debt of the County shall be deemed to provide an additional and alternative authority
 4 for borrowing money and creating debt and shall be regarded as supplemental and
 5 additional to powers conferred upon the County by other laws and shall not be
 6 regarded as in derogation of any power now existing; and all Acts of the General
 7 Assembly of Maryland heretofore passed authorizing the County to borrow money and
 8 incur debt are hereby continued to the extent that the powers contained in those prior
 9 Acts have not been exercised, and nothing contained in this Act may be construed to
 10 impair, in any way, the validity of any bonds or other obligations that may have been
 11 entered into by the County under the authority of any of said Acts, and the validity of
