**Article – Natural Resources**

8–1808.

(d) (1) In this subsection, “unwarranted hardship” means that, without a variance, an applicant would be denied reasonable and significant use of the entire parcel or lot for which the variance is requested.

(2) (i) In considering an application for a variance, a local jurisdiction shall presume that the specific development activity in the critical area that is subject to the application and for which a variance is required does not conform with the general purpose and intent of this subtitle, regulations adopted under this subtitle, and the requirements of the local jurisdiction’s program.

(ii) If the variance request is based on conditions or circumstances that are the result of actions by the applicant, including the commencement of development activity before an application for a variance has been filed, a local jurisdiction may consider that fact.

(3) (i) An applicant has the burden of proof and the burden of persuasion to overcome the presumption established under paragraph (2)(i) of this subsection.

(ii) 1. Based on competent and substantial evidence, a local jurisdiction shall make written findings as to whether the applicant has overcome the presumption established under paragraph (2)(i) of this subsection.

2. With due regard for the person’s experience, technical competence, and specialized knowledge, the written findings may be based on evidence introduced and testimony presented by:

A. The applicant;

B. The local jurisdiction or any other government agency; or

C. Any other person deemed appropriate by the local jurisdiction.

(4) A variance to a local jurisdiction’s critical area program may not be granted unless:

1 (i) Due to special features of a site, or special conditions or  
2 circumstances peculiar to the applicant's land or structure, a literal enforcement of the  
3 critical area program would result in unwarranted hardship to the applicant;

4 (ii) The local jurisdiction finds that the applicant has satisfied  
5 each one of the variance provisions; and

6 (iii) Without the variance, the applicant would be deprived of a  
7 use of land or a structure permitted to others in accordance with the provisions of the  
8 critical area program.

9 (5) This subsection does not apply to building permits or activities that  
10 comply with a buffer exemption plan or buffer management plan of a local jurisdiction  
11 which has been approved by the Commission.

12 **(6) NOTWITHSTANDING ANY PROVISION OF A LOCAL LAW OR**

16 **AND DECISION ON AN APPLICATION FOR A VARIANCE.**

17 SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall be  
18 construed to apply retroactively and shall be applied to and interpreted to affect any  
19 applications for variances under the Chesapeake Bay and Atlantic Coastal Bays  
20 Critical Area Program, except for property in the North Shore Community of Anne  
21 Arundel County for which a variance was applied for in 2003.
