FISCAL AND POLICY NOTE

Senate Bill 131
Judicial Proceedings

(Senator Pugh, *et al.*)

Real Property - Foreclosure - Posting of Notice

This bill requires the person authorized to make a sale in an action to foreclose a mortgage or deed of trust, in addition to the notice currently required, to post written notice in a conspicuous manner on the door or other front part of the property to be sold. The notice must be posted at least 30 days before the date a foreclosure sale of the property is actually held.

Fiscal Summary

State Effect: Altering the notice requirements in a foreclosure action would not materially affect governmental finances or operations.

Local Effect: None – see above.

Small Business Effect: Minimal.

Analysis

Current Law: A mortgage or deed of trust may include “power of sale” (a provision authorizing a foreclosure sale of the property after a default) or an “assent to decree” (a provision declaring an assent to the entry of an order for a foreclosure sale after a default). Under the Maryland Rules, it is not necessary to serve process or hold a hearing prior to the sale in an action to foreclose a lien pursuant to a power of sale or an order for sale under an assent to a decree.

When the lien instrument does not contain a power of sale or an assent to a decree, a complaint to foreclose must be filed, and process must be served. In this case, the action proceeds as any other civil action.

In either case, the person authorized to make the sale must comply with the notice requirements under the Maryland Rules and by statute.

After commencement of an action to foreclose a lien and before making a sale of the subject property, the person authorized to make the sale must publish notice of the time, place, and terms of the sale in a newspaper of general circulation in the county where the action is pending. The notice must be given at least once a week for three successive weeks, with the first publication no less than 15 days prior to sale and the last publication not more than one week prior to the sale.

Before making the sale, the person authorized to make the sale must send notice of the time, place, and terms of the sale by certified mail and by first class mail to the last known address of the debtor, the record owner of the property, and the holder of any subordinate interest in the property. The notices must be sent no more than 30 days and no less than 10 days before the sale date. The notice to the record owner must state the time, place, and terms of the sale.

No less than 15 days prior to the sale, the person authorized to make the sale must also send written notice to the county or municipal corporation where the property is located about: (1) the contact information of the person authorized to make the sale; and (2) the time, place, and terms of the sale.

The person giving notice must file in the proceedings an affidavit that: (1) the person has complied with the notice provisions; or (2) the identity or address of the debtor, record owner, or holder of a subordinate interest is not reasonably ascertainable. If the affidavit states that the identity or address was not ascertainable, it must describe in detail the reasonable, good faith efforts that were made to ascertain the identity or address. If the notice was given, the affidavit must state the date, manner, and content of the notice.

In addition to other notice requirements, the person authorized to make the sale is required to give written notice of the proposed sale to the record owner of the property to be sold stating that: (1) the action to foreclose the mortgage or deed of trust may be or has been docketed; and (2) a foreclosure sale will be held. This notice must be sent no

later than two days after the action to foreclose has been docketed. The notice must contain a specified statement and must be sent by certified mail, postage repaid, return receipt requested, and by first class mail.
