11. Description and Purpose of Project (3000 characters maximum)

The Clarence H. "Du" Burns Memorial will serve as a permanent monument in tribute to the life and legacy of the late former Baltimore Mayor Clarence H. "Du" Burns. Specifically, the memorial will be a ten (10) foot tall statue of Mayor Burns. Famed sculptor (and Maryland resident) Simmie Knox, best known for his official White House portraits of former U.S. President William Jefferson Clinton and Senator Hillary Rodham Clinton, will create the memorial. On September 25, 2006, the Baltimore City Council adopted a Resolution supporting the placement of the "Du" Burns Memorial on the grounds of Baltimore City Hall Plaza. The memorial will be a historical landmark in Baltimore City in light of Mayor Burns' historical distinctions as the First African-American Mayor of Baltimore City, as well as the First African-American President and Vice-President of the Baltimore City Council. In addition, the memorial will serve as a catalyst to future generations to learn more about the life and legacy of Mayor Burns and the countless contributions Mayor Burns made to the City of Baltimore and the State of Maryland.

<p>The Fund has solicited donations from several corporations and philanthropists in the Baltimore Metropolitan area. However, the vast majority of the corporations have expressed a desire to provide financing for only the Fund’s educational initiatives rather than contributing to the construction of the “Du” Burns Memorial, thus a Bond from the State of Maryland is needed to complete the memorial.</p>
