11. Description and Purpose of Project (3000 characters maximum)

Reid Community Development Corporation (RCDC), a tax- exempt organization, is requesting that the good offices of The Honorable State Senator Peters support and sponsor a Request for a Community Development Initiative Line Item Appropriation in the State Budget in the amount of \$500,000 to support the establishment of a community and entrepreneur development center. The center will place high value on building hope and confidence of marginalized people and low and moderate income person in the community. RCDC is a nonprofit affiliate of the Reid Temple AME Church that has a 7,000 member congregation and operates a house of worship in Glenn Dale, MD in the north-central area of Prince Georges County.

RCDC is sponsoring a community and business center project that will service the residents of Prince Georges County. The target communities include, but is not limited to, residents from the towns of College Park, Lanham, Greenbelt, Bowie, Kettering, Laurel, Mitchellville and Glenn Dale Maryland and surrounding areas. The most likely location in the vicinity will be near one of two Metro transportation stations in New Carrollton or Greenbelt. Secondly, we are seeking space near Reid Temple AME Church or the Glenn Dale Business Center in Glenn Dale, MD. Plans include acquisition of a 7500 sq. ft. office condominium or a small commercial office building.

The center will provide support and encouragement for much needed, entrepreneur development, job creation and workforce investment. A particular focus is to provide for low and moderate income persons, Veterans and at-risk youth. The project will provide a nurturing business environment for persons to learn entrepreneurship, start a micro-business, expand an existing business and employ low and moderate-income persons. A business support center will be available for businesses to share space and administrative support. Professional staff and consultants including other business owners with expertise in accounting, banking, management, law, marketing, government contracting and etc. will provide technical assistance to businesses on site. Support will be sought through partnering with local governments, trade associations and the Chamber of Commerce. (SEE ATTACHMENT).
