7 Preamble

8 WHEREAS, Maryland is known as “America in Miniature” with unsurpassed  
9 natural, cultural, and historical amenities waiting to be discovered; and

10 WHEREAS, Maryland’s \$11 billion travel and tourism industry represents the  
11 State’s fourth largest industry which recent reports show employs over 100,000 people  
12 and generates an estimated \$3 billion in salaries and wages and \$895 million in State  
13 tax revenues on an annual basis; and

14 WHEREAS, Studies indicate that every dollar spent marketing the State of  
15 Maryland converts into a \$28.24 return on investment to Maryland’s economy; and

16 WHEREAS, Neighboring states realize the economic value of self–promotion  
17 and are outspending Maryland in a concerted effort to capture a regional market share  
18 of visitor spending, especially by baby boomers with their disposable income who are  
19 moving into the 45 to 54 age group; and

20 WHEREAS, State funding for travel and tourism development and promotion in  
21 Maryland has fluctuated over the years largely because of shifting priorities,  
22 depressed revenue attainment, and less than a full understanding of the dollar  
23 potential associated with a well–financed, clearly understood marketing strategy; and

24 WHEREAS, Prevailing economic conditions, coupled with competition from  
25 neighboring states and the predictability of a measurable return on investment, call  
26 for a bold, innovative, and well–funded plan to strengthen Maryland’s standing as a  
27 premiere destination for travelers; and

28 WHEREAS, The General Assembly envisions the Tourism Promotion Act of  
29 2008 as a timely investment in Maryland’s future that will generate much–needed  
30 revenues for State and local governments through the promotion of a State whose  
31 credit as “America in Miniature” is well–deserved; now, therefore,

32 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF
