### Preamble

WHEREAS, Maryland is known as “America in Miniature” with unsurpassed natural, cultural, and historical amenities waiting to be discovered; and

WHEREAS, Maryland’s \$11 billion travel and tourism industry represents the State’s fourth largest industry which recent reports show employs over 100,000 people

1 and generates an estimated \$3 billion in salaries and wages and \$895 million in State  
2 tax revenues on an annual basis; and

3 WHEREAS, Studies indicate that every dollar spent marketing the State of  
4 Maryland converts into a \$28.24 return on investment to Maryland's economy; and

5 WHEREAS, Neighboring states realize the economic value of self-promotion  
6 and are outspending Maryland in a concerted effort to capture a regional market share  
7 of visitor spending, especially by baby boomers with their disposable income who are  
8 moving into the 45 to 54 age group; and

9 WHEREAS, State funding for travel and tourism development and promotion in  
10 Maryland has fluctuated over the years largely because of shifting priorities,  
11 depressed revenue attainment, and less than a full understanding of the dollar  
12 potential associated with a well-financed, clearly understood marketing strategy; and

13 WHEREAS, Prevailing economic conditions, coupled with competition from  
14 neighboring states and the predictability of a measurable return on investment, call  
15 for a bold, innovative, and well-funded plan to strengthen Maryland's standing as a  
16 premiere destination for travelers; and

17 WHEREAS, The General Assembly envisions the Tourism Promotion Act of  
18 2008 as a timely investment in Maryland's future that will generate much-needed  
19 revenues for State and local governments through the promotion of a State whose  
20 credit as "America in Miniature" is well-deserved; now, therefore,
