## CHAPTER \_\_\_\_\_

1 AN ACT concerning

### 2 **Family Law – Child Support Enforcement – Medical Support for Children**

3 FOR the purpose of altering provisions of law relating to health insurance coverage for  
4 children by requiring, rather than authorizing, a court to include in a certain  
5 support order a provision requiring health insurance coverage for a child;  
6 providing that both parents are subject to a certain order; altering the  
7 conditions under which coverage must be provided; repealing a provision of law  
8 authorizing a certain order to be issued separate from or in conjunction with an  
9 earnings withholding order; requiring a court to include certain provisions in a  
10 support order if health insurance coverage is not available at a reasonable cost  
11 at the time the order is established or modified; requiring cash medical support  
12 to be added to the basic child support obligation under the child support  
13 guidelines and divided by the parents in proportion to their adjusted actual  
14 incomes; prohibiting the court from ordering the obligee to pay cash medical  
15 support under certain circumstances; establishing when cash medical support  
16 and the cost of health insurance coverage shall be deemed reasonable; defining  
17 certain terms; and generally relating to medical support for children.

18 BY repealing and reenacting, with amendments,  
19 Article – Family Law  
20 Section 12–102  
21 Annotated Code of Maryland  
22 (2006 Replacement Volume and 2008 Supplement)
