2 the exchange of information necessary to protect children from preventable deaths,
3 and include proposals for changes to statutes in the annual report required by
4 paragraph (12) of this subsection;

5 (9) Examine the policies and procedures of State and local agencies
6 and specific cases that the State Team considers necessary to perform its duties under
7 this section, in order to evaluate the extent to which State and local agencies are
8 effectively discharging their child protection responsibilities in accordance with:

9 (i) The State plan under 42 U.S.C. § 5106a(b);

10 (ii) The child protection standards set forth in 42 U.S.C. §
11 5106a(b); and

12 (iii) Any other criteria that the State Team considers important
13 to ensure the protection of children;

14 (10) Educate the public regarding the incidence and causes of child
15 deaths, the public role in preventing child deaths, and specific steps the public can
16 undertake to prevent child deaths;

17 (11) Recommend to the Secretary any regulations necessary for its own
18 operation and the operation of the local teams;

19 (12) Provide the Governor, the public, and subject to § 2-1246 of the
20 State Government Article, the General Assembly, with annual written reports, which
21 shall include the State Team's findings and recommendations; and

22 (13) In consultation with local teams:

23 (i) Define "near fatality"; and

24 (ii) Develop procedures and protocols that local teams and the
25 State Team may use to review cases of near fatality.

26 (c) The State Team shall coordinate its activities under this section with the
27 State Citizens Review Board for Children, local citizens review panels, and the State
28 Council on Child Abuse and Neglect in order to avoid unnecessary duplication of effort.
