 8 replacement, and capital equipment purchases of this State, for acquiring
 9 certain real estate ~~in connection therewith, and easements~~ and for grants to
 10 certain subdivisions and other organizations for certain development and
 11 improvement purposes, subject to the requirement that certain grantees provide
 12 and expend certain matching funds by certain dates; imposing a certain tax on
 13 all assessable property in the State; providing generally for the issuance and
 14 sale of bonds evidencing the loan; requiring certain grantees to grant a certain
 15 historical easement unless a certain determination is made by the Maryland
 16 Historical Trust; providing that the proceeds of certain loans must be expended
 17 or encumbered by a certain date; providing that work may commence on certain
 18 projects prior to the appropriation of all funds necessary to complete the project;
 19 providing that certain funds allocated to certain eligible school construction
 20 projects in a county that are not spent for the project may be applied to another
 21 eligible project or reserved in a certain contingency fund for certain purposes;
 22 stating the intent of the General Assembly that if certain funding is available
 23 for a certain purpose, a certain upgrade shall be undertaken with the available
 24 funding and certain funds shall be placed in a certain fund; prohibiting the
 25 Department of Information Technology from expending certain funds before a
 26 certain date or until it has submitted a certain report for review by the budget
 27 committees; prohibiting the expenditure of certain funds until certain conditions
 28 have been met; providing that certain funds may not be expended for a certain
 29 project until a certain report is submitted to the budget committees; stating the
 30 intent of the General Assembly that a certain authorization does not constitute
 31 approval of a certain financing method; requiring that before certain contracts
 32 are executed the Capital Debt Affordability Committee must first review certain
 33 proposed financing alternatives; stating the intent of the General Assembly that
 34 a certain facility be operated as a minimum security facility and not house

inmates above a certain security classification; restricting the use of a certain appropriation until the Police and Correctional Training Commissions and the Maryland Transportation Authority have developed and provided the budget committees a certain memoranda of understanding; providing that assistance awarded under certain programs is not subject to a certain approval by the Board of Public Works; requiring the Department of Juvenile Services and the Department of General Services to submit a certain report to the budget committees and provide a certain review and comment period before acquiring or leasing certain land; authorizing the creation of State Debt to be issued in 2010, the proceeds to be used for certain purposes; authorizing certain unexpended appropriations in certain prior capital budgets and bond loans to be expended for other public projects; altering certain requirements for certain programs and projects in certain prior capital budgets and bond loans; providing that the authorizations of State Debt in certain prior capital budgets and bond loans be reduced by certain amounts; providing for certain additional information to be detailed about each project in the capital program; repealing certain requirements for a certain appropriation; repealing a certain requirement that the Capital Debt Affordability Committee review and make certain recommendations regarding certain school construction funding needs; authorizing premiums from the sale of State bonds in certain fiscal years to remain in or be transferred to a certain fund and to be used for certain capital projects under certain circumstances; requiring the Comptroller to make certain transfers, adjustments, and reconciliations; prohibiting a State agency from entering into certain public-private partnership agreements, during a certain fiscal year, except if certain plans are submitted and after a certain review and assessment; providing for a delayed effective date for certain provisions of this Act; and generally relating to the financing of certain capital projects.

1 (4) An annual tax is imposed on all assessable property in the State in rate
 2 and amount sufficient to pay the principal of and interest on the bonds, as and when
 3 due and until paid in full. The principal shall be discharged within 15 years after the
 4 date of issue of the bonds.

5 (5) (a) Prior to the payment of any matching grant funds under the
 6 provisions of Section 1(3), Items ZA00 through ZB02 above, grantees shall provide and
 7 expend matching funds as specified. No part of a grantee’s matching fund may be
 8 provided, either directly or indirectly, from funds of the State, whether appropriated or
 9 unappropriated. Except as otherwise provided, no part of the fund may consist of real
 10 property, in kind contributions, or funds expended prior to the effective date of this Act.
 11 In case of any dispute as to what money or assets may qualify as matching funds, the
 12 Board of Public Works shall determine the matter, and the Board’s decision is final.
 13 Grantees have until June 1, 2011, to present evidence satisfactory to the Board of
 14 Public Works that the matching fund will be provided. If satisfactory evidence is
 15 presented, the Board shall certify this fact to the State Treasurer and the proceeds of
 16
 17
 18

the loan shall be expended for the purposes provided in this Act. If this evidence is not presented by June 1, 2011, the proceeds of the loan shall be applied to the purposes authorized in § 8-129 of the State Finance and Procurement Article.

(b) It is further provided that when an equal and matching fund is specified in Section 1(3), Items ZA00 through ZB02 above, grantees shall provide a matching fund equal to the lesser of (i) the authorized amount of the State grant or (ii) the amount of the matching fund certified by the Board of Public Works. If satisfactory evidence is presented, the Board shall certify this fact and the amount of the matching fund to the State Treasurer and the proceeds of the loan equal to the amount of the matching fund shall be expended for the purposes provided in this Act. If this evidence is not presented by June 1, 2011, the proceeds of the loan shall be applied to the purposes authorized in § 8-129 of the State Finance and Procurement Article. The proceeds of any amount of the loan in excess of the matching fund certified by the Board of Public Works shall also be applied to the purposes authorized in § 8-129 of the State Finance and Procurement Article.

(6) ~~When an historical easement is specified in Section 1(3) of this Act:~~

(a) Prior to the issuance of the bonds, unless the Maryland Historical Trust determines that the property to be assisted by a grant under Section 1(3) Items ZA02 and ZA03 of this Act is not significant, is significant only as a contributing property to a historic district listed in the Maryland register of historic properties, is a type that is already adequately represented among the Trust's existing easement properties, or is already subject to a perpetual historic preservation easement acceptable to the Trust, the grantee shall grant and convey to the Maryland Historical Trust a perpetual preservation easement to the extent of its interest:

(i) On the land or such portion of the land acceptable to the Trust; and

(ii) On the exterior and interior, where appropriate, of the historic structures.

(b) If the grantee or beneficiary of the grant holds a lease on the land and structures, the Trust may accept an easement on the leasehold interest.

(c) The easement must be in form and substance acceptable to the Trust, and the extent of the interest to be encumbered must be acceptable to the Trust, and any liens or encumbrances against the land or the structures must be acceptable to the Trust.

(7) (a) ~~The~~ Except as provided in subparagraph (b) of this paragraph, the proceeds of the loan must be expended or encumbered by the Board of Public Works for the purposes provided in this Act no later than June 1, 2016. If any funds authorized by this Act remain unexpended or unencumbered after June 1, 2016, the

amount of the unexpended or unencumbered authorization shall be canceled and be of no further force and effect. If bonds have been issued for the loan, the amount of unexpended or unencumbered bond proceeds shall be disposed of as provided in § 8-129 of the State Finance and Procurement Article.

(b) The proceeds of a loan authorized under Section 1(3) Items ZA02 and ZA03 of this Act must be expended or encumbered by the Board of Public Works for the purposes provided in this Act no later than June 1, 2011. If any funds authorized by this Act remain unexpended or unencumbered after June 1, 2011, the amount of the unexpended or unencumbered authorization shall be canceled and be of no further force and effect. If bonds have been issued for the loan, the amount of unexpended or unencumbered bond proceeds shall be disposed of as provided in § 8-129 of the State Finance and Procurement Article.

(8) Multiple grants provided to the same organization in this Section are in addition to one another. Unless otherwise provided, any matching fund requirements apply to each individual grant.

SECTION 3. AND BE IT FURTHER ENACTED, That the General Assembly declares that it is the public policy of this State to manage State general obligation bond debt in a manner that will maintain Maryland's AAA bond rating. The General Assembly further declares that legislative oversight, control, and review of all forms of State obligations are essential to maintenance of the State's existing bond rating and protection of the fiscal integrity of the State.

SECTION 4. AND BE IT FURTHER ENACTED, That, before work may commence pursuant to any supplement to any appropriation contained in this Act, satisfactory evidence must be given to the Board of Public Works that the project can be completed with the aggregate of the funds in this Act and previously appropriated for the stated purpose.

SECTION 5. AND BE IT FURTHER ENACTED, That, with the approval of the Department of Budget and Management, any appropriation for construction provided in this Act may be used to purchase capital equipment if the amount of the appropriation exceeds the amount required for construction expenses, including allowances for contingencies.

SECTION 6. AND BE IT FURTHER ENACTED, That, except as otherwise provided in this Act, before a State agency or institution named in this Act as responsible for an individual item may begin work with funds appropriated by this Act, the agency or institution shall provide satisfactory evidence to the Board of Public Works that the work described in the individual item can be completed with the funds specified for that item.

SECTION 7. AND BE IT FURTHER ENACTED, That, with the approval of the Department of Budget and Management, any appropriation under the provisions of this Act that is in excess of the amount needed for a project may be credited to the Construction Contingency Fund under § 3-609 of the State Finance and Procurement Article.

SECTION 8. AND BE IT FURTHER ENACTED, That, if federal funds are available to help accomplish any project identified in this Act, the State agency or institution responsible for the project shall make efforts through proper administrative procedures to obtain these federal funds. Before spending any funds appropriated by this Act, the agency or institution shall certify its efforts to the Board of Public Works and state the reason for any failure to obtain federal funds. If federal funds are obtained, they shall be used to defray the costs of the project described in this Act and not to expand its scope.

SECTION 9. AND BE IT FURTHER ENACTED, That:

(a) for any appropriation for the planning of a State-owned project provided in this Act, if a program required by § 3-602(d) of the State Finance and Procurement Article has not been submitted, the State agency or institution responsible for the

project shall submit a program to the Department of Budget and Management for approval before funds may be expended from the appropriation; and

(b) for any appropriation for the construction of a State-owned project provided in this Act, if preliminary plans and outline specifications required by § 3-602(f)(2)(i) of the State Finance and Procurement Article have not been prepared, the State agency or institution responsible for the project shall submit preliminary plans and outline specifications to the Department of Budget and Management for approval before funds may be expended from the appropriation.

SECTION 10. AND BE IT FURTHER ENACTED, That no portion of the proceeds of a loan or any of the matching funds provided for a project funded under this Act may be used for the furtherance of sectarian religious instruction, or in connection with the design, acquisition, construction, or equipping of any building used or to be used as a place of sectarian religious worship or instruction, or in connection with any program or department of divinity for any religious denomination. Upon the request of the Board of Public Works, a recipient of the proceeds of a loan under this Act shall submit evidence satisfactory to the Board that none of the proceeds of the loan or any matching funds has been or is being used for a purpose prohibited by this Act.

SECTION 11. AND BE IT FURTHER ENACTED, That the Comptroller may advance funds to any loan funds account established pursuant to a general obligation bond loan enabling Act, for any expenditure authorized by that Act, provided that if general obligation bonds have not been issued under the authority of that Act, the next ensuing sale of general obligation bonds shall include the issuance of bonds under the authority of that Act in an amount at least equivalent to the amount of the funds so advanced.

 8 project plan to the budget committees that describes and justifies the capital project;
 9 any buildings and land involved; the involvement and role of any units of State
 10 government or local governments; an analysis of the justification for pursuing a
 11 public-private partnership rather than traditional State construction and financing;
 12 and, to the extent known, the sources and uses of State funds for predevelopment costs
 13 and private sector predevelopment costs.

14 (2) Not less than 45 days before entering into a master development
 15 agreement, an agency shall submit to the budget committees for review and comment a
 16 pro forma analysis outlining the capital project financing plan, including any cash or
 17 in-kind contributions, general obligation or other debt to be issued by any private,
 18 State, and non-budgeted agency (including interest rate and maturity assumptions);
