Analysis

Bill Summary: Exhibit 1 details the increase in the appropriations for each volunteer fire company for fiscal 2011 through 2015.

Current Law: The public local laws of Somerset County require the county commissioners to appropriate funds to organized volunteer fire companies in the county. Appropriations made by the commissioners to volunteer fire companies were last changed by Chapter 66 of 2005, which increased funding for fiscal 2006 through 2010.

Chapter 66 also required that the fiscal 2010 funding levels remain the same for each year thereafter, unless changed by legislation.

Background: There are eight organized volunteer fire companies in Somerset County. The county commissioners have provided funding to volunteer fire companies for over 33 years.

Local Fiscal Effect: Fiscal 2010 appropriations to the volunteer fire companies are not affected by this bill. As shown in Exhibit 1, total county appropriations to volunteer fire companies will increase by \$7,350 in fiscal 2011 and by \$38,650 in fiscal 2015 and subsequent years.
