Analysis

Current Law: The Honorable Louis L. Goldstein Volunteer Police, Fire, Rescue, and Emergency Personnel Subtraction Modification Program allows a subtraction

modification of \$3,500 for individuals who serve in a volunteer capacity and qualify for active duty service during the tax year. Individuals can qualify if they are (1) a member of a Maryland fire, rescue, or emergency medical services organization; (2) a member of an auxiliary organization of a Maryland fire, rescue, or emergency medical services organization; (3) a police auxiliary or reserve volunteer; or (4) a member of the U.S. Coast Guard Auxiliary.

Background: The program has undergone multiple changes since Chapter 508 of 1995 created the subtraction modification for qualifying volunteer fire, rescue, or emergency medical services members. Chapter 485 of 1997 established a subtraction modification for volunteer police officers. Chapter 384 of 1998 increased the subtraction modification from \$3,000 to \$3,500. Chapter 375 of 1999 allowed members of the U.S. Coast Guard Auxiliary to qualify for the subtraction modification. Chapter 472 of 2000 reduced over a period of four years the duration of service required to claim the subtraction modification for members of volunteer fire, rescue, and emergency medical services organizations.

During the 2001 session, several bills were enacted relating to the subtraction modification. In honor of the former long-serving Comptroller of the State Treasury, Chapter 442 renamed the subtraction modifications as the Honorable Louis L. Goldstein Volunteer Police, Fire, Rescue, and Emergency Medical Services Personnel Subtraction Modification Program. Chapter 634 clarified the application of the \$3,500 subtraction modification under the Maryland income tax for individuals if they are a qualifying police auxiliary or reserve volunteer for the taxable year. Chapter 436 extended the subtraction modification to members of an auxiliary organization of a bona fide Maryland fire, rescue, or emergency medical services organization.

Chapter 267 of 2003 allowed an individual to claim the subtraction modification if the individual did not qualify due to being called into service on active duty in the U.S. armed forces or was a qualifying civilian or member of the Merchant Marine in support of the armed forces in a designated combat zone. Chapter 344 of 2008 expanded the subtraction modification by decreasing, from at least 72 months to 36 months of the previous 10 years, the time in which individuals must be members of the U.S. Coast Guard Auxiliary to be eligible for the subtraction modification.

State and Local Revenues: The Maryland Civil Air Patrol currently consists of about 1,400 members, 700 of whom are cadets. An estimated 900 members, including about 200 cadets aged 18 to 21 years old, will meet the qualifications of the subtraction modification program.

A \$3,500 subtraction modification can be claimed beginning in tax year 2009. As a result, general fund revenues will decrease by \$120,700 annually beginning in

fiscal 2010. Local income tax revenues will decrease by \$75,600 annually beginning in fiscal 2010.

This estimate is based on data provided by the Maryland Civil Air Patrol and assumes that 20% of individuals either already qualify for the subtraction modification (as volunteer firefighters, etc.) or do not have sufficient tax liability to claim the subtraction modification. The subtraction modification will provide about \$275 to each eligible individual.
