6 REVISOR'S NOTE: This section is new language derived without substantive
7 change from former Art. 29, § 18–106.

8 In subsection (a)(1)(i) of this section, the former reference to a sanitary
9 sewer backup “occurring on or after July 1, 1979” is deleted as
10 unnecessary.

3 REVISOR'S NOTE: This section is new language derived without substantive
4 change from former Art. 29, § 18–107(a), (b), (c), and (e).

5 In subsection (d) of this section, the former reference to the Montgomery
6 County “government” is deleted as unnecessary.

7 Former Art. 29, § 18–107(d), which required certain actions regarding
8 composting facilities in existence on July 1, 1986, to be taken on or before
9 January 1, 1987, is deleted as obsolete.

10 The Washington Suburban Sanitary Commission Law Review Committee
11 notes, for the consideration of the General Assembly, that the
12 Commission does not currently own or run any composting facilities.

13 The Washington Suburban Sanitary Commission Law Review Committee
14 also notes, for the consideration of the General Assembly, that although
15 former Art. 29, § 18–107(e), revised in subsection (d) of this section, states
16 that Montgomery County shall select an alternative method or location
17 for the disposition of certain sludge on the closing of a composting facility,
18 the intent probably is that the governing body of the county in which the
19 composting facility was located shall select an alternate method or
20 location for the disposition of the sludge. The General Assembly may wish
21 to clarify this provision.

17 REVISOR'S NOTE: This section is new language derived without substantive
 18 change from former Art. 29, § 11–102(b).

19 In this section and throughout this subtitle, the former references to
 20 “rule[s]” are deleted as unnecessary in light of the use of the word
 21 “regulation[s]”. *See* General Revisor’s Note to division.

22 In subsection (a) of this section, the former reference to adopting
 23 regulations “that the WSSC considers necessary and proper” is deleted as
 24 implicit in the discretionary authority of the Commission to adopt
 25 regulations “to carry out this subtitle”.

26 In subsection (b)(1) of this section, the reference to submitting any change
 27 in a regulation to the Secretary “for approval” is added for clarity and
 28 consistency with subsection (b)(2) of this section.

29 In subsection (b)(2) of this section, the reference to receipt of the
 30 “proposed” regulation is added for clarity.

1 Defined terms: "Commission" § 16-101

15 **NECESSARY; AND**

16 **(3) APPOINT, DISCHARGE, AND SET THE COMPENSATION OF ITS**
17 **EMPLOYEES IN ACCORDANCE WITH THIS SUBTITLE.**

18 REVISOR'S NOTE: This section is new language derived without substantive
19 change from former Art. 29, § 11-101(a) and (b).

20 In this section, the references to "employees" are substituted for the
21 former references to "staff" for consistency with the terminology used
22 throughout this subtitle.

23 In subsection (b)(2) of this section, the former reference to "[a]ppoint[ing]"
24 employees is deleted as redundant of the same reference in subsection
25 (b)(3) of this section.

26 In subsection (b)(3) of this section, the former reference to "all of" the
27 Commission's employees is deleted as surplusage.

28 Defined term: "Commission" § 16-101

29 **18-107. MERIT SYSTEM.**

30 **(A) ESTABLISHMENT AUTHORIZED.**

1 **THE COMMISSION MAY ESTABLISH A MERIT SYSTEM THAT INCLUDES ALL**
 2 **OF ITS EMPLOYEES EXCEPT:**

 12 **ON AN ACTING BASIS;**

13 **(2) RETAIN THE EMPLOYEE IN THE MERIT SYSTEM IN THE**
 14 **POSITION OR GRADE FROM WHICH THE EMPLOYEE WAS APPOINTED OR**
 15 **PROMOTED; AND**

16 **(3) CONTINUE TO EXCLUDE THE POSITIONS OF GENERAL**
 17 **MANAGER AND DEPARTMENT HEAD FROM THE MERIT SYSTEM.**

18 REVISOR'S NOTE: This section is new language derived without substantive
 19 change from former Art. 29, § 11–102(a).

20 In this section and throughout this subtitle, the references to “merit
 21 system” are substituted for the former references to “classified service”
 22 for accuracy and to reflect current practice. Similarly, in this section and
 23 throughout this subtitle, the reference to a “merit system” employee are
 24 substituted for the former references to a “classified” employee. Similarly,
 25 in this section and throughout this subtitle, the former references to
 26 merit system “or classified service” are deleted. *See* General Revisor’s
 27 Note to subtitle.

28 In subsection (a)(1) of this section, the former reference to “creat[ing]” a
 29 merit system or classified service is deleted in light of the reference to
 30 “establish[ing]” a merit system.

31 In subsection (b)(1) of this section, the reference to the “position” of
 32 general manager or department head is substituted for the former

1 reference to the “office” of general manager or department head for
 2 consistency with subsection (b)(3) of this section. Correspondingly, in
 3 subsection (b)(1) of this section, the reference to “the general manager or
 4 a department head” is substituted for the former reference to the
 5 “incumbent of any of these offices”.

6 In subsection (b)(2) of this section, the reference to “retain[ing]” the
 7 employee is substituted for the former reference to “[p]rovid[ing] for” the
 8 employee’s “retention” for brevity.

9 In subsection (b)(3) of this section, the reference to continuing to
 10 “exclude” certain positions from the merit system is substituted for the
 11 former reference to continuing to “except” the positions for clarity.

12 The Washington Suburban Sanitary Commission Law Review Committee
 13 notes, for the consideration of the General Assembly, that the intent of
 14 subsection (b) of this section is ambiguous. The provision appears to both
 15 allow an employee who is promoted to the position of the general
 16 manager or department head to retain their previous merit system status
 17 but also allow the Commission to exclude those positions from the merit
 18 system, which appears contradictory. The General Assembly may wish to
 19 address this ambiguity.

20 Defined term: “Commission” § 16–101

21 **18–108. POSITION CLASSIFICATIONS.**

22 **(A) ESTABLISHMENT AND FILING OF LIST.**

6 **(D) ACTION BY SECRETARY.**

7 **WITHIN 60 DAYS AFTER RECEIPT OF A PROPOSAL TO ESTABLISH OR**

11 **DISAPPROVAL TO THE COMMISSION.**

12 **(E) FAILURE TO ACT.**

13 **FAILURE OF THE SECRETARY TO ACT WITHIN 60 DAYS AFTER RECEIPT OF**
14 **THE PROPOSAL CONSTITUTES APPROVAL.**

15 REVISOR'S NOTE: This section is new language derived without substantive
16 change from former Art. 29, § 11-103.

17 In the introductory language of subsection (b) of this section, the word
18 "may" is substituted for the former word "[s]hall" to clarify the apparent
19 intent of the General Assembly that the Commission be given discretion,
20 and not be required, to establish additional position classifications. Under
21 the former law, the classifications established by the Commission are
22 those that it "considers necessary". The Washington Suburban Sanitary
23 Commission Law Review Committee calls this substitution to the
24 attention of the General Assembly.

25 Also in subsection (b)(1) of this section, the former reference to additional
26 position classifications "that the WSSC considers necessary" is deleted as
27 surplusage.

28 In subsection (b)(2) of this section, the reference to "position"
29 classifications is added for clarity and consistency within this section.

1 Also in subsection (b)(2) of this section, the reference to existing position
2 classifications and “their corresponding” salaries is added for clarity and
3 consistency with subsection (a)(1) of this section.

4 In subsection (d)(1) of this section, the reference to the “proposal” is
5 substituted for the former reference to the “change” for consistency within
6 this section.

7 In subsection (d)(2) of this section, the phrase “if disapproving” is added
8 to clarify that a reason need not be given if a proposal is approved.

9 Defined terms: “Commission” § 16–101

10 “Secretary” § 18–101

11 **18–109. ADMINISTRATION OF EXAMINATIONS.**

20 **COMMISSION CONSIDERS IT NECESSARY TO ESTABLISH AN ADDITIONAL LIST OF**
21 **ELIGIBLE INDIVIDUALS FOR ANY POSITION IN THE MERIT SYSTEM.**

22 **(C) FORM AND NATURE OF EXAMINATIONS.**

23 **EACH EXAMINATION SHALL BE:**

24 **(1) A FAIR TEST OF THE RELATIVE ABILITIES OF THE CANDIDATES**
25 **TO PERFORM THE DUTIES OF THE CLASSIFICATION TO WHICH THEY SEEK TO BE**
26 **APPOINTED;**

27 **(2) COMPETITIVE, FREE, AND OPEN TO ALL INDIVIDUALS WHO**
28 **LAWFULLY MAY BE APPOINTED TO A POSITION IN THE CLASSIFICATION FOR**
29 **WHICH THE EXAMINATION IS HELD; AND**

30 **(3) IN ONE OR ANY COMBINATION OF THE FOLLOWING FORMS:**

- 1 **(I) ORAL;**
- 2 **(II) WRITTEN; OR**
- 3 **(III) A DEMONSTRATION OF SKILL.**
- 4 **(D) SUBMISSION TO SECRETARY.**

5 **ALL EXAMINATIONS SHALL BE SUBMITTED TO THE SECRETARY FOR**
6 **APPROVAL BEFORE BEING HELD.**

7 REVISOR'S NOTE: This section is new language derived without substantive
8 change from former Art. 29, § 11–104(a) and (b)(1) through (4).

9 In subsection (a) of this section, the reference to “corresponding” salaries
10 is added for clarity and consistency with other similar provisions of this
11 subtitle.

12 Also in subsection (a) of this section, the phrase “as required under §
13 18–108 of this subtitle” is added for clarity.

14 Also in subsection (a) of this section, the former reference to appointment
15 to vacancies in the “various” positions is deleted as surplusage.

16 In subsection (b) of this section, the reference to any position in the
17 “merit system” is substituted for the former reference to any position in
18 the “classified list” for clarity.

19 In the introductory language of subsection (c) of this section, the word
20 “shall” is substituted for the former word “[m]ay” to clarify that while an
21 examination may be in one or a combination of the forms listed in
22 subsection (c)(3) of this section, no forms other than those listed are
23 permissible.

24 In subsection (c)(2) of this section, the reference to all “individuals” is
25 substituted for the former reference to all “persons” because only a
26 human being, and not the other entities included in the defined term
27 “person”, can take an examination.

28 Also in subsection (c)(2) of this section, the reference to the
29 “classification” is substituted for the former reference to the “class” for
30 consistency with subsection (c)(1) of this section.

31 In subsection (d) of this section, the reference to an examination being
32 “held” is substituted for the former reference to an examination being
33 “given” for consistency within this section.

 11 **BE HELD.**

12 REVISOR'S NOTE: This section is new language derived without substantive
 13 change from former Art. 29, § 11–106.

14 In the introductory language of this section, the reference to 2 successive
 15 weeks "before the day on which an examination is to be held" is
 16 substituted for the former reference to 2 successive weeks "preceding the
 17 examination" for clarity.

18 Also in the introductory language of this section, the reference to each
 19 county "of the sanitary district" is added for clarity.

20 Also in the introductory language of this section, the former requirement
 21 to publish "separate" notices is deleted as unnecessary.

22 In item (1) of this section, the former reference to the "general" scope of
 23 the examination is deleted as implicit in the meaning of the word "scope".

24 In item (2) of this section, the reference to "compensation" is substituted
 25 for the former reference to "pay" for clarity.

26 Also in item (2) of this section, the reference to "qualifications" is
 27 substituted for the former reference to "experience advantageous or
 28 required" for brevity.

29 Also in item (2) of this section, the reference to each position in the
 30 "classification" is substituted for the former reference to each position in
 31 the "class" for consistency with § 18–109(c) of this subtitle.

6 REVISOR'S NOTE: This section is new language derived without substantive
7 change from former Art. 29, § 11-105.

8 The references to the "armed forces" are substituted for the former
9 references to the "military or naval services" for clarity.

10 Defined term: "State" § 16-101

14 REVISOR'S NOTE: This section is new language derived without substantive
15 change from former Art. 29, §§ 11–104(b)(5) and 11–107(a)(1) and (2), (b),
16 and (c).

17 In subsection (a)(1) of this section, the reference to an examination “held
18 by the Commission” is added for clarity.

32 continue in force” for brevity and clarity.

1 In the introductory language of subsection (b)(2) of this section, the

3 reference to “this period” for clarity.

4 In subsection (b)(2)(i) of this section, the reference to action taken before
5 the “effective period for the list expires” is substituted for the former
6 reference to action taken before the “expiration of the list” for clarity.

7 In subsection (d) of this section, the phrase “except as provided in
8 subsections (e) and (f) of this section” is added for clarity and accuracy.

9 Also in subsection (d) of this section, the references to an “individual” are
10 substituted for the former references to a “person” because only a human
11 being, and not the other entities included in the defined term “person”,
12 can be appointed to a position or qualify by examination for appointment.

13 In subsection (e) of this section, the references to a period “not to exceed”
14 6 months are substituted for the former references to a period “of” 6
15 months to clarify that an appointment and its extension may be made for
16 any period of time that is 6 months or less.

17 In subsection (e)(1) of this section, the reference to appointing any

33 Former Art. 29, § 11–116(a), which required the Secretary to carry out the

16 SUBSECTION (B)(2) OF THIS SECTION IF THE EMPLOYEE ORGANIZATION'S
17 ACTIONS WITH RESPECT TO EMPLOYEES WHO ARE MEMBERS OF THE EMPLOYEE

31 representative “or representatives” is added for consistency with
32 subsection (b)(1) and (3) of this section.

33 The only other changes are in style.

1 The Washington Suburban Sanitary Commission Law Review Committee
2 notes, for consideration by the General Assembly, that subsection (a) of
3 this section is vague. It is unclear whether the appointment by the
4 Commission of a labor relations administrator under subsection (a) of this
5 section could be interpreted to mean only the first appointment of a labor
6 relations administrator after the original enactment of the statute, or
7 each time a labor relations administrator is appointed. The General
8 Assembly may wish to clarify this subsection.

9 The Washington Suburban Sanitary Commission Law Review Committee
10 notes, for consideration by the General Assembly, that subsection (c) of
11 this section is vague. The subsection does not take into account any
12 unions that may have been in existence before the enactment of former
13 Article 29, Title 11.5. Likewise, it is unclear as to whether the
14 appointment of the labor relations administrator should be under the
15 procedures listed under subsection (a) of this section or the procedures
16 under subsection (b) of this section. The General Assembly may wish to
17 clarify this subsection.

3 **(2) DURING THE TERM OF A COLLECTIVE BARGAINING**
4 **AGREEMENT, A PETITION FOR AN ELECTION MAY BE FILED ONLY DURING**
5 **NOVEMBER OF THE FISCAL YEAR IN WHICH THE AGREEMENT EXPIRES.**

6 REVISOR'S NOTE: This section is new language derived without substantive
7 change from former Art. 29, § 11.5–106.

8 In subsection (b)(2)(iii) of this section, the reference to “home” address is
9 added for consistency with subsection (c)(1) of this section.

10 In subsection (b)(2)(v) of this section, the former reference to “pertinent”
11 information is deleted as unnecessary in light of the reference to the
12 information being “appropriate”.

13 In subsection (c)(2) of this section, the word “removed” is substituted for
14 the former reference to the word “redacted” for accuracy.

15 In subsection (g) of this section, the reference to “the employee
16 organization or organizations” is added to clarify that the election may
17 include more than one organization.

18 The Washington Suburban Sanitary Commission Law Review Committee
19 notes, for consideration by the General Assembly, that in this section and
20 throughout this subtitle the term “eligible employee” is used without
21 being defined. From the context, it appears that the term refers to an
22 employee who is not excluded from the rights granted to Commission
23 merit system employees under § 18–201(a) of this subtitle, but there is no
24 language that explicitly states that this is the case. The General
25 Assembly may wish to clarify the meaning of the term.

12 GENERAL REVISOR'S NOTE TO SUBTITLE:

13 Throughout this subtitle, the references to this “subtitle” are substituted for the
 14 former erroneous references to this “section” enacted by Chapter 424, Acts of 2003.
 15 Chapter 424 enacted Article 29, Title 11.5 of the Code. This legislation appears to be,
 16 at least in part, a reintroduction of House Bill 772 of the 2002 legislative session.
 17 However, the structure of the statutory text contained in Chapter 424 differs from that
 18 of House Bill 772. House Bill 772 established collective bargaining in one section but
 19 when the legislation was introduced again in 2003, it was redrafted in such a way as
 20 to break up the provisions into 14 sections in former Article 29, Title 11.5. In the
 21 redrafting of the legislation, however, certain internal cross–references were not
 22 updated to reflect the change from one section encompassing the whole of the
 23 collective bargaining provisions to those provisions covering 14 separate sections
 24 throughout a title.

30 REVISOR'S NOTE: This section formerly was Art. 29, § 12–105.1(a).

31 The word “title” is substituted for the former word “section” to reflect the
 32 reorganization of former Art. 29, § 12–105.1(a) as part of this title in this
 33 revision.

11 **20-101. DEFINITIONS.**

12 **(A) IN GENERAL.**

13 **IN THIS SUBTITLE THE FOLLOWING WORDS HAVE THE MEANINGS**
14 **INDICATED.**

15 REVISOR'S NOTE: This subsection formerly was Art. 29, § 3-102(a)(1).

16 The only change is in style.

17 **(B) DESIGN/BUILD CONTRACT.**

18 **"DESIGN/BUILD CONTRACT" MEANS A CONTRACT THAT PROVIDES FOR**
19 **BOTH ARCHITECTURAL AND ENGINEERING DESIGN SERVICES AND**
20 **CONSTRUCTION SERVICES AS A PART OF A SINGLE CONTRACT.**

21 REVISOR'S NOTE: This subsection formerly was Art. 29, § 3-102(a)(2).

22 No changes are made.

23 **(C) EVALUATED BID PRICE.**

24 **"EVALUATED BID PRICE" MEANS THE PRICE OF A BID AFTER**
25 **ADJUSTMENT IN ACCORDANCE WITH OBJECTIVE MEASURABLE CRITERIA.**

26 REVISOR'S NOTE: This subsection is new language derived without
27 substantive change from former Art. 29, § 3-102(d)(1)(i) and (ii).

1 The former reference to the defined term applying to “this subsection” is
2 deleted in light of the reorganization of former Art. 29, § 3–102(d) in this
3 subtitle.

4 Defined term: “Objective measurable criteria” § 20–101

5 **(D) FACILITIES CONSTRUCTION CONTRACT.**

6 **“FACILITIES CONSTRUCTION CONTRACT” MEANS A CONTRACT THAT**
7 **PROVIDES SERVICES FOR THE CONSTRUCTION OF:**

16 In item (4) of this subsection, the word “or” is substituted for the former
17 word “and” for clarity.

18 In item (5) of this subsection, the reference to “a building for Commission
19 purposes” is substituted for the former reference to “building[s]” for
20 clarity.

21 The Washington Suburban Sanitary Commission Law Review Committee
22 notes, for consideration by the General Assembly, that the reference to
23 “buildings” in former Art. 29, § 3–102(a)(3)(iv) is unclear. The Committee
24 has interpreted the reference to mean any building for Commission
25 purposes. This substitution is called to the attention of the General
26 Assembly.

27 Defined term: “Commission” § 16–101

28 **(E) OBJECTIVE MEASURABLE CRITERIA.**

6 Defined term: “Commission” § 16–101

7 REVISOR’S NOTE TO SECTION:

8 Former Art. 29, § 3–102(a)(4), which defined “pipeline contract”, is
9 deleted because the term is not used in this revised article.

10 The definitions under former Art. 29, § 3–102, which are defined in this
11 section, applied to former Art. 29, § 3–102(f), which is revised under
12 Subtitle 2 of this revision. As such, these defined terms no longer apply to
13 the revised provisions of former Art. 29, § 3–102(f). However, because
14 these defined terms are not used in the source law for or revised
15 provisions of former Art. 29, § 3–102(f), the change in application of the
16 defined terms does not result in a substantive change.

17 **20–102. SCOPE OF SUBTITLE.**

18 **THIS SUBTITLE APPLIES ONLY TO:**

19 **(1) DESIGN/BUILD CONTRACTS; AND**

20 **(2) CONSTRUCTION CONTRACTS.**

22 The only changes are in style.

23 Defined term: “Design/build contract” § 20–101

24 **20–103. COMPLIANCE REQUIRED.**

25 **IF THE COMMISSION DECIDES TO PROCEED WITH THE DESIGN OR**
26 **CONSTRUCTION OF A WATER SUPPLY OR SANITARY SEWER SYSTEM, THE**

26 REVISOR'S NOTE: This section is new language derived without substantive
27 change from former Art. 29, § 3-102(g) and (c)(2) through (5), (7) through

1 (9), and, as it related to the requirement to provide an opportunity for a
2 hearing, (1).

3 In the introductory language of subsection (b) of this section, the phrase
4 “[s]ubject to subsection (c) of this section” is added for clarity.

5 In subsection (b)(1) of this section, the reference to design or construction
6 “services” is added for clarity and consistency within this subtitle.

7 Also in subsection (b)(1) of this section, the reference to a “water supply
8 or sanitary sewer” system is added for clarity.

9 Also in subsection (b)(1) of this section, the reference to technical “media”
10 is substituted for the former reference to technical “press” to reflect
11 current terminology.

12 Also in subsection (b)(1) of this section, the reference to proposals or bids
13 “for any part” of a system is substituted for the former reference to
14 proposals or bids for a system “in parts or as a whole” for clarity and
15 brevity. Similarly, in subsection (b)(2) of this section, the first former
16 reference to “the work” or any part of it is deleted.

17 Also in subsection (b)(1) of this section, the former reference to “as the
18 WSSC considers advisable” is deleted as surplusage.

19 In subsection (b)(2) of this section, the reference to prices quoted “in
20 response to a prior advertisement” is added for clarity.

21 Also in subsection (b)(2) of this section, the reference to “services needed”
22 is substituted for the former reference to “the work” for clarity.

23 In subsection (c)(1) of this section, the reference to “us[ing] day labor to
24 complete any part of the design or construction of a water supply or
25 sanitary sewer system” is substituted for the former reference to “do[ing]
26 any part or all of the work by day labor” for clarity.

27 In subsection (c)(2) of this section, the former phrase “at any time” is
28 deleted as unnecessary.

29 In subsection (e) of this section, the references to “enter[ing] into”
30 specified contracts is substituted for the former references to the
31 contracts “be[ing] used” for clarity and consistency within this subtitle.

32 In subsection (g)(1) of this section, the reference to a contract that is
33 “secured” is substituted for the former reference to a contract that is
34 “protected” for clarity and consistency with Title 17, Subtitle 1 of the
35 State Finance and Procurement Article.

1 In subsection (h)(2) of this section, the reference to discussions held “with
2 offerors” is added for clarity.

3 The Washington Suburban Sanitary Commission Law Review Committee
4 notes, for consideration by the General Assembly, that subsection (c)(2) of
5 this section is vague. The General Assembly may wish to clarify the
6 intent of the subsection.

7 Defined terms: “Commission” § 16–101
8 “Design/build contract” § 20–101
9 “Facilities construction contract” § 20–101

4 **(2) A REQUEST FOR PROPOSALS SHALL INCLUDE:**

5 **(I) A STATEMENT DESCRIBING THE SCOPE OF THE**
6 **CONTRACT, INCLUDING THE EXPECTED DEGREE OF MINORITY BUSINESS**

25 **SUBMITS THE PROPOSAL OR BEST AND FINAL OFFER THAT THE COMMISSION**
26 **DETERMINES IS THE MOST ADVANTAGEOUS TO THE COMMISSION, CONSIDERING**
27 **THE EVALUATION FACTORS SET FORTH IN THE REQUEST FOR PROPOSALS.**

28 REVISOR'S NOTE: This section formerly was Art. 29, § 3-102(e), (c)(6), and
29 (d)(2) through (7).

30 Throughout subsection (b) of this section, the references to "invitation for
31 bids" are substituted for the former references to "invitation to bid" for

1 consistency with the defined term found in § 11–101(j) of the State
2 Finance and Procurement Article.

3 In subsection (b)(6)(iii) of this section, the references to the lowest bid or
4 lowest evaluated bid “price” are added for clarity and consistency within
5 this section.

6 The only other changes are in style.

7 The Washington Suburban Sanitary Commission Law Review Committee
8 notes, for consideration by the General Assembly, that subsection (b)(4)
9 and (6) of this section requires the Commission to award contracts based
10 on competitive sealed bids to the responsible bidder who submits the
11 lowest bid price or lowest evaluated bid price. Commission staff have
12 indicated that in practice, the Commission awards contracts based on
13 competitive sealed bids to the responsible bidder who submits the lowest
14 responsive bid. The Washington Suburban Sanitary Commission Law
15 Review Committee calls this discrepancy to the attention of the General
16 Assembly.

17 Defined terms: “Commission” § 16–101
18 “Evaluated bid price” § 20–101
19 “Objective measurable criteria” § 20–101

20 **20–106. NONDISCRIMINATION POLICY.**

21 **(A) NONDISCRIMINATION CLAUSE.**

22 **(1) THE COMMISSION MAY NOT AWARD A CONTRACT UNLESS THE**
23 **CONTRACT CONTAINS PROVISIONS OBLIGATING THE CONTRACTOR:**

24 **(I) NOT TO DISCRIMINATE IN ANY MANNER AGAINST AN**
25 **EMPLOYEE OR AN APPLICANT FOR EMPLOYMENT ON THE BASIS OF SEX, RACE,**
26 **CREED, COLOR, AGE, MENTAL OR PHYSICAL DISABILITY, SEXUAL ORIENTATION,**
27 **OR NATIONAL ORIGIN; AND**

28 **(II) TO INCLUDE A SIMILAR NONDISCRIMINATION CLAUSE IN**
29 **ALL SUBCONTRACTS.**

30 **(2) (I) IF THE NONDISCRIMINATION CLAUSE IS OMITTED FROM**
31 **A CONTRACT OR SUBCONTRACT, THE COMMISSION SHALL PROVIDE THE**
32 **CONTRACTOR A REASONABLE OPPORTUNITY TO CURE THE DEFECT, SUBJECT TO**
33 **THIS SECTION.**

34 **(II) IF THE CONTRACTOR FAILS TO CURE THE DEFECT:**

1 1. THE COMMISSION MAY DECLARE THE CONTRACT
2 TO BE VOID; AND

3 2. THE CONTRACTOR IS ENTITLED TO THE
4 REASONABLE VALUE OF WORK PERFORMED AND MATERIALS PROVIDED BY THE
5 CONTRACTOR.

6 (III) IF THE CONTRACTOR CURES THE DEFECT, THE
7 CONTRACT REMAINS IN FORCE ACCORDING TO ITS REVISED TERMS.

8 (B) VIOLATION — CONTRACTOR.

9 (1) IN ACCORDANCE WITH THIS SECTION, THE COMMISSION MAY
10 COMPEL A CONTRACTOR TO CONTINUE TO PERFORM UNDER A CONTRACT IF:

11 (I) THE CONTRACTOR WILLFULLY FAILS TO COMPLY WITH
12 THE REQUIREMENTS OF A NONDISCRIMINATION CLAUSE; AND

13 (II) THE CONTRACT IS PARTIALLY EXECUTORY.

14 (2) IF THE COMMISSION COMPELS PERFORMANCE UNDER THIS
15 SUBSECTION, THE COMMISSION:

16 (I) IS LIABLE FOR NO MORE THAN THE REASONABLE VALUE
17 OF WORK PERFORMED AND MATERIALS PROVIDED BY THE CONTRACTOR AFTER
18 THE DATE ON WHICH THE BREACH OF CONTRACT WAS OR SHOULD HAVE BEEN
19 DISCOVERED; AND

20 (II) SHALL DEDUCT ANY MONEY THAT HAS BEEN PAID
21 UNDER THE CONTRACT FROM THE MONEY THAT COMES DUE UNDER ITEM (I) OF
22 THIS PARAGRAPH.

23 (C) VIOLATION — SUBCONTRACTOR.

24 (1) IF A SUBCONTRACTOR WILLFULLY FAILS TO COMPLY WITH
25 THE REQUIREMENTS OF A NONDISCRIMINATION CLAUSE, THE CONTRACTOR
26 MAY DECLARE THE SUBCONTRACT TO BE VOID.

27 (2) IF A CONTRACTOR DECLARES A SUBCONTRACT TO BE VOID
28 UNDER THIS SUBSECTION, THE CONTRACTOR IS LIABLE FOR NO MORE THAN
29 THE REASONABLE VALUE OF WORK PERFORMED OR MATERIALS PROVIDED BY
30 THE SUBCONTRACTOR.

1 REVISOR'S NOTE: This section is new language derived without substantive
2 change from Art. 29, § 3–102(h).

3 Throughout this section, the references to work performed and materials
4 provided “by the [sub]contractor” are added for clarity.

5 In the introductory language of subsection (a)(1) of this section, the
6 former reference to awarding a contract “to a contractor” is deleted as
7 implicit in a contract award.

8 In subsection (a)(1)(i) of this section, the reference to mental or physical
9 “disability” is substituted for the former, archaic reference to mental or
10 physical “handicap” and to conform terminology used in other revised
11 articles of the Code. *See, e.g.*, Title 20 of the State Government Article.

12 In subsection (a)(2)(i) of this section, the reference to providing “the
13 contractor” a reasonable opportunity to cure the defect is added for
14 clarity.

15 In subsection (b)(1) of this section, the phrase “[i]n accordance with this
16 section” is added for clarity. No substantive change is intended.

17 In subsection (b)(2) of this section, the phrase “[i]f the Commission
18 compels performance under this subsection” is added for clarity.

19 In subsection (c)(2) of this section, the phrase “[i]f a contractor declares a
20 subcontract to be void under this subsection” is substituted for the former
21 phrase “[i]n that event” for clarity.

22 Defined term: “Commission” § 16–101

23 **SUBTITLE 2. MINORITY BUSINESS ENTERPRISE PREFERENCES.**

24 **20–201. DEFINITIONS.**

25 **(A) IN GENERAL.**

26 **IN THIS SUBTITLE THE FOLLOWING WORDS HAVE THE MEANINGS**
27 **INDICATED.**

28 REVISOR'S NOTE: This subsection formerly was Art. 29, § 3–109(a)(1).

29 The only change is in style.

30 **(B) MINORITY BUSINESS ENTERPRISE.**

1 **EXCEPT AS PROVIDED IN § 20–203 OF THIS SUBTITLE, “MINORITY**

11 REVISOR’S NOTE: This subsection is new language derived without
12 substantive change from former Art. 29, § 3–109(a)(3).

13 In the introductory language of this subsection, the phrase “[e]xcept as
14 provided in § 20–203 of this subtitle” is added for accuracy due to the
15 reorganization of the former provisions in this revised subtitle.

16 **(C) OFFICE.**

17 **“OFFICE” MEANS THE OFFICE OF SMALL, LOCAL, AND MINORITY**
18 **BUSINESS ENTERPRISE ESTABLISHED UNDER § 20–202 OF THIS SUBTITLE.**

19 REVISOR’S NOTE: This subsection formerly was Art. 29, § 3–109(a)(4).

20 The only change is in style.

21 REVISOR’S NOTE TO SECTION:

22 The definitions in this section are applied to provisions to which those
23 definitions formerly did not apply. The definition of “office” generally is
24 nonsubstantive and is intended solely to allow a concise and standardized
25 reference. The definition of “minority business enterprise” is drafted to be
26 expressly inapplicable to the revised provisions to which the definition
27 did not apply under the source law. Therefore, no substantive change is
28 made.

29 **20–202. OFFICE OF SMALL, LOCAL, AND MINORITY BUSINESS ENTERPRISE.**

30 **(A) ESTABLISHED.**

1 **THERE IS AN OFFICE OF SMALL, LOCAL, AND MINORITY BUSINESS**

15 **PROGRAM FOR THE PROCUREMENT OF OTHER GOODS AND SERVICES UNDER §**
16 **20-204 OF THIS SUBTITLE; AND**

23 **(3) PROMOTE ACTIVITIES AND THE USE OF THE RESOURCES OF**
24 **THE COMMISSION, LOCAL GOVERNMENTS, AND PRIVATE ENTITIES FOR THE**
25 **GROWTH OF MINORITY BUSINESS ENTERPRISES;**

26 **(4) PROVIDE TECHNICAL AND MANAGERIAL ASSISTANCE TO**
27 **MINORITY BUSINESS ENTERPRISES;**

28 **(5) SCHEDULE SEMINARS AND WORKSHOPS TO EDUCATE**
29 **MINORITY BUSINESSES ON HOW THE COMMISSION CONDUCTS BUSINESS; AND**

1 **(6) ENSURE COMPLIANCE WITH CERTIFIED MINORITY BUSINESS**
 2 **ENTERPRISE SUBCONTRACT PARTICIPATION GOALS UNDER § 20–206 OF THIS**
 3 **SUBTITLE.**

4 REVISOR’S NOTE: This section is new language derived without substantive
 5 change from former Art. 29, § 3–109(a)(2), (b)(2), (f)(1), and, as it related
 6 generally to ensuring compliance with minority subcontractor
 7 participation goals, (f)(2).

8 Subsection (b) of this section is rewritten in standard language for clarity
 9 and consistency with other revised articles of the Code. *See, e.g.*,
 10 § 2–1212(b) of the State Government Article.

11 In the introductory language of subsection (c)(1) of this section, the
 12 reference to the requirement that the Office administer “local small”
 13 business programs is added for accuracy.

14 Also in the introductory language of subsection (c)(1) of this section, the
 15 former reference to the requirement that the Office “[c]arry out” certain
 16 programs is deleted as included in the reference to the requirement that
 17 the Office “administer” these programs.

18 The Washington Suburban Sanitary Commission Law Review Committee
 19 notes, for consideration by the General Assembly, that the General
 20 Assembly may wish to change the name of the Office of Small, Local, and
 21 Minority Business Enterprise to be the Office of Minority and Local Small
 22 Business Enterprises to better reflect the duties of the Office.

23 Defined terms: “Commission” § 16–101

23 REVISOR'S NOTE: This section is new language derived without substantive

25 In subsection (b)(1) of this section, the cross-reference to "Subtitle 1 of

30 REVISOR'S NOTE: This section is new language derived without substantive
31 change from former Art. 29, § 3–109(c) through (e) and (b)(1) and, as it
32 related to the administration of the minority business enterprise
33 utilization program for other goods and services, (2)(ii).

1 In subsection (a)(1)(ii) of this section, the reference to “this” past
2 discrimination is substituted for the former reference to past
3 discrimination “against minority business enterprises in contracting with
4 the WSSC” for brevity.

5 In subsection (b)(4)(ii) of this section, the reference to a bidder “or offeror”
6 is added for consistency and clarity.

7 Also in subsection (b)(4)(ii) of this section, the former reference requiring
8 a statement of the number of minority business enterprises included in
9 the bid “before the bid is accepted” is deleted as included in the reference
10 that the statement is required “at the time of submission”.

11 In subsection (b)(8) of this section, the reference to the minority business
12 “enterprise” is added for clarity and consistency.

13 In subsection (b)(9)(ii) of this section, the reference to the Senate and
14 House Delegations “to the Maryland General Assembly” is added for
15 accuracy.

16 In subsection (b)(12) of this section, the reference to regulations “that
17 establish the program” is substituted for the former reference to
18 regulations “of the minority business utilization program” for brevity.

19 In subsection (c) of this section, the references to an “alternative”
20 program are added for clarity.

21 In subsection (c)(1) of this section, the reference requiring that an
22 alternative certification program “complies with” specific guidelines is
23 substituted for the former reference requiring that an alternative
24 certification program “adheres to” specific guidelines for clarity.

25 In subsection (d)(2) of this section, the reference to certified minority
26 business “enterprises” is substituted for the former reference to certified
27 minority business “contractors” for consistency within this subtitle.

28 The Washington Suburban Sanitary Commission Law Review Committee
29 notes, for consideration by the General Assembly, that subsection (d)(2) of
30 this section requires the Commission to award contracts based under the
31 sheltered market program to the lowest bidder. Commission staff have
32 indicated that in practice, the Commission awards these contracts to the
33 responsible bidder who submits the lowest responsive bid. The
34 Washington Suburban Sanitary Commission Law Review Committee
35 calls this discrepancy to the attention of the General Assembly.

36 Also the Washington Suburban Sanitary Commission Law Review
37 Committee notes, for consideration by the General Assembly, that the

1 requirement under subsection (d)(3) of this section that the Commission
2 award a contract under the sheltered market program in accordance with
3 subsection (b)(10) of this section if the contract was bid on by fewer than
4 three certified minority business enterprises does not conform to current
5 Commission practice. The General Assembly may wish to address this
6 discrepancy.

6 REVISOR'S NOTE: This section is new language derived without substantive
7 change from former Art. 29, § 3–102(f)(4)(ii) through (viii).

8 In subsection (a) of this section, the reference to a certifying agency
9 “determin[ing]” membership in a minority group is substituted for the
10 former reference to membership being “established” for accuracy and
11 consistency within this subtitle.

12 Subsection (b)(1) of this section is new language added, in part, and
13 substituted, in part, for clarity. This paragraph is derived, in part, from
14 former references to an “eligible” minority business enterprise. As to the
15 remainder, this paragraph states expressly what was only implied in the
16 former law.

17 In the introductory language of subsection (b)(2)(ii) of this section, the
18 former reference to a “potential” minority business enterprise is deleted
19 as unnecessary because the entire subsection applies to potential
20 minority enterprises.

21 In subsection (b)(2)(ii)2 of this section, the reference to work “required
22 under” the contract is substituted for the former reference to work “of”
23 the contract for clarity.

24 In subsection (b)(4) of this section, the requirement that a minority owner
25 “have” ownership rights and responsibilities is substituted for the former
26 requirement that a minority owner “enjoy” ownership rights and
27 responsibilities for clarity.

29 minority business enterprise is substituted for the former reference to
30 “recognition” as a minority business enterprise for clarity and
31 consistency.

32 In subsection (b)(6)(ii) of this section, the former reference to making a
33 business decision “of the business” is deleted as unnecessary.

34 In subsection (b)(7)(i) of this section, the former references to the business
35 “not [being] controlled by minorities” and “not [being] considered a
36 minority business enterprise within the meaning of this section” are
37 deleted as unnecessary and for brevity.

1 In subsection (b)(7)(ii) of this section, the reference to “the individual” is
2 substituted for the former reference to “persons” for consistency within
3 this subsection.

4 Also in subsection (b)(7)(ii) of this section, the former reference to the
5 “actual” management of a business is deleted as unnecessary.

6 Also in subsection (b)(7)(ii) of this section, the former reference to being
7 considered as controlling the business “for the purposes of this
8 subsection” is deleted as unnecessary.

9 In subsection (b)(8)(i) of this section, the former reference to establishing
10 a corporation as a minority business enterprise “under this section” is
11 deleted as unnecessary.

12 In subsection (b)(9)(iii) of this section, the former reference to “[t]he mere”
13 participation is deleted as surplusage.

14 In the introductory language of subsection (c) of this section, the
15 reference to determining eligibility “as a minority business enterprise” is
16 added for clarity.

17 Also in the introductory language of subsection (c) of this section, the
18 former requirement to “give special consideration” to specific
19 relationships in specific circumstances is deleted as included in the
20 requirements to “closely scrutinize” or “carefully review” these
21 relationships.

22 In subsection (c)(2) of this section, the reference to management
23 responsibilities and capabilities “required” under this section is
24 substituted for the former reference to management responsibilities and
25 capabilities “discussed” under this section for accuracy.

26 Also in subsection (c)(2) of this section, the former reference to the
27 relationship “between” specified people is deleted as included in the
28 reference to the relationship “among” these people.

29 Defined term: “Minority business enterprise” §§ 20–201, 20–203

30 **20–206. SUBCONTRACTOR PARTICIPATION GOALS.**

27 MANAGER OF THE COMMISSION OR THE FULL COMMISSION FOR APPROPRIATE

1 REVISOR'S NOTE: This section is new language derived without substantive
2 change from former Art. 29, § 3–109(f)(3) through (6) and, as it related to
3 the specifics of ensuring compliance with minority subcontractor
4 participation goals, (2).

5 In subsection (b)(4)(ii) of this section, the reference to invoices “sent to the
6 contractor” is added for clarity.

7 Also in subsection (b)(4)(ii) of this section, the reference to a “month” is
8 substituted for the former reference to “30 days” to conform to the
9 requirement in the introductory language of subsection (b)(4) of this

22 consistency and to state expressly what was only implied in the former
23 law.

24 In subsection (b)(2) of this section, the reference to the "Senate and
25 House" Delegations is added for accuracy.

26 Also in subsection (b)(2) of this section, the reference to the findings of a
27 "study" is substituted for the former reference to the findings of a
28 "review" for consistency within this section.

29 Defined terms: "Commission" § 16-101

30 "Minority business enterprise" §§ 20-201, 20-203

31 **20-208. TERMINATION OF SUBTITLE.**

1 **THIS SUBTITLE SHALL BE OF NO EFFECT AND MAY NOT BE ENFORCED**
2 **AFTER JULY 1, 2012.**

3 REVISOR'S NOTE: This section is new language derived without substantive
4 change from former Art. 29, §§ 3-102(f)(7) and 3-109(i).

5 The reference to the subtitle being "of no effect" is substituted for the
6 former references to it being "null" and "void" to conform to terminology
7 used in § 14-309 of the State Finance and Procurement Article.

8 **SUBTITLE 3. LOCAL SMALL BUSINESS ENTERPRISE PROGRAM.**

9 **20-301. "PROGRAM" DEFINED.**

10 **IN THIS SUBTITLE, "PROGRAM" MEANS A LOCAL SMALL BUSINESS**
11 **ENTERPRISE PROGRAM.**

12 REVISOR'S NOTE: This section is new language added to avoid repetition of
13 the full reference to a "local small business enterprise program".

14 **20-302. AUTHORIZED.**

21 **PROGRAM.**

22 REVISOR'S NOTE: This section is new language derived without substantive
23 change from former Art. 29, § 3-110(a).

24 In subsection (b) of this section, the former reference to the program
25 "established under paragraph (1) of this subsection" is deleted as
26 unnecessary.

27 The Washington Suburban Sanitary Commission Law Review Committee
28 notes, for consideration by the General Assembly, that in subsection (a) of
29 this section, the Commission shall establish a minority business
30 enterprise program "[b]y resolution or adopting regulations". In §
31 20-203(b)(1) and § 20-204(a)(1) of this title, the Commission may

1 establish a minority business enterprise utilization program “[b]y
2 resolution and adopting regulations”. These provisions are inconsistent
3 and the General Assembly may wish to address this discrepancy.

4 Defined terms: “Commission” § 16–101
5 “Program” § 20–301

6 **20–303. PURPOSE.**

17 In item (2) of this section, the reference to awarding contracts “to small
18 businesses in Montgomery County and Prince George’s County” is added
19 for clarity.

20 Also in item (2) of this section, the reference to “procurement contracts

24 THE COMMISSION SHALL REVIEW THE ELIGIBILITY CRITERIA AND
25 ADMINISTRATIVE PROCEDURES OF THE PROGRAM EACH YEAR TO ASSESS THEIR
26 EFFECTIVENESS IN FURTHERING THE PURPOSES OF THE PROGRAM.

27 REVISOR'S NOTE: This section is new language derived without substantive
28 change from former Art. 29, § 3-110(c) through (f).

29 In the introductory language of subsection (a)(1)(ii) of this section, the
30 reference to "a requirement" is added for clarity.

1 In subsection (a)(1)(ii)2 of this section, the former reference to requiring
2 “a significant employee presence in Montgomery County or Prince
3 George’s County” is deleted as unnecessary in light of the 25% minimum
4 threshold of employees who must be domiciled in these counties for a
5 business to qualify for the program.

6 In subsection (a)(1)(iii) of this section, the former reference to criteria
7 that is “otherwise” appropriate is deleted as unnecessary.

8 Also in subsection (a)(1)(iii) of this section, the former reference to the
9 promotion of “local” small businesses is deleted as included in the
10 reference to the promotion of small businesses “in the Commission’s
11 service area”.

25 In subsection (c) of this section, the reference to the Commission
 26 “acquir[ing]” property is substituted for the former reference to
 27 “purchas[ing]” property for consistency within the subsection.

28 In subsection (d) of this section, the reference to agreeing “on the terms of
 29 acquisition” is added for clarity.

1 Also in subsection (d) of this section, the reference to “filing a petition for
2 condemnation” is substituted for the former reference to “proceedings” for
3 clarity.

4 In subsection (e) of this section, the reference to property “that the
5 Commission decides to acquire” is added for clarity.

 5 **TRANSFERRED AS A RESULT OF A BONA FIDE SALE OR EXCHANGE.**

6 REVISOR'S NOTE: This section is new language derived without substantive
 7 change from former Art. 29, § 1-202(d).

8 In subsection (b)(1) of this section, the reference to condemning land
 9 "without adopting a resolution in accordance with subsection (a) of this
 10 section" is added for clarity.

11 Also in subsection (b)(1) of this section, the former reference to the land
 12 or easement "sought to be acquired by the WSSC" is deleted as
 13 unnecessary.

14 In subsection (b)(2) of this section, the reference to "underground" is
 15 substituted for the former reference to "below the surface of the earth" for
 16 brevity and consistency with terminology used throughout this article.

17 Defined terms: "Commission" § 16-101
 18 "Commissioner" § 16-101
 19 "County" § 16-101

20 **21-103. DISPOSITION OF PROPERTY.**

21 **IF THE COMMISSION DOES NOT CONSIDER THE PROPERTY NECESSARY**
 22 **FOR THE OPERATION OF ITS WATER, SEWER, OR STORMWATER MANAGEMENT**
 23 **SYSTEMS, THE COMMISSION MAY SELL, LEASE, TRANSFER, CONVEY, OR DISPOSE**
 24 **OF ANY OF ITS REAL OR PERSONAL PROPERTY ON TERMS AND CONDITIONS**
 25 **THAT THE COMMISSION CONSIDERS ADVANTAGEOUS.**

26 REVISOR'S NOTE: This section is new language derived without substantive
 27 change from former Art. 29, § 1-203.

28 The reference to "stormwater management" is substituted for the former
 29 reference to "storm drainage" for clarity and consistency throughout this
 30 division.

31 The reference to selling, leasing, transferring, conveying, "or" disposing of
 32 property is substituted for the former reference to selling, leasing,
 33 transferring, conveying, "and" disposing of property for accuracy.

1 The Washington Suburban Sanitary Commission Law Review Committee
2 notes, for consideration by the General Assembly, that because the
3 Commission does not currently operate any stormwater management
4 systems and because the counties currently have authority over
5 stormwater management, the reference to stormwater management
6 systems in this section may be obsolete.

7 Defined term: “Commission” § 16–101

8 **SUBTITLE 2. PRINCE GEORGE’S COUNTY QUICK TAKE.**

9 **21–201. WATER SUPPLY, SANITARY SEWER, OR STORMWATER MANAGEMENT**
10 **PROJECT.**

11 **IN THIS SUBTITLE, “WATER SUPPLY, SANITARY SEWER, OR STORMWATER**
12 **MANAGEMENT PROJECT” INCLUDES A:**

13 **(1) WATER MAIN, SEWER, OR DRAIN OR APPURTENANCE OF A**
14 **WATER MAIN, SEWER, OR DRAIN;**

15 **(2) FIRE HYDRANT;**

16 **(3) RESERVOIR;**

17 **(4) WATER PURIFICATION PLANT;**

18 **(5) TANK;**

19 **(6) PUMPING STATION; AND**

20 **(7) SEWAGE DISPOSAL PLANT.**

21 **REVISOR’S NOTE:** This section formerly was Art. 29, § 2–101.

22 In the introductory language of this section and throughout this subtitle,
23 the references to “stormwater management” are substituted for the
24 former references to “drainage” for clarity and consistency with
25 terminology used throughout this division.

26 The only other changes are in style.

27 The Washington Suburban Sanitary Commission Law Review Committee
28 notes, for consideration by the General Assembly, that there were
29 references throughout former Art. 29, Title 2, to “drainage project”,
30 “drain”, and “drainage system”. These refer to stormwater management

1 drainage projects, drains, and drainage systems. Currently, the
2 Commission does not exercise stormwater management and those
3 functions have been transferred to Montgomery County and Prince
4 George's County. Therefore, the references to "stormwater management
5 project", "drain", and "stormwater management system" may be obsolete.

6 **21-202. PURPOSE OF SUBTITLE.**

7 **THE PURPOSE OF THIS SUBTITLE IS TO PROVIDE THAT IN EMERGENCIES**
8 **THE COMMISSION, IN ITS DISCRETION, MAY CONDEMN LAND OR INTEREST IN**
9 **LAND UNDER THE OPTIONAL PROCEDURE PROVIDED BY THIS SUBTITLE BEFORE**
10 **OR AFTER CONSTRUCTION OF A WATER SUPPLY, SANITARY SEWER, OR**
11 **STORMWATER MANAGEMENT SYSTEM, OR PART OF A SYSTEM, HAS BEGUN.**

12 REVISOR'S NOTE: This section is new language derived without substantive
13 change from former Art. 29, § 2-103(c)(5).

14 The references to "this subtitle" are substituted for the former references
15 to "this section" to correct a drafting error in the 1982 revision of former
16 Article 67, the predecessor to Article 29. Prior to the 1982 revision of
17 Article 67, former § 2-1 of that article contained the Prince George's
18 County quick take procedures. The last sentence of former § 2-1(a)
19 provided that "[i]t is the intention of this section to provide that land or
20 interests therein", under specified circumstances, may be condemned
21 "under the optional procedure provided by this section". When former
22 Article 67 was revised by Chapter 767 of the Acts of the General
23 Assembly of 1982, former § 2-1 was divided among revised §§ 2-101
24 through 2-104, which collectively comprised the whole of the newly
25 created Title 2 of former Article 67, entitled Prince George's County
26 Quick Take. In dividing former § 2-1 into multiple sections, however, the
27 above-quoted language from the last sentence of former § 2-1(a), which
28 became former Art. 29, § 2-103(c)(5), was not altered to reflect the fact
29 that the quick take procedures comprised multiple sections, rather than a
30 single section. The references to "this section" in former § 2-103(c)(5)
31 should have been altered to refer to "this title", in reference to Title 2 of
32 former Article 67.

33 The former phrase "subject to the prohibition against the taking of any
34 building" is deleted as unnecessary in light of the limitation in
35 § 21-204(b) of this subtitle that "[a] building may not be taken under this
36 subtitle".

37 Defined term: "Commission" § 16-101

38 **21-203. SCOPE OF SUBTITLE.**

1 **THIS SUBTITLE APPLIES ONLY TO LAND IN PRINCE GEORGE’S COUNTY.**

2 REVISOR’S NOTE: This section formerly was Art. 29, § 2–102.

3 The only change is in style.

4 **21–204. AUTHORITY TO ACQUIRE LAND.**

5 **(A) IN GENERAL.**

6 **SUBJECT TO SUBSECTION (B) OF THIS SECTION AND §§ 21–205 AND**

18 **INTEREST IN LAND ARE NEEDED FOR THE EXTENSION OR CONSTRUCTION OF**
19 **THE PROJECT.**

20 **(B) BUILDING MAY NOT BE TAKEN.**

21 **A BUILDING MAY NOT BE TAKEN UNDER THIS SUBTITLE.**

22 REVISOR’S NOTE: This section is new language derived without substantive
23 change from former Art. 29, § 2–103(a)(1) and (b).

24 In the introductory language of subsection (a) of this section, the phrase
25 “[s]ubject to subsection (b) of this section and §§ 21–205 and 21–206(a) of
26 this subtitle” is added for clarity.

27 Also in the introductory language of subsection (a) of this section, the
28 reference to remaining land or interest in land “described in item (2) of
29 this subsection” is added for clarity.

30 In subsection (a)(2) of this section, the former reference to the
31 Commission “find[ing]” that the remaining takings are needed is deleted

1 as implicit in the reference to the Commission “determin[ing]” that they
2 are needed.

3 Also in subsection (a)(2) of this section, the former reference to the
4 remaining “number of” takings is deleted as unnecessary.

18 **(1) THE FAIR MARKET VALUE OF THE LAND OR INTEREST IN LAND**
19 **TAKEN; AND**

20 **(2) DAMAGES, IF ANY, CAUSED BY THE TAKING.**

21 **REVISOR'S NOTE:** This section is new language derived without substantive
22 change from former Art. 29, § 2–104.

23 In subsection (a)(1) of this section, the phrase “under this subtitle” is
24 substituted for the former phrase “in the circumstances and on the
25 conditions stated in this section” for brevity. The new language also
26 corrects a drafting error in the 1982 revision of former Article 67, the
27 predecessor to Article 29. Prior to the 1982 revision of Article 67, former §
28 2–1 of that article contained the Prince George’s County quick take
29 procedures. Former § 2–1(b) provided that “[t]he commission’s right to
30 enter and take possession of the land or rights therein which is
31 authorized by this section, in the circumstances and upon the conditions
32 herein stated, shall commence immediately upon the filing of a written
33 declaration of taking”. When former Article 67 was revised by Chapter

1 767 of the Acts of the General Assembly of 1982, former § 2–1 was divided
2 among revised §§ 2–101 through 2–104, which collectively comprised the
3 whole of the newly created Title 2 of former Article 67, entitled Prince
4 George’s County Quick Take. The above–quoted language from former §
5 2–1(b), which became former Art. 29, § 2–104(a)(1), was altered to provide
6 that “[t]he WSSC’s right to enter and take possession of the land or
7 interest in the land in the circumstances and on the conditions stated in
8 this section begins immediately on the filing of a written declaration of
9 taking”. Because former Art. 67, § 2–1 was divided into multiple sections
10 as a result of the revision, such that the quick take procedures comprised
11 the whole of Title 2 of that article, the reference to “this section” in former
12 Art. 29, § 2–104(a)(1) should have been altered to refer to “this title”.

13 Also in subsection (a)(1) of this section, the phrase “payment of the
14 estimated fair market value of the land or interest in land, as required
15 under § 21–206(a) of this subtitle” is substituted for the former phrases
16 “the estimated payment” and “the estimated payment provided for in §
17 2–103 of this title” for clarity.

18 In subsection (b)(1) and (2) of this section, the references to an
19 “extension” of the project are added for consistency with § 21–204(a) of
20 this subtitle.

21 In subsection (b)(1) of this section, the former reference to a “WSSC”
22 statement is deleted as unnecessary.

23 In subsection (b)(2) of this section, the former reference to one–half “or
24 more” is deleted as unnecessary in light of the reference to “at least”
25 one–half and for consistency with § 21–204(a) of this subtitle.

26 In subsection (b)(5) of this section, the former reference to the declaration
27 of taking being docketed “as a law case” is deleted as obsolete to reflect
28 the merger of law and equity effected by Md. Rule 2–301, which
29 mandates “one form of action known as the ‘civil action’”.

30 In subsection (b)(6) of this section, the reference to the estimated “fair
31 market value of the land or interest in land being taken” is substituted
32 for the former reference to the estimated “valuation” for clarity.

33 In subsection (c) of this section, the reference to “property” owner is
34 added for clarity.

35 In the introductory language of subsection (d) of this section, the
36 reference to payment “of the estimated fair market value” is added for
37 clarity.

1 Also in the introductory language of subsection (d) of this section, the
2 former reference to “in any subsequent proceeding” is deleted as
3 unnecessary.

4 In subsection (d)(1) of this section, the reference to fair “market” value is
5 added for clarity and consistency with terminology used in the
6 condemnation provisions of the Real Property Article. See RP Title 12.

14 Commission” is substituted for the former phrase “if the WSSC shall so

12 purpose of this section to permit the WSSC to waive the present

9 The Washington Suburban Sanitary Commission Law Review Committee
10 notes, for consideration by the General Assembly, that subsection (b)(3)
11 and (4) of this section are inconsistent. Subsection (b)(3) of this section
12 authorizes the Commission to authorize officials to sign a bond
13 authorized by § 22–102(a)(1) and (2) of this subtitle by facsimile
14 signature. Subsection (b)(4) of this section also authorizes the
15 Commission to authorize officials to sign a bond authorized by §
16 22–102(a)(3) by facsimile signature but the bond must be manually
17 signed by at least one official. The General Assembly may wish to amend
18 these provisions to be consistent.

19 Defined terms: “Bond” § 22–101

13 brevity and clarity.

14 Also in subsection (a)(1) of this section, the former reference to any bond

3 communities” for clarity.

4 In subsection (b)(2) of this section, the reference to installation and
5 operation “of water supply and sanitary sewer systems” is added for
6 clarity.

7 In subsection (d) of this section, the reference to the Commission
8 “initiat[ing]” construction is substituted for the former reference to
9 construction being “on the motion” of the Commission for clarity.

10 In subsection (e)(1) of this section, the former phrase “[s]ubject to the
11 provisions of § 3–101 of this subtitle” is deleted as unnecessary due to the
12 reorganization of the former provisions into this section.

13 In subsection (e)(2) of this section, the former reference to restrictions
14 that are “specifically” provided in this division is deleted as unnecessary.

15 In subsection (f) of this section, the reference to “stormwater
16 management” is substituted for the former reference to “drainage
17 systems” for clarity and consistency with terminology used throughout
18 this division.

19 Also in subsection (f) of this section, the former phrases “[o]n and after
20 June 30, 1968” and “[o]n and after July 1, 1990” are deleted as obsolete.

21 Also in subsection (f) of this section, the former reference to “the City of
22 Takoma Park” is deleted as unnecessary because the City of Takoma
23 Park is located entirely in Montgomery County.

24 The Washington Suburban Sanitary Commission Law Review Committee
25 notes, for consideration by the General Assembly, that the provision in
26 subsection (e)(2) of this section that states that the powers and authority
27 in subsection (e) may not be restricted by any other general, special, or
28 local law may violate the general rule of construction that states that any
29 given legislature may not bind the actions of a future legislature. Also,
30 the reference in subsection (e) to “special” laws may be unnecessary
31 because Article III, § 33 of the Maryland Constitution prohibits the
32 legislature from enacting certain special laws.

33 The Washington Suburban Sanitary Commission Law Review Committee
34 notes, for consideration by the General Assembly, that although there
35 does not appear to be a provision in the former Article 29 that explicitly
36 states that the Commission may not install, operate, or exercise any
37 authority over stormwater management or drainage systems in Prince
38 George’s County, there are provisions stating that Prince George’s

1 County may “exercise all the rights, powers, and duties relating to
2 stormwater management, including those formerly exercised by the
3 WSSC” (*see* former Art. 29, § 3–202(a)) and that all property used by the
4 Commission primarily for stormwater management is deemed
5 transferred to the counties (*see* former Art. 29, § 3–202(d)). Therefore, the
6 General Assembly may wish to amend subsection (f) of this section to
7 explicitly state that the Commission may not install, operate, or exercise
8 any authority over stormwater management in Prince George’s County.

12 REVISOR'S NOTE: This section is new language derived without substantive
13 change from former Art. 29, § 3-103(a), (b), and (d).

14 In subsection (a) of this section, the reference to "privately owned or
15 municipally owned" is added to clarify that this section only applies to
16 water supply or sanitary sewer systems that are privately owned or
17 municipally owned.

20 In subsection (b) of this section, the former reference to the "desire" of a
21 municipality or the property owners or residents of a locality for a water
22 supply or sanitary sewer system "to be constructed in that municipality
23 or locality" is deleted as unnecessary.

24 Also in subsection (b) of this section, the former phrase "at the time" is
25 deleted as surplusage.

26 In subsection (c)(1) of this section, the reference to a system "constructed
27 in accordance with subsection (b) of this section" is added for clarity.

28 In subsection (d) of this section, the phrase "for the system" is added for
29 clarity.

30 In subsection (f) of this section, the former reference to restrictions that
31 are "specifically" provided in this division is deleted as unnecessary.

1 The Washington Suburban Sanitary Commission Law Review Committee
2 notes, for consideration by the General Assembly, that the provision in
3 subsection (f) of this section that states that the powers and authority in
4 this section may not be restricted by any other general, special, or local
5 law may violate the general rule of construction that states that any
6 given legislature may not bind the actions of a future legislature. Also,
7 the reference in subsection (f) to “special” laws may be unnecessary
8 because Article III, § 33 of the Maryland Constitution prohibits the
9 legislature from enacting certain special laws.

32 In subsection (a)(2) of this section, the reference to “the purchase” is
33 substituted for the former reference to “such action” for clarity.

1 In subsection (b) of this section, the reference to the owner “of a
2 municipally or privately owned water supply or sewer system” is added
3 for clarity.

14 **SYSTEMS CONSTRUCTED BY THE COMMISSION APPLY TO AN EXTENSION UNDER**
15 **PARAGRAPH (1) OF THIS SUBSECTION.**

16 REVISOR’S NOTE: This section is new language derived without substantive
17 change from former Art. 29, § 3–107(a)(1), (b), and (c).

18 In subsection (a) of this section, the reference to a jury “determin[ing] the
19 fair market value as provided in § 12–105(b) of the Real Property Article”
20 is substituted for the former reference to the jury “[c]onsider[ing] as part
21 of an award any payment, contribution, or tax paid by the respective lot
22 owners or purchasers toward the construction of the systems” in light of
23 *Washington Suburban Sanitary Commission v. Utilities, Inc.*, 365 Md. 1,
24 775 A.2d 1178 (2001), in which the Court of Appeals stated that the
25 standard for valuing property taken in condemnation in Maryland is set
26 forth in § 12–105(b) of the Real Property Article. *See Washington*
27 *Suburban Sanitary Commission v. Utilities, Inc.*, 365 Md. 1, 40, 775 A.2d

29 General Assembly.

30 In subsection (d) of this section, the reference to a building or premises
31 “properly” connected is substituted for the former reference to a building
32 or premises connected “in an adequate manner” for brevity.

33 Also in subsection (d) of this section, the reference to a building or
34 premises being “subject to” the connection charge is substituted for the
35 former reference to a building or premises being “required to pay” the
36 connection charge for accuracy.

2 premises “actually” connected with the system is deleted as unnecessary.

3 In subsection (e)(1)(ii) of this section, the reference to the area “served by”
4 the existing system is substituted for the former reference to the area
5 “tributary to” the existing system for clarity.

6 Former Art. 29, § 3–107(a)(2) is deleted as unconstitutional. That
7 subsection required that the fair market value of a privately owned water
8 or sewer system in a condemnation proceeding brought by the
9 Commission be reduced by an amount representing contributions
10 indirectly made by homebuyers for construction of the system and was
11 found to be unconstitutional as applied in *Washington Suburban*
12 *Sanitary Commission v. Utilities, Inc.*, 365 Md. 1, 775 A.2d 1178 (2001).
13 The Court of Appeals held that this deduction constituted an

9 REVISOR'S NOTE: This section is new language derived without substantive

 20 former reference to a building or premises being “required to pay” the
 21 connection charge for accuracy.

22 Also in subsection (b) of this section, the reference to a building or
 23 premises “properly” connected is substituted for the former reference to a
 24 building or premises connected “in an adequate manner” for brevity.

25 Also in subsection (b) of this section, the former reference to a building or

17 The Washington Suburban Sanitary Commission Law Review Committee
18 notes, for consideration by the General Assembly, that the provision in
19 subsection (c) of this section that authorizes the Commission to construct
20 an extension if, within 30 days after receipt of the extension, the affected
21 county has not notified the Commission that the extension should not be
22 made may conflict with subsection (a) of this section that prohibits the
23 Commission from constructing a certain extension without the approval
24 of the county councils of Montgomery County and Prince George’s
25 County. The General Assembly may wish to address this apparent
26 conflict.

1 In subsection (c)(1)(i) of this section, the reference to the “operation” of
2 the water supply or sewage collection and disposal system is added for
3 consistency with subsection (b)(2) of this section.

4 Also in subsection (c)(1)(i) of this section, the reference to “construction” is
5 substituted for the former reference to “installation” to conform with
6 terminology used throughout this section.

7 Also in subsection (c)(1)(i) of this section, the former reference to the
8 Commission approving plans “in accordance with its requirements” is
9 deleted as implicit in the requirement in subsection (e) of this section that
10 a water supply or sewage collection and disposal system for which a
11 permit is required under this section be installed, maintained, and
12 operated under Commission regulations.

13 In subsection (c)(2) of this section, the former reference to “[a]ll
14 construction shall take place in accordance with the approved plans and
15 shall be subject to the inspection of the WSSC” is deleted as implicit in
16 the reference to the Commission “inspect[ing] all projects for which the
17 permit was issued” and “requir[ing] the construction to conform to the
18 approved plans and specifications”.

19 In subsection (c)(2)(i) of this section, the reference to projects “for which
20 the permit was issued” is substituted for the former reference to “these”
21 projects for clarity.

22 In subsection (c)(2)(ii) of this section, the reference to plans “and
23 specifications” is added for consistency within the subsection.

24 In the introductory language of subsection (d)(1) of this section, the
25 reference to a person “holding a permit under subsection (b) of this
26 section” is added for clarity.

27 In subsection (e) of this section, the reference to regulations that the
28 Commission “adopts” is substituted for the former reference to
29 regulations that the Commission “requires” for clarity.

30 Also in subsection (e) of this section, the former reference to “reasonable”
31 regulations is deleted as unnecessary in light of the requirement that
32 regulations must be reasonable in order to be valid. *See Comptroller of*
33 *Treas. v. M.E. Rockhill, Inc.*, 205 Md. 226, 233 (1954).

34 In subsections (f)(1) and (i)(1) of this section, the reference to a “water
35 supply or sewage collection and disposal system authorized under this
36 section” is substituted for the former reference to a “project” for clarity.
37 Correspondingly, in subsections (f)(2) and (i)(1) of this section, the

1 references to the “system” are substituted for the former references to the
2 “project” for consistency throughout this section.

3 In subsection (f)(4)(ii) of this section, the reference to the costs for the
4 “correction or operation” is substituted for the former reference to the
5 costs for the “system” for accuracy.

6 In subsection (g)(1)(i) of this section, the reference to a sewage collector
7 “and” disposal system is substituted for the former reference to a sewage
8 collection “or” disposal system for clarity.

9 In subsection (g)(1)(iii) of this section, the former reference to conditions
10 “currently” existing in the system is deleted as unnecessary.

11 In subsection (h)(1) of this section, the reference to the operational
12 inspection functions “that the Department of the Environment” conducts
13 is substituted for the former reference to “those” operational inspection
14 functions for clarity.

15 In subsection (h)(3) of this section, the reference to “requirements ...
16 be[ing] applicable” is substituted for the former reference to “aspects ...
17 continu[ing]” for clarity.

18 In subsection (i)(2) of this section, the reference to the record “includ[ing]
19 the information” is substituted for the former reference to “be[ing] of a
20 character” for clarity.

21 In subsection (j) of this section, the reference to “[a] person found to have
22 violated this section” is substituted for the former reference to “[a]
23 conviction under this section” for accuracy since a violation of this section
24 is a Commission infraction under § 29–101 of this article and not a
25 criminal offense.

26 The Washington Suburban Sanitary Commission Law Review Committee
27 notes, for consideration by the General Assembly, that subsection
28 (a)(1)(ii)3 and (2)(ii) of this section may be obsolete. Those provisions
29 exempt from this section water supply or sewage collection and disposal
30 systems constructed by a municipality in Montgomery County if the
31 municipality owned and operated the system on June 1, 1965, or by a
32 municipality in Prince George’s County if the municipality owned and
33 operated the system on January 1, 1959. It is unknown whether there are
34 any systems currently in service that fall under those exemptions.

35 The Washington Suburban Sanitary Commission Law Review Committee
36 also notes, for consideration by the General Assembly, that subsection
37 (b)(1) of this section may be obsolete since Commission staff have advised

1 the Committee that it does not know the origin of the exemption for
2 Calvert Manor or whether the exemption is still applicable.

3 The Washington Suburban Sanitary Commission Law Review Committee
4 also notes, for consideration by the General Assembly, that it is unclear
5 whether the provision in subsection (d)(2) of this section requiring the
6 Commission to approve and issue a permit for a material change should
7 be interpreted to mean that the Commission shall issue a second permit
8 for the material change or that the Commission may modify the existing
9 permit to allow for the material change. The General Assembly may wish
10 to clarify this provision.

2 SANITARY DISTRICT, IF THE AGREEMENT PROVIDES THAT THE PLUMBING
3 REGULATIONS OF THE COMMISSION WILL BE APPLIED.

4 (2) THIS SUBSECTION OR AN AGREEMENT ENTERED INTO UNDER
5 THIS SUBSECTION DOES NOT AFFECT THE POWER OF THE COMMISSION:

6 (I) TO ADOPT REGULATIONS TO INSTALL PLUMBING IN
7 PRINCE GEORGE'S COUNTY AS THE COMMISSION CONSIDERS NECESSARY FOR
8 THE PUBLIC HEALTH; OR

9 (II) TO REGULATE PUBLIC AND SEMIPUBLIC WATER SUPPLY
10 AND SEWER SYSTEMS UNDER THIS SECTION AND § 24-102 OF THIS SUBTITLE.

11 REVISOR'S NOTE: This section is new language derived without substantive
12 change from former Art. 29, § 8-103.

13 In subsection (a)(2)(ii) of this section, the phrase "[i]f water or sewer
14 service is obtained from a Commission system" is substituted for the
15 former phrase "[o]n the happening of any of those events" for clarity.

16 In the introductory language of subsection (b)(2) of this section, the
17 reference to this section not "affect[ing]" the power of the Commission is
18 substituted for the former reference to this section not "tak[ing] away
19 from" the power of the Commission for brevity.

20 In subsection (b)(2)(ii) of this section, the reference to the Commission's
21 power "to regulate" is substituted for the former reference to the
22 Commission's power "with respect to" for clarity.

23 Also in subsection (b)(2)(ii) of this section, the former reference to a
24 "sanitary" sewer system is deleted for consistency with § 24-102 of this
25 subtitle.

26 The Washington Suburban Sanitary Commission Law Review Committee
27 notes, for consideration by the General Assembly, that subsection (a) of
28 this section may be obsolete since it only applies to plumbing
29 installations that were begun before June 1, 1965, or in existence on July
30 1, 1965. Also, there may be an inconsistency in the provision because
31 according to subsection (a)(1)(i) of this section, the Commission
32 regulations apply to certain plumbing installations begun on or after
33 June 1, 1965, but subsection (a)(1)(ii) of this section states that
34 Commission regulations do not apply to installations in existence on July
35 1, 1965. As a result these provisions apparently overlap regarding
36 installations begun between June 1 and 30, 1965. It is unclear whether
37 the phrase "in existence" in subsection (a)(1)(ii) of this section refers only

1 to installations that were completed and operating on July 1, 1965. If that
2 is the case, there would be no overlap.

5 REVISOR'S NOTE: This section is new language derived without substantive
6 change from former Art. 29, § 8–104.

7 In subsection (a)(1) of this section, the former reference to a person
8 “desiring” to work is deleted as surplusage.

9 In subsection (a)(3) of this section, the former reference to “power” is
10 deleted as included in the reference to “authority”.

11 In subsection (b) of this section, the references to “an equivalent license”
12 are substituted for the former references to “a master plumber/gasfitter
13 license or a journeyman plumber/gasfitter license, as applicable” for
14 brevity.

15 In subsection (b)(1)(i) of this section, the reference to “the license issued
16 by the Commission” is substituted for the former reference to “a valid
17 master plumber/gasfitter license or a journeyman plumber/gasfitter
18 license, as applicable” for clarity and brevity. Similarly, in subsection
19 (b)(2) of this section, the reference to “the license” is substituted for the
20 former reference to “a valid master plumber/gasfitter license or a
21 journeyman plumber/gasfitter license, as applicable”.

22 In subsection (c) of this section, the reference to a license remaining in
23 “force” is substituted for the former reference to a license remaining in
24 “full force and effect” for brevity.

25 As to the Maryland Plumbing Act, *see* BOP Title 12.

26 The Washington Suburban Sanitary Commission Law Review Committee
27 notes, for consideration by the General Assembly, that subsection (c) of
28 this section may be unnecessary in light of subsection (b) of this section.
29 Subsection (b) of this section provides that a person with a valid master
30 plumber/gasfitter license or a journeyman plumber/gasfitter license
31 issued by the Commission is entitled to an equivalent license by the State
32 Board of Plumbing under certain circumstances and that a person with a
33 valid master plumber/gasfitter license or a journeyman plumber/gasfitter
34 license issued by the State Board of Plumbing is entitled to an equivalent
35 license by the Commission under certain circumstances. Subsection (c) of
36 this section provides that a license issued to a master plumber/gasfitter
37 or a journeyman plumber/gasfitter under a certain reciprocity agreement
38 before a certain date remains in force. Since subsection (b) of this section
39 already provides for a general system of reciprocity, subsection (c) of this

1 section may not be necessary. The General Assembly may wish to repeal
2 subsection (c) as duplicative.

5 SUBTITLE 2. SEWER CLEANING.

6 24-201. SEWER CLEANING GENERALLY.

7 (A) "SEWER CLEANING" DEFINED.

8 (1) IN THIS SECTION, "SEWER CLEANING" MEANS THE CLEANING

13 FIXTURE, OR OTHER SEWER APPARATUS.

14 (B) CONSTRUCTION OF SECTION.

15 THIS SECTION MAY NOT BE CONSTRUED TO:

19 PERSON'S OWN PROPERTY; OR

20 (3) APPLY TO OR PROHIBIT THE CLEANING BY ANY PERSON OF A

28 (1) (i) TO QUALIFY FOR A SEWER CLEANER'S LICENSE, A

1 **(II) A SEWER CLEANER’S LICENSE DOES NOT AUTHORIZE**

3 **CLEANING.**

4 **(2) THE COMMISSION:**

15 **(IV) MAY REQUIRE A REASONABLE FEE FOR THE ISSUANCE**
16 **AND RENEWAL OF A LICENSE IN AN AMOUNT NOT MORE THAN ONE-HALF OF THE**
17 **FEE CHARGED FOR A MASTER PLUMBER’S LICENSE.**

18 REVISOR’S NOTE: This section is new language derived without substantive
19 change from former Art. 29, § 3–301.

20 In the introductory language to subsection (b) of this section, the
21 reference to “may not be construed to” is substituted for the former
22 reference to “does not” for clarity and consistency with other revised
23 articles of the Code.

24 In subsection (d)(1)(ii) of this section, the reference to engaging in the
25 plumbing business “other than sewer cleaning” is substituted for the
26 former reference to engaging in the plumbing business “unless the
27 licensee is otherwise qualified and has the license required of plumbers”
28 for clarity and brevity.

29 In subsection (d)(2)(i) of this section, the former reference to sewer
30 cleaning “in sanitary sewer lines, pipes, and fixtures” is deleted as
31 unnecessary in light of the definition of “sewer cleaning” in subsection (a)
32 of this section.

8 **ADVISABILITY OF A MODIFICATION OF THE REGULATION, RATE, OR CHARGE.**

9 REVISOR'S NOTE: This section is new language derived without substantive
10 change from former Art. 29, § 6–103.

11 In this section and throughout this subtitle, the former references to
12 “rule[s]” are deleted as implicit in the references to “regulation[s]”. *See*
13 General Revisor’s Note to division.

14 In subsection (a) of this section, the former definition of “industrial use” is
15 deleted as unnecessary since it is no longer used in this subtitle.

16 In subsection (a)(1) of this section, the reference to the “North American
17 Industry Classification System developed by the United States Office of
18 Management and Budget” is substituted for the former reference to the
19 “Standard Industrial Classification Manual of 1967 of the Bureau of the
20 Budget, Office of the President of the United States” to reflect the current
21 standards. No substantive change is intended.

22 In subsection (a)(2) of this section, the reference to any “industry in
23 another class of significant waste producers” is substituted for the former
24 reference to any “other class of significant waste producers” for clarity
25 and consistency with subsection (a)(1) of this section.

26 In subsection (b) of this section, the reference to “this subtitle or Subtitles
27 3 through 5 of this title” is substituted for the former reference to “this
28 title” to reflect the revision of former Art. 29, Title 6 in this subtitle and
29 Subtitles 3 through 5 of this title.

30 Also in subsection (b) of this section, the former reference to an area “or
31 subdistrict” of the sanitary district is deleted because the Commission
32 may define an area as a subdistrict under this subsection.

1 Also in subsection (b) of this section, the reference to defining the area “as
2 a subdistrict” is substituted for the former reference to defining the area
3 “or subdistrict” for accuracy.

4 In subsection (c) of this section, the phrase “[n]otwithstanding any other
5 provision of this subtitle or Subtitles 3 through 5 of this title that
6 requires a regulation, rate, or charge to be uniform throughout the
7 sanitary district” is added for clarity and consistency with subsection (b)
8 of this section.

9 Also in subsection (c) of this section, the reference to “a property occupied
10 by an industrial user” is substituted for the former reference to
11 “industrial use properties” for clarity and to allow the use of the defined
12 term “industrial user”.

13 In subsection (d)(1) of this section, the reference to each county “of the
14 sanitary district” is added for clarity and consistency with other similar
15 provisions in this division.

16 Also in subsection (d)(1) of this section, the reference to a newspaper “of
17 general circulation” in each county is substituted for the former reference
18 to a newspaper “published” in each county for consistency with similar
19 provisions in other revised articles of the Code.

20 Also in subsection (d)(1) of this section, the former reference to “separate”
21 notices is deleted as unnecessary.

22 Defined terms: “Commission” § 16–101
23 “County” § 16–101
24 “Sanitary district” § 16–101

27 **REGULATION THAT APPLIES IN THE SANITARY DISTRICT SHALL APPLY TO ANY**
28 **PROPERTY FOR WHICH THE FRONT FOOT BENEFIT CHARGE OR AD VALOREM TAX**
29 **IS SUSPENDED OR EXEMPTED.**

30 REVISOR’S NOTE: This section is new language derived without substantive
31 change from former Art. 29, § 6–107.

32 The former reference to an exception “specifically” provided in Subtitle 2
33 of this title is deleted as unnecessary.

34 Defined term: “Sanitary district” § 16–101

1 **25-103. AD VALOREM TAX — AREAS WITHOUT TAX.**

3 **THE INTENT OF THIS SECTION:**

16 **(2) THE AREA OR PROPERTY ADDED TO THE SANITARY DISTRICT**
 17 **IS INCLUDED IN THE SANITARY DISTRICT FOR ALL PURPOSES OF THIS DIVISION,**
 18 **EXCEPT AS A TAXING DISTRICT.**

19 **REVISOR'S NOTE:** This section is new language derived without substantive
 20 change from former Art. 29, § 6-108.

21 In subsection (b)(1) of this section, the reference to “seek[ing] the
 22 imposition of” an ad valorem tax is substituted for the former reference to
 23 “levy[ing]” an ad valorem tax for accuracy since the Commission does not
 24 have the authority to impose an ad valorem tax but may only certify the
 25 amount needed to be raised to the counties, which then impose the tax.
 26 The Washington Suburban Sanitary Commission Law Review Committee
 27 calls this substitution to the attention of the General Assembly.

28 In subsection (b)(2) of this section, the former phrase “[u]ntil all of the
 29 conditions of this subsection are fulfilled” is deleted as included in the
 30 phrase “[u]ntil the Commission begins, extends, or acquires a water or
 31 sanitary sewer system”.

32 Defined terms: “Commission” § 16-101
 33 “Sanitary district” § 16-101

10 **ADVISABILITY OF THE PROPOSED MODIFICATION.**

11 REVISOR'S NOTE: This section is new language derived without substantive
12 change from former Art. 29, § 6-109.

13 In the introductory language of this section, the reference to "advisable"
14 is substituted for the former reference to "desirable" for consistency
15 within this section.

16 Also in the introductory language of this section, the former reference to
17 "levy" is deleted as implicit in the reference to "assessment".

18 In item (1) of this section, the reference to each county "of the sanitary
19 district" is added for clarity and consistency with other similar provisions
20 in this division.

21 Also in item (1) of this section, the reference to a newspaper "of general
22 circulation" in each county is substituted for the former reference to a
23 newspaper "published" in each county for consistency with similar
24 provisions in other revised articles of the Code.

25 Also in item (1) of this section, the former reference to "[p]romptly"
26 publish is deleted as unnecessary.

27 Also in item (1) of this section, the former reference to "separate notices"
28 is deleted as unnecessary.

19 **(2) CHARGE ALL COSTS FOR THE FINAL REPAIRS TO THE**
 20 **COMMISSION OR TO THE PUBLIC UTILITY THAT MADE THE ENTRY ON THE**
 21 **PROPERTY.**

22 **REVISOR'S NOTE:** This section is new language derived without substantive
 23 change from former Art. 29, § 10–102.

24 In subsection (a) of this section, the former reference to “reasonable”
 25 regulations is deleted as unnecessary in light of the requirement that
 26 regulations must be reasonable in order to be valid. *See Comptroller of*
 27 *Treas. v. M. E. Rockhill, Inc.* 205 MD. 226, 233 (1954).

28 Also in subsection (a) of this section, the former phrase “for their
 29 respective county” is deleted as unnecessary since regulations adopted by
 30 a county can be enforced only in that county.

1 In the introductory language of subsections (b) and (d)(1)(ii) of this
2 section, the former references to “rule[s]” are deleted as unnecessary in
3 light of the use of the word “regulations”. See General Revisor’s Note to
4 division.

5 In the introductory language of subsection (b) of this section, the former
6 reference to regulations adopted under this section “by the County
7 Executive and County Council of either county” is deleted as
8 unnecessary.

9 In subsections (b)(2) and (c)(2) of this section, the former erroneous
10 cross-references to former § “10–103” of this title are deleted.

11 In subsection (d)(4) of this section, the reference to notifying the
12 “appropriate” county is added for clarity.

13 The Washington Suburban Sanitary Commission Law Review Committee
14 notes, for consideration by the General Assembly, that there may be an
15 anomaly in the requirements regarding the county review and approval
16 procedures under former Art. 29, § 10–102(c)(1)(i) and (2), revised as
17 subsection (c)(1)(i) and (2) of this section. Subsection (c)(1)(i) of this
18 section states that the review and approval procedures adopted by either
19 Montgomery or Prince George’s counties may include provisions for the
20 review and approval of the construction or location permits required to be
21 issued by the Commission as referenced in former Art. 29, § 10–102(b)(5),
22 revised as subsection (b)(2) of this section. However, subsection (c)(2) of
23 this section states that a permit issued by the Commission for these
24 functions is not effective unless the appropriate county approves the
25 permit. While the statute establishes that county review and approval of
26 the permits is optional, it also prohibits the Commission from proceeding
27 unless it obtains county approval, effectively making county review and
28 approval mandatory, not discretionary. The General Assembly may wish
29 to amend these provisions to establish mandatory review and approval by
30 the counties, since review and approval appear to be required in practice.

34 **27–103. EFFECT OF §§ 27–101 AND 27–102.**

38 **A UNIT OF FEDERAL, STATE, COUNTY, OR MUNICIPAL GOVERNMENT OR WITH**

1 THE DISTRICT OF COLUMBIA CONCERNING THE MATTERS DESCRIBED IN §§
 2 27-101 AND 27-102 OF THIS TITLE, IF THE AGREEMENT OR CONTRACT IS
 3 NECESSARY, ADVISABLE, OR EXPEDIENT IN CONNECTION WITH THE
 4 CONSTRUCTION, MAINTENANCE, AND OPERATION OF THE COMMISSION'S
 5 WATER AND SEWER SYSTEMS.

6 (B) STATE HIGHWAY ADMINISTRATION.

7 SECTIONS 27-101 AND 27-102 OF THIS TITLE DO NOT IMPAIR THE RIGHTS
 8 OF THE STATE HIGHWAY ADMINISTRATION CONCERNING COMMISSION OR
 9 UTILITY USE OF A STATE HIGHWAY, INCLUDING A ROAD THAT IS CONSTRUCTED
 10 IN WHOLE OR IN PART WITH FEDERAL FUNDS.

11 REVISOR'S NOTE: This section is new language derived without substantive
 12 change from former Art. 29, § 10-103.

13 In subsection (b) of this section, the reference to a "State highway" is
 14 substituted for the former reference to a "highway of the State system"
 15 for brevity.

 23 MEANINGS INDICATED.

24 (2) "HOMEOWNER CORPORATION" MEANS A HOMEOWNER
 25 ASSOCIATION WITH 5,000 OR MORE MEMBERS THAT HAS:

26 (I) FILED A WRITTEN REQUEST WITH THE COMMISSION TO

16 HAVE ON THE AFFECTED COUNTIES, MUNICIPALITIES, AND HOMEOWNER
17 CORPORATIONS.

18 (D) CONSULTATION REQUIRED.

19 BEFORE SUBMITTING THE PLAN OF SYSTEM REPAIRS, THE COMMISSION
20 SHALL CONSULT WITH THE AFFECTED COUNTIES, MUNICIPALITIES, AND

6 **MONTHS FROM THE DATE OF THE FINDING BY THE ARBITRATOR OR**
7 **ARBITRATORS UNTIL THE STATEMENT IS PAID.**

8 REVISOR'S NOTE: This section is new language derived without substantive
9 change from former Art. 29, § 10–106.

10 In subsection (a)(1) and (2) of this section, the former references to the
11 “appropriate” county are deleted as unnecessary.

12 In subsection (b)(1) of this section, the reference to “the governing body of
13 the county in which the construction or improvement is made” being
14 required to pay the cost is substituted for the former reference to
15 “Montgomery County or Prince George’s County” being required to pay
16 the cost for clarity.

17 Also in subsection (b)(1) of this section, the reference to the actual cost “of
18 the construction or improvement” is added for clarity.

19 In subsection (c)(1) of this section, the reference to a charge “in the
20 itemized statement of actual costs” is substituted for the former reference
21 to a charge “made by the WSSC” for clarity.

22 Also in subsection (c)(1) of this section, the reference to an arbitrator
23 “selected by the Commission and the county” is substituted for the former
24 reference to an arbitrator “who is satisfactory to both the WSSC and the
25 county” for clarity.

26 In subsection (c)(3) of this section, the reference to the “itemized
27 statement as finally determined” is substituted for the former reference
28 to the “statement” for clarity.

29 Also in subsection (c)(3) of this section, the phrase “until the statement is
30 paid” is added for clarity and consistency with subsection (b)(2)(ii) of this
31 section.

32 The Washington Suburban Sanitary Commission Law Review Committee
33 notes, for consideration by the General Assembly, that there may be an
34 inconsistency regarding when interest attaches to the costs assessed for
35 road construction or improvements required by either Montgomery or
36 Prince George’s counties that involve removal or relocation of

1 Commission facilities. Under former Art. 29, § 10–106(b)(4), revised as
 2 subsection (b)(2)(i) of this section, the county must pay the charges
 3 assessed by the Commission within 6 months after “receipt of the
 4 statement”, unless the charges are disputed. However, former Art. 29,
 5 § 10–106(b)(7), revised as subsection (b)(2)(ii) of this section, goes on to
 6 state that if the itemized statement is not paid within 6 months after
 7 “submission or agreement” then the statement will bear 6% interest until
 8 paid. The General Assembly may wish to address this inconsistency.

1 REVISOR'S NOTE: This section is new language derived without substantive
2 change from former Art. 29, §§ 18–104(g), 18–104.2(a)(1) and (c) through
3 (h), the second sentence of § 18–104.1(b)(1), and, as it related to
4 Commission infractions, § 18–104.2(b)(1).

5 Subsection (b) of this section is revised as a scope provision for clarity.

6 In subsection (b)(7) of this section, the reference to “any other regulation
7 adopted in accordance with § 17–406 of this article” is added to clarify the
8 intent of former Art. 29, § 18–104.2(c)(1) which provided that “[a]ny
9 person who violates any provision of the regulations [authorized under §
10 18–104.2(b)] is guilty of a WSSC infraction”. This catchall provision is
11 added so that if there is another regulation adopted under that same
12 authority, a violation of the regulation could be included as a Commission
13 infraction even if not specifically listed in subsection (b) of this section.

14 In subsection (c) of this section, the references to a violation “of the
15 regulation” are added for clarity.

16 In the introductory language of subsection (c)(1)(i) of this section, the
17 reference to a person having “committed” a Commission infraction is
18 substituted for the former reference to a person being “guilty” of a
19 Commission infraction for clarity.

20 In subsection (c)(1)(i) of this section, the former references to a civil
21 “monetary” fine are deleted as redundant.

22 In subsections (c)(2)(i) and (f)(1) of this section, the references to the
23 “payment due date” are substituted for the former references to the “date
24 for payment” for clarity. Similarly, in subsection (e)(2) of this section, the
25 reference to the “payment due date” is substituted for the former
26 reference to the “day of payment”.

27 In subsection (d)(1) of this section, the reference to any person “charged
28 with” committing the Commission infraction is substituted for the former
29 reference to any person “whom the enforcement official adjudges to be
30 responsible for” committing the Commission infraction for brevity and to
31 clarify that the enforcement official cannot adjudge anyone responsible.

32 In subsections (d)(2)(iv), (v), and (x) and (f)(1)(ii) of this section, the
33 references to the “Commission infraction” are substituted for the former
34 references to the “violation” to conform to terminology used throughout
35 this section.

36 In subsection (d)(2)(vi) of this section, the reference to the fine assessed
37 “for the Commission infraction” is added for clarity.

1 In subsection (d)(2)(x) of this section, the reference to a person’s “right to
2 a trial” is substituted for the former reference to a person’s “right to elect
3 to stand trial” for brevity.

4 In subsection (e)(2) of this section, the former reference to the notice
5 being given “by the person” is deleted as unnecessary.

6 In subsection (e)(3) of this section, the reference to a “copy of the” notice
7 of intent to stand trial is added to clarify that the original notice need not
8 be sent.

9 In subsection (f)(1)(ii) of this section, the former reference to a “formal”
10 notice is deleted as surplusage.

11 In subsection (f)(2)(i) of this section, the phrase “[i]f a fine is not paid” is
12 substituted for the former phrase “[i]f the citation has not been satisfied”
13 to use more modern terminology.

14 In subsection (f)(2)(ii) of this section, the requirement that the District
15 Court schedule the trial and summons the defendant “[o]n receipt of the
16 request for adjudication” is added for clarity.

17 In subsection (f)(3) of this section, the reference to “the District Court”
18 entering the judgment is added for clarity.

19 In subsection (g)(1) of this section, the former phrase “for any purpose” is
20 deleted as surplusage.

21 Former Art. 29, § 18–104.2(a)(2), (3), and (4) which defined
22 “[r]egulations”, “[r]epeated infraction”, and “WSSC infraction”,
23 respectively, are deleted as unnecessary.

24 The balance of former Art. 29, § 18–104.2 that is not revised in this
25 section is revised in § 17–406 of this article.

26 The Washington Suburban Sanitary Commission Law Review Committee
27 notes, for consideration by the General Assembly, that the reference to
28 “penalties, or forfeitures” in subsection (e)(5) of this section may be
29 unnecessary. There is no authorization elsewhere relating to any
30 penalties or forfeitures that may be imposed for a Commission infraction.
31 The General Assembly may wish to amend this provision.

5 request for adjudication” is added for clarity.

6 In subsection (d)(4) of this section, the reference to “the District Court”
7 entering the judgment is added for clarity.

8 In subsection (e)(1) of this section, the reference to a \$50 fine “for a first
9 offense” is added for clarity.

10 In subsection (f)(2) of this section, the former reference to a Commission
11 infraction “as defined in this section” is deleted as surplusage. Similarly,
12 in subsection (f)(2)(i) of this section, the former reference to a criminal
13 conviction “for any purpose” is deleted.

14 In subsection (g) of this section, the phrase “the violation shall be
15 prosecuted” is substituted for the former phrase “the District Court shall
16 prosecute the violation” for clarity and consistency with § 29–101 of this
17 title.

18 The balance of former Art. 29, § 18–104.1 that is not revised in this
19 section is revised in § 17–405 of this article.

20 The Washington Suburban Sanitary Commission Law Review Committee
21 notes, for consideration by the General Assembly, that in subsection (c)(5)
22 of this section the District Court is required to notify the defendant of the
23 trial date, but the District Court is not required to notify the Commission
24 of the trial date. The Committee wishes to draw the attention of the
25 General Assembly to this discrepancy and notes that the failure of the
26 District Court to notify both parties to the action may result in a
27 dismissal of the action. The General Assembly may wish to address this
28 discrepancy.

29 The Washington Suburban Sanitary Commission Law Review Committee
30 also notes, for consideration by the General Assembly, that the reference
31 to “penalties, or forfeitures” in subsection (c)(5) of this section may be
32 unnecessary. There is no authorization elsewhere relating to any
33 penalties or forfeitures that may be imposed for a Commission infraction.
34 The General Assembly may wish to amend this provision.

3 REVISOR'S NOTE: This section is new language derived without substantive
4 change from former Art. 29, § 18–104.3(a) through (e)(3) and (e)(5)
5 through (i).

6 In subsection (b)(1) of this section, the former reference to the person “to
7 whom the complaint is directed” is deleted as surplusage.

8 In subsection (d)(1)(ii) of this section, the former reference to the
9 complaint or order being served “bearing a postmark from the United
10 States Postal Service” is deleted as implicit in the requirement that it be
11 served “by certified mail”.

12 In subsection (d)(3) of this section, the reference to “serv[ing] process” is
13 substituted for the former reference to “effect[ing] service of process” for
14 brevity.

15 In subsection (f) of this section, the reference to the “Commission” is
16 substituted for the former reference to the “Agency” for clarity and
17 accuracy.

18 In subsection (g)(3) of this section, the former reference to corrective
19 action by “the person to whom the order is directed” is deleted as
20 surplusage.

21 In subsection (g)(4) of this section, the former reference to the time
22 “within which the WSSC may not issue a corrective order has passed” is
23 deleted as surplusage.

24 In subsection (i)(1) of this section, the reference to a “judicial remedy” is
25 substituted for the former reference to “remedies available at law or in
26 equity” for clarity and brevity.

27 Also in subsection (i)(1) of this section, the former reference to a hearing
28 “which may be waived by the person accused of a violation” is deleted as
29 unnecessary in light of subsection (i)(2) of this section.

30 In subsection (j) of this section, the reference to “seek[ing] judicial review”
31 is substituted for the former reference to “tak[ing] a direct judicial
32 appeal” for accuracy.

33 Former Art. 29, § 18–104.3(e)(4), which provided for fees and mileage
34 reimbursement for a subpoenaed witness, is deleted as obsolete because
35 fees and mileage reimbursement for witnesses in a civil action were
36 repealed as part of Chapter 192, Acts of 2005.

1 Defined terms: "Commission" § 16-101

2 "County" § 16-101

6 (A) IN GENERAL.

7 ON APPLICATION OF THE COMMISSION THAT IS VERIFIED BY OATH OF A
8 MEMBER OR EMPLOYEE OF THE COMMISSION, THE CIRCUIT COURT OF A
9 COUNTY, BY INJUNCTION, MAY:

10 (1) REQUIRE THE COMPLIANCE WITH OR RESTRAIN THE
11 VIOLATION OF ANY ORDER, NOTICE, OR REGULATION OF THE COMMISSION
12 UNDER THIS DIVISION;

13 (2) REQUIRE COMPLIANCE WITH OR RESTRAIN THE VIOLATION
14 OR ATTEMPTED VIOLATION OF A PROVISION OF THIS DIVISION; OR

15 (3) REQUIRE THE ENTRY OF AN EMPLOYEE OR AGENT OF THE
16 COMMISSION WITHIN A DESIGNATED AREA ON THE PRIVATE PREMISES AND
17 INTO ANY BUILDING IN THE SANITARY DISTRICT WHERE THE COMMISSION
18 SHOWS A VIOLATION OF THIS DIVISION.

19 (B) BOND BY COMMISSION NOT REQUIRED.

20 THE COURT MAY NOT REQUIRE THE COMMISSION TO POST A BOND.

21 (C) NONRESIDENT RESPONDENT.

22 IF THE RESPONDENT IN A PETITION FOR INJUNCTION UNDER THIS
23 SECTION IS A NONRESIDENT OF THE STATE, SERVICE OF PROCESS SHALL BE
24 MADE IN ACCORDANCE WITH THE MARYLAND RULES.

25 (D) PROVISIONS CONCERNING MONTGOMERY COUNTY.

26 AS TO §§ 27-101(A) AND (B), 27-102, AND 27-103 OF THIS ARTICLE:

28 SECTION IF AN APPLICATION IS VERIFIED BY OATH OF AN EMPLOYEE OF
29 MONTGOMERY COUNTY; AND

1 **(2) THE COURT MAY NOT REQUIRE MONTGOMERY COUNTY TO**
2 **POST A BOND.**

3 REVISOR'S NOTE: This section is new language derived without substantive
4 change from former Art. 29, § 18–105.

5 In the introductory language of subsection (a) of this section, the former
6 reference to the circuit court “sitting in equity” is deleted as unnecessary.

7 In subsection (a)(1) of this section, the former reference to “rule” is
8 deleted as unnecessary in light of the use of the word “regulation”. *See*
9 the General Revisor’s Note to division.

10 In subsection (a)(2) of this section, the former reference to requiring
11 compliance “by any person” is deleted as unnecessary.

12 In subsection (c) of this section, the reference to “service of” process is
13 added for clarity.

14 Also in subsection (c) of this section, the reference to “this section” is
15 substituted for the former reference to “this subsection” for accuracy.

16 Also in subsection (c) of this section, the former reference to service of
17 process “by publication” is deleted as unconstitutional. This deletion is
18 called to the attention of the General Assembly.

19 The Washington Suburban Sanitary Commission Law Review Committee
20 notes, for consideration by the General Assembly, that the Committee
21 believes that subsection (a)(3) of this section is not intended to interfere
22 with the Commission’s authority under § 24–103(b) and Title 27 of this
23 article to enter into certain premises and buildings in the sanitary
24 district and to inspect certain construction projects.

25 The Washington Suburban Sanitary Commission Law Review Committee
26 also notes, for consideration by the General Assembly, that subsection (d)
27 of this section does not appear to make any sense. The sections that it
28 refers to authorize the Commission to enter on a public roadway to install
29 the Commission’s system and construct a water main or sewer, notify the
30 State and local governments of the construction, and authorize the
31 Commission to enter into contracts with other governmental entities
32 regarding the construction and maintenance of the water and sewer
33 systems. This does not appear to relate back to injunctive relief for
34 violations of Commission regulations and orders. A search through the
35 legislative history revealed that former Art. 29, § 18–105 has existed in
36 substantially the same posture since at least 1982. The General Assembly
37 may wish to clarify this subsection.

1 Defined terms: "Commission" § 16-101
2 "County" § 16-101
3 "Sanitary district" § 16-101
4 "State" § 16-101

5 **29-105. UNLAWFUL USE OF COMMISSION PROPERTY.**

6 **EXCEPT AS PROVIDED IN REGULATIONS ADOPTED BY THE COMMISSION, A**
7 **PERSON MAY NOT USE, HANDLE, TAMPER WITH, OBSTRUCT, INTERFERE WITH,**
8 **DEFACE, OR DESTROY ANY PROPERTY OWNED OR USED BY THE COMMISSION IN**
9 **THE CONSTRUCTION OR OPERATION OF THE COMMISSION'S SYSTEMS.**

10 REVISOR'S NOTE: This section is new language derived without substantive
11 change from former Art. 29, § 18-101.

12 The former reference to "rules" is deleted as unnecessary in light of the
13 use of the word "regulations". *See* General Revisor's Note to division.

14 The former reference to property "including pipes, fittings, fireplugs,
15 pumps, engines, appliances, wires, or other fixtures or equipment" is
16 deleted as unnecessary in light of the comprehensive reference to
17 "property".

18 Defined terms: "Commission" § 16-101
19 "Person" § 16-101

20 **29-106. LEAVING DEAD ANIMALS OR FECAL MATTER UNBURIED.**

21 **(A) PROHIBITED.**

27 **UNBURIED MORE THAN 24 HOURS AND CHARGE THE COST OF THE BURIAL TO**
28 **THE OWNER OR THE PERSON ON WHOSE PROPERTY THE DEAD ANIMAL OR**
29 **FECAL MATTER WAS FOUND.**

30 REVISOR'S NOTE: This section is new language derived without substantive
31 change from former Art. 29, § 18-102.

1 In subsection (b) of this section, the references to a “dead” animal are
2 added for clarity.

3 Also in subsection (b) of this section, the reference to an animal or fecal
4 matter “left unburied more than 24 hours” is substituted for the former
5 ambiguous phrase “[a]fter 24 hours” for clarity.

6 Defined terms: “Commission” § 16–101

27 **REVISOR'S NOTE:** This section is new language derived without substantive
28 change from former Art. 29, § 18-104(a)(1) and (2), (4) through (6), and
29 (8) through (11), (b), (d), (d-1), (e), and (h).

30 In subsection (a)(1) and (8) of this section, the former references to
31 “rule[s]” are deleted as unnecessary in light of the use of the word
32 “regulation[s]”. See General Revisor’s Note to division.

1 In subsection (b) of this section, the reference to the provisions of Title 20,
2 Subtitle 2 “as they relate to the minority business enterprise utilization

4 Defined terms: “Commission” § 16–101
5 “Person” § 16–101

6 GENERAL REVISOR’S NOTE TO DIVISION

7 The Department of Legislative Services is charged with revising the law in a
8 clear, concise, and organized manner, without changing the effect of the law. One
9 precept of revision has been that, once something is said, it should be said in the same
10 way every time. To that end, the Washington Suburban Sanitary Commission Law
11 Review Committee conformed the language and organization of this division to that of
12 previously enacted revised articles to the extent possible.

13 It is the manifest intent both of the General Assembly and the Washington
14 Suburban Sanitary Commission Law Review Committee that this bulk revision of the
15 substantive Washington Suburban Sanitary Commission law of the State render no
16 substantive change. The guiding principle of the preparation of this division is that
17 stated in *Welch v. Humphrey*, 200 Md. 410, 417 (1952):

18 The principal function of a Code is to reorganize the statutes and state
19 them in simpler form. Consequently, any changes made in them by a
20 Code are presumed to be for the purpose of clarity rather than change of
21 meaning. Therefore, even a change in the phraseology of a statute by a
22 codification thereof will not ordinarily modify the law, unless the change
23 is so radical and material that the intention of the Legislature to modify
24 the law appears unmistakably from the language of the Code. (citations
25 omitted)

26 Accordingly, except to the extent that changes, which are noted in Revisor’s
27 Notes, clarify the former law, the enactment of this division in no way is intended to
28 make any change to the substantive law of Maryland. This intent is further stated in
29 uncodified language included in the enactment of this division. *See* § XX of
30 Ch. ___, Acts of 2010.

31 Throughout this division, as in other revised articles, the word “regulations”
32 generally is substituted for former references to “rules and regulations” to distinguish,
33 to the extent possible, between regulations of executive units and rules of judicial or
34 legislative units and to establish consistency in the use of the words. This substitution
35 conforms to the practice of the Division of State Documents.

36 Also throughout this division, for consistency and to avoid unnecessary
37 confusion, the singular verb “adopt” is used in relation to rules or regulations, and
38 verbs such as “prescribe” and “promulgate” are deleted.

1 In some provisions of this division, as in other revised articles, the term “unit” is
2 substituted for former references to State and county entities such as an “agency”,
3 “authority”, “board”, and “commission”. In revised articles of the Code, the term “unit”
4 is used as the general term for an organization in the State and county government
5 because it is broad enough to include all such entities.

6 The Washington Suburban Sanitary Commission Law Review Committee
7 considered certain provisions contained in former Article 29 to be more suitable for
8 revision in other articles.

9 The provisions relating to stormwater management in Montgomery County and
10 Prince George’s County are revised in Article 24 of the Code as a new title, Title 24.
11 The provisions revised there include former Article 29, Title 3, Subtitle 2 and §§
12 4–111A, 4–112, 6–106, and 18–104(a)(3) and (c).

13 Also former Art. 29, §§ 13–101 and 13–102, which provide for flood control and
14 navigation in the valleys of the Anacostia River and its tributaries in Prince George’s
15 County and the use of certain lands acquired for flood control and navigation projects
16 by the Maryland–National Capital Park and Planning Commission are transferred to
17 Art. 28, §§ 9–101 and 9–102, respectively.

18 In some instances, the staff of the Department of Legislative Services may
19 create “Special Revisor’s Notes” to reflect the substantive effect of legislation enacted
20 during the 2010 Session on some provisions of this division.

12 In subsections (a)(2) and (b)(1)(ii) and (iii) of this section, the former
13 references to including “without limitation” are deleted in light of Art. 1,
14 § 30, which states that “[t]he words ‘includes’ or ‘including’ mean, unless
15 the context requires otherwise, includes or including by way of
16 illustration and not by way of limitation”.

26 In subsection (b)(2)(i) of this section, the former reference to systems
27 “including systems located within that portion of the City of Takoma
28 Park located in Montgomery County” is deleted as obsolete because all of
29 the City of Takoma Park is now located in Montgomery County.

30 The Washington Suburban Sanitary Commission Law Review Committee
31 notes, for consideration by the General Assembly, that the reason that
32 former Art. 29, § 3–203(a)(1), revised in this section, is retained in this
33 revision even though the City of Takoma Park is now wholly located
34 within Montgomery County is that there are still outstanding bonds
35 issued under this section. The General Assembly may wish to repeal this
36 section once there are no further outstanding bonds.

7 subsection (a) of this section specifies that certain property determined by
8 the Commission and the applicable county to be primarily used for
9 stormwater management is deemed transferred to be effective July 1,
10 1987, the transfer of certain property used for stormwater management

30 substantive change from former Art. 29, § 18–104(a)(7), as it relates to
31 criminal penalties for a violation of a certain provision relating to flood
32 control and navigation bonds.

1 Provisions authorizing the issuance of negotiable notes in former Art. 29,

26 transferred by this Act remains valid after the effective date of this Act and may be
27 terminated, completed, consummated, or enforced as required or allowed by any
28 statute amended, repealed, or transferred by this Act as though the repeal,

2 is considered for all purposes to be licensed, registered, certified, or issued a permit or
3 certificate by the appropriate unit continued under this Act for the duration of the
4 term for which the license, registration, certification, or permit was issued, and may
5 renew that authorization in accordance with the appropriate renewal provisions of this
6 Act.

7 SECTION 14. AND BE IT FURTHER ENACTED, That this Act does not
8 rescind, supersede, change, or modify any rule adopted by the Court of Appeals that is

11 SECTION 15. AND BE IT FURTHER ENACTED, That the publisher of the

21 effect, § 25-403(b) of the Public Utility Companies Article as enacted by Section 3 of
22 this Act shall be abrogated and of no further force and effect. This Act may not be
23 interpreted to have any effect on that termination provision.
