SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF 36 37 MARYLAND, That the Laws of Maryland read as follows:

Article - Estates and Trusts

[Subtitle 6. Powers of Attorney.]

40 [13–601.

- (a) In this section, "durable power of attorney" means a power of attorney by which a principal designates another as an attorney in fact or agent and the authority is exercisable notwithstanding the principal's subsequent disability or incapacity.
- (b) Except as provided in subsection (e) of this section, when a principal designates another as an attorney in fact or agent by a power of attorney in writing, it is a durable power of attorney unless otherwise provided by its terms.
- (c) Any act done by the attorney in fact or agent pursuant to the power during any period of disability or incompetence or uncertainty as to whether the principal is dead or alive has the same effect and inures to the benefit of and binds the principal as if the principal were alive, competent, and not disabled.
- 11 (d) If a guardian is appointed for the principal, the attorney in fact or agent 12 shall account to the guardian rather than the principal. The guardian has the same 13 power the principal would have but for his disability or incompetence to revoke, 14 suspend, or terminate all or any part of the power of attorney or agency.
- 15 (e) (1) This section does not apply to an instrument or portion of an instrument that is an advance directive appointing a health care agent under Title 5, Subtitle 6 of the Health General Article.
- 18 (2) An instrument or portion of an instrument that is an advance 19 directive appointing a health care agent is subject to the provisions of Title 5, Subtitle 20 6 of the Health – General Article.]
- **[**13–602.

- (a) The death, disability, or incompetence of a principal who has executed a power of attorney in writing does not revoke or terminate the agency as to the attorney in fact, agent, or other person who, without actual knowledge of the death, disability, or incompetence of the principal, acts in good faith under the power of attorney or agency. Unless otherwise invalid or unenforceable, any action taken binds the principal and his heirs, legatees, and personal representatives.
- (b) In the absence of fraud, an affidavit executed by the attorney in fact or agent and stating that he did not have, at the time of doing an act pursuant to the power of attorney, actual knowledge of the revocation or termination of the power of attorney by death, disability, or incompetence, is conclusive proof of the nonrevocation or nontermination of the power at that time. If the exercise of the power requires execution and delivery of any instrument which is recordable, the affidavit when authenticated for record is likewise recordable.
- 35 (c) This section may not be construed to alter or affect any provision for 36 revocation or termination contained in the power of attorney.]

1 2 3 4	If any member of the armed services of the United States has executed a power of attorney, the fact that the person has been reported or listed, officially or otherwise, as "missing in action", as that phrase is used in military parlance, may not operate to revoke the power of attorney, unless the instrument otherwise provides.]
