New GSF		D 1.C			5,130		
27. Year of Construction of Any Structures Proposed for Renovation, Restoration or Conversion							

28. Comments: (Limit Length to Visible area)
Deafnet has been in business since 1987. We purchased our present building, remodeled it and moved in it in 2002 with three employees. We are now outgrowing the building and need to add an addition. We want to continue to offer additional services to the deaf & hard of hearing community
but we need more space.
Thank you for your consideration.
