Fiscal Summary

State Effect: Commemorating Fire, Rescue, and Emergency Services Day will not affect State finances.

Local Effect: None.

Small Business Effect: None.

Analysis

Current Law: Seven official commemorative days and two months are recognized in State law as shown in **Exhibit 1**. The Governor also must issue a proclamation each year encouraging citizens and other individuals to observe a moment of silence at 3 p.m. on

Memorial Day to unite in remembrance and commemorate the heroic acts and efforts of Marylanders who have served and died in the U.S. armed forces.

Background: In 1997, the Maryland Fire-Rescue Services Memorial Foundation began planning for a memorial to honor the States' more than 340 firefighters and emergency medical services workers who died in the line of duty. A total of \$475,000 in State grants was provided for the memorial through the Maryland Consolidated Capitol Bond Loans (M.C.C.B.L.) of 2004, 2005, and 2008. After years of planning, design, and construction, the memorial was dedicated on June 11, 2006. Each year since, a memorial service has been held at the memorial in early June. The next memorial service is scheduled for June 6, 2010.
