**Criminal Law - Prohibitions on Wearing, Carrying, or Transporting Firearms -  
Exceptions**

---

This bill establishes an exception to the prohibition against wearing, carrying, or transporting a handgun or other firearm by a person who is carrying a court order to surrender the weapon if the firearm is unloaded, the person has notified a law enforcement unit that the person is transporting the firearm to the unit in accordance with the court order, and the person is transporting the firearm directly to the unit. The bill prohibits a local government from prohibiting a person from transporting a firearm, ammunition, or firearm component if the person is carrying such a court order when the firearm is unloaded, the person has notified a law enforcement unit that the person is transporting the firearm to the unit in accordance with the court order, and the person is transporting the firearm directly to the unit.

The bill establishes that, notwithstanding any other law, a respondent against whom a protective order has been issued and who is carrying a court order to surrender a firearm may transport a firearm if the firearm is unloaded, the person has notified a law enforcement unit that the person is transporting the firearm to the unit in accordance with the court order, and the person is transporting the firearm directly to the unit.

## **Analysis**

**Current Law:** Title 5 of the Public Safety Article regulates firearms and handguns in the State. A regulated firearm is any handgun or any of the 45 assault weapons (or copies) identified in that article. Among other restrictions, a person may not possess a regulated firearm in the State if the person was convicted of a crime of violence or a violation of specified controlled dangerous substances offenses. A violator is guilty of a felony and subject to a nonsuspendable, nonparolable mandatory minimum sentence of five years. Each violation of this prohibition is a separate offense. Under a separate prohibition relating to knowing participation of a violation of this title, a violator is subject to maximum penalties of five years imprisonment and/or a fine of \$10,000. Each violation of this prohibition is also a separate offense.

Title 4 of the Criminal Law Article contains provisions relating to the use or possession of a firearm, including prohibitions pertaining to wearing, carrying, or transporting a handgun; the use of a handgun or antique firearm in the commission of a crime; possession of a firearm at a public demonstration; assault pistols; and machine guns.

The State preempts the right of a county, municipal corporation, or special taxing district to regulate the purchase, sale, taxation, transfer, manufacture, repair, ownership, possession, and transportation of a handgun, rifle, or shotgun, and ammunition for and components of a handgun, rifle, or shotgun.

When issuing a temporary or final protective order, the court may order the respondent to surrender to law enforcement authorities any firearm in the respondent's possession for the duration of the protective order.
