11. Description and Purpose of Project (Limit Length to Visi	ible area)				
The NLC is requesting \$250,000 for the renovation of its Academic Services building, one of its primary facilities used for teaching, academic administration and student services. This facility houses classrooms as well as the faculty, Provost, Registrar and student services offices. The Academic Services building is over 70 years old and is in serious disrepair. Critical needs include new windows and doors, a new chiller, new fan coil units and insulation in the attic.					
Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimbources) must match. The proposed funding sources must not include to value is shown under Estimated Capital Costs.
