Suit for any deficiency following foreclosure may be maintained in the same proceeding, and suit to recover any money judgment for unpaid assessments may also be maintained in the same proceeding, without waiving the right to seek to impose a lien under the Maryland Contract Lien Act.
- (e) (1) Any assessment, or installment thereof, not paid when due shall bear interest, at the option of the council of unit owners, from the date when due until paid at the rate provided in the bylaws, not exceeding 18 percent per annum, and if no rate is provided, then at 18 percent per annum.
  - (2) The bylaws also may provide for a late charge of \$15 or one tenth of the total amount of any delinquent assessment or installment, whichever is greater, provided the charge may not be imposed more than once for the same delinquent payment and may only be imposed if the delinquency has continued for at least 15 calendar days.
  - (3) If the declaration or bylaws provide for an annual assessment payable in regular installments, the declaration or bylaws may further provide that if a unit owner fails to pay an installment when due, the council of unit owners may demand payment of the remaining annual assessment coming due within that fiscal year. A demand by the council is not enforceable unless the council, within 15 days of a unit owner's failure to pay an installment, notifies the unit owner that if the unit owner fails to pay the monthly installment within 15 days of the notice, full payment of the remaining annual assessment will then be due and shall constitute a lien on the unit as provided in this section.
