10. Description and Purpose of Grantee Organization (Limit Length to Visible area)				
<p>Dayspring Programs, Inc. was incorporated as a 501(c)(3) organization in 1997 to provide a continuum of housing and support services to strengthen sustained self-sufficiency of homeless families who must surmount the barrier of substance abuse. Through housing, substance abuse treatment, case management, and Head Start programs, Dayspring assists parents to nurture and create a stable and supportive environment for their children. Goals of the Dayspring model are to treat the entire family, recognizing that children are affected and need concentrated support and services, and to sustain a continuum of services long enough for the family to regain and maintain stability. Every year, three to ten families move from Dayspring into permanent housing-able to pay their own rent, home ownership, or other subsidized housing. This project is an opportunity to enhance the stability and long-term well being of Dayspring through 1) providing a permanent home that will save substantial rental cost, 2) expansion of treatment services, 3) increased housing for families, 4) consolidation of 4 Head Start classrooms.</p>				

**11. Description and Purpose of Project** (Limit Length to Visible area)

Dayspring Square will be located at 1125 N. Patterson Park Avenue, current site of a historic schoolhouse. The property adjoins the Collington Square neighborhood near Madison East. Redevelopment of this site will help revitalize and stabilize the surrounding community. The project will make it possible for Dayspring to expand and improve the level of services to families who are homeless and in recovery from substance abuse. The project will renovate the historic schoolhouse (3 story plus basement, 20,000sf) to house 8 units of housing, Dayspring offices, 4 state-of-the-art Head Start classrooms, and meeting rooms. A newly constructed 24, 000sf building will provide 14 housing apartments, some offices and meeting rooms. The project will provide new employment opportunities in construction, maintenance, and operation of the buildings. Twenty- two families will be housed and 68 Head Start families will be served. Thirty-seven staff will be located at the facility.
