| 10. Description and Purpose of Grantee Organization (Limit Length to Visible area) | | | | |
| <p>The East Village Homes Corporation is a private non-profit property owners' association, whose membership includes 1,389 households in the Montgomery Village area. The purpose of the organization is to provide quasi-governmental service by owning and maintaining community property, including streets, paths, sidewalks, playgrounds, wooded areas, street lighting, storm water management facilities, etc. for the benefit of residents and the general public. All facilities are open to the public.</p> | | | | |

11. Description and Purpose of Project (Limit Length to Visible area)

The Glenbrooke storm water management pond is located in a very high density, moderate- to low-income neighborhood within the East Village Homes Corporation. The pond has been determined by several experts to be a poor design, in retrospect, for such a high density community - for example, the pond has very steep slopes (nearly 1:1), and when weather conditions caused the pond levels to rise the steep slopes were in danger of becoming saturated and slipping. Because the pond is surrounded on all sides by streets, this could have jeopardized the integrity of the surrounding streets. Further, because of the pond's proximity to a major county road, its lack of visibility, and other conditions, the pond has become subject to dumping, but the steep slopes create problems cleaning it out. Overall, it has been recommended that a shallower design would be more appropriate for the community, would enhance the health and safety of the area by improving conditions for cleaning, and would be more responsive to the environmental goals of the pond. The community is seeking funds to pay for the redesign and regrading of the pond.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.
