Vesta, Inc. is a 501(c)(3) comprehensive behavioral health care organization with seven locations throughout Maryland. Three are in Prince George's County. Since 1982, Vesta has provided									

throughout Maryland. Three are in Prince George's County. Since 1982, Vesta has provided quality services for persons diagnosed with severe and persistent mental illness. It offers comprehensive, flexible, and ongoing services for adults, children, and adolescents with a wide range of psychological difficulties. Services include: individual, family, and group therapy; medication management; day rehabilitation; residential rehabilitation; substance abuse counseling; and supported housing.

Vesta prides themselves on its outcomes. In FY 2010, 8.5% of clients graduated to a less restrictive environment and clients had less than a 22% unduplicated re-hospitalization rate. Client satisfaction is at the 95th percentile. Vesta has consistently maintained substantial regulatory compliance. Vesta's mission is rooted in its individualized philosophy for 29 years. They seek to empower people to achieve self-determination and to enhance their lives in the community.

## 11. Description and Purpose of Project (Limit Length to Visible area)

The new office facility will allow Vesta to develop current and additional programs and services for those in crisis including legal counseling, employment referrals, employee training, etc. The renovation project will meet Americans with Disabilities Act (ADA) standards to include front entry and bathrooms renovations. The facility will meet "Green" standards designed to maximize energy efficiency and reduce future operating cost. The Vesta renovation project requires substantial renovations to insure the continued safety and accessibility of their clients - sprinkler systems, upgrade alarm system to maintain a safe and accessible environment. The new facility will be equipped to offer a range of services and space to accommodate an adult and adolescent day care center, community meeting room and clinical services center.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.

## **28.** Comments: (Limit Length to Visible area)

Vesta's innovative model integrates psychiatric and medical treatment for a vulnerable population, resulting in better mental and physical health outcomes, quality of life, increased life spans, and reduced Medicaid costs. The new larger facility will house Vesta personnel offices along with Adult and Children Day Programs to expand the needs of their clients in a more efficient and timely matter.
