Analysis

Current Law: The Baltimore County Board of Education consists of 12 members, of whom 4 members are appointed from the county at large, 7 members are appointed from each of the seven legislative districts in the county, and 1 is a student member. Members serve five-year terms, except the student member who serves a one-year term.

Background: The Baltimore County Board of Education is one of five appointed school boards in the State, including one (Caroline County) that is in the process of transitioning to a hybrid board of appointed and elected members. Harford County has such a hybrid board. Eighteen local boards are elected by county voters. The selection method and number of school board members for each of the 24 local boards are shown in **Exhibit 1**.
