7 subsection (f) of this section. Each district shall be substantially equal in population,
8 and the districts shall be reapportioned on the basis of each decennial census of the
9 United States. [Reapportioned districts shall become effective for the term of office
10 commencing after the first regular primary election held at least 15 months after the
11 official report on population is received by the State from the Bureau of the Census.]

12 (b) The Montgomery County Board consists of:

13 (1) 5 elected members, each of whom resides in a different board of
14 education district;

26 Student Councils. This agreement shall include a process by which to replace one or

21 December 1 after the member's election and until a successor is elected and qualifies.
22 The terms of elected members are staggered as required by the terms of the members
23 serving on the county board as of July 1, 1978 so that 4 members are elected in
24 gubernatorial election years and 3 members are elected in presidential election years.

25 (2) Elected members of the county board shall be elected by the voters
