EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW.

[Brackets] indicate matter deleted from existing law.

1 (d) (1) Payment of assessments, together with interest, late charges, if  
2 any, costs of collection and reasonable attorney's fees may be enforced by the  
3 imposition of a lien on a unit in accordance with the provisions of the Maryland  
4 Contract Lien Act.

5 (2) Suit for any deficiency following foreclosure may be maintained in  
6 the same proceeding, and suit to recover any money judgment for unpaid assessments  
7 may also be maintained in the same proceeding, without waiving the right to seek to  
8 impose a lien under the Maryland Contract Lien Act.

9 (e) (1) Any assessment, or installment thereof, not paid when due shall  
10 bear interest, at the option of the council of unit owners, from the date when due until

12 rate is provided, then at 18 percent per annum.

13 (2) The bylaws also may provide for a late charge of \$15 or one tenth  
14 of the total amount of any delinquent assessment or installment, whichever is greater,  
15 provided the charge may not be imposed more than once for the same delinquent  
16 payment and may only be imposed if the delinquency has continued for at least 15  
17 calendar days.

18 (3) If the declaration or bylaws provide for an annual assessment  
19 payable in regular installments, the declaration or bylaws may further provide that if  
20 a unit owner fails to pay an installment when due, the council of unit owners may  
21 demand payment of the remaining annual assessment coming due within that fiscal  
22 year. A demand by the council is not enforceable unless the council, within 15 days of a  
23 unit owner's failure to pay an installment, notifies the unit owner that if the unit  
24 owner fails to pay the monthly installment within 15 days of the notice, full payment
