The restrictions regarding distance do not apply to the following licenses: (1) except in the 46th legislative district, Class B beer and wine and Class B beer, wine,

and liquor; (2) Class C beer and wine; and (3) Class C beer, wine, and liquor. Also, except in the 46th Legislative District, the governing body of a church may in writing waive the restrictions for any other license with respect to cafes or restaurants that are located within 250 feet of a theater with 300 or more seats that is operated by a nonprofit theater association.
