Analysis

Current Law: In Baltimore City, a BWLT license is authorized as an on-premises license in (1) Ward 27, precincts 42 and 44 of the 41st Legislative District; (2) Ward 27, precinct 41 of the 43rd Legislative District; and (3) Ward 11, precinct 5 of the 44th Legislative District. The board of liquor license commissioners may issue such a tasting license to a holder of a Class A beer, wine, and liquor license.

The fees for a Class BWLT license are as follows:

- \$20 for a daily tasting license, which may be issued not more than 12 times in any annual license year;
- \$200 annually for a 26-day tasting license, which may be used consecutively or nonconsecutively; and
- \$300 annually for a 52-day tasting license, which may be used consecutively or nonconsecutively.

The fees for a Class BWLT license are in addition to the Class A annual license fee. A Class BWLT license authorizes the holder to allow the on-premises consumption of beer, light wine, and liquor for tasting or sampling.

A person may consume beer, light wine, or liquor covered by a Class BWLT license in a quantity not exceeding (1) one ounce of light wine from a given brand in a single day; (2) three ounces of beer from a given brand in a single day; and (3) one-half ounce of liquor from a given brand in a single day.

At the end of each day for which a Class BWLT license is valid, the holder of the license must dispose of any unconsumed alcoholic beverage remaining in a container that was opened for tasting or sampling. Each Class A license holder that seeks issuance of a Class BWLT license for which the holder is eligible must apply for the license on forms provided by the board.

The holder of a Class BWLT license may exercise the tasting privileges during the hours and days provided for under the holder's respective Class A license.
