The bill takes effect June 1, 2015.

Analysis

Current Law: Twelve counties, including Carroll County, have a local board of elections made up of three regular members and two substitute members. Two regular members and one substitute member must be of the majority party and one regular member and one substitute member must be of the principal minority party. The board of

elections in Montgomery County consists of five regular members and two substitute members, and the board in Prince George's County consists of five regular members and three substitute members. Effective June 6, 2011, the boards of elections in 10 counties switched from consisting of three regular members and two substitute members to consisting of five regular members, pursuant to various laws enacted in 2010 and 2011.

Members are generally nominated by the majority and principal minority party county central committees and appointed by the Governor, subject to legislative confirmation. If a member of a local board dies, resigns, is removed, or becomes ineligible, the substitute member belonging to the same political party becomes a regular member of the local board and a new substitute member is appointed, or in the case of boards with only regular members, a new regular member is appointed. The term of a member is four years and begins on the first Monday in June of each year following a gubernatorial election.

Local Fiscal Effect: Carroll County expenditures increase minimally in fiscal 2015 (due to the bill's June 1, 2015 effective date) and by \$3,600 each year, beginning in fiscal 2016, accounting for increased salaries paid to the two additional regular members in comparison to the salaries of the current substitute members. Currently, in Carroll County the salaries of the regular members and substitute members are \$3,000 and \$1,200, respectively.
