9. Contact Name and Title		Contact Phone		Email Address	
Donald Bell		301-773-2103		DBell@cityofglenarden.org	
10. Description and Purpose of Grantee Organization (Limit Length to Visible area)					
<p>The Grantee is a municipal government and is responsible for public safety and police functions within the City of Glenarden. Grantee is also responsible for management and administration of all city functions including the operation and management of the public works functions. The new Glenarden Police Department Headquarters and Facility will be in addition to providing a state of the art police facility, will when phase two is completed provide an efficient and environmentally friendly facility for community public hearings and training and will enable the City to more effectively communicate with residents and hold public forum meetings. The City will be more effective in meeting safety and security requirements in the transport of prisoners to and from the police facility and to County Corrections. Included in the design is an available parking lot that will enable the City to extend the use of the parking facility as part of good management procedures for overflow municipal parking for public at the Glenarden Gold Room and the American Legion Post 275 events.</p>					

11. Description and Purpose of Project (Limit Length to Visible area)

The first phase of this project is to study and produce a feasibility and site selection plan that can assist in a final marketing plan that can help raise the additional bonding and private capital to construct and create the perimeter of the entire building which when complete will consist of 20,000 square feet for the building of the Glenarden Police Department. All of the existing bathrooms and support equipment in the building will be located in the space for the Police Department and for security reasons are not accessible to the space designated for the Community Meeting Facility that is located on the 2nd floor of the building. Therefore Phase 2 of this project includes construction of new bathrooms, a commercial kitchen, new HVAC, a lift in the lobby to make the space ADA accessible, including lights, flooring, and construction. Included in Phase I of this building will be the design for the use of the Community Meeting Facility, however it will not be possible until completion of this project. There are a few police facility requirements that will be deferred to Phase 3 due to funding constraints such as an audio/paging system, a secure ingress/ egress entry system sally port for prisoners and parking lot repairs.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.

12. Estimated Capital Costs

Acquisition	
Design	\$50,000
Construction	
Equipment	
Total	\$50,000

13. Proposed Funding Sources – (List all funding sources and amounts.)

Source	Amount
Bond Bill 2013	\$50,000
Total	\$50,000

14. Project Schedule (Enter a date or one of the following in each box. N/A, TBD or Complete)			
Begin Design	Complete Design	Begin Construction	Complete Construction
June, 2013	October, 2013		
15. Total Private Funds and Pledges Raised		16. Current Number of People Served Annually at Project Site	17. Number of People to be Served Annually After the Project is Complete
None			All residents - 8,000

Name of Leaser	Length of Lease	Options to Renew	
N/A			
26. Building Square Footage:			
Current Space GSF	-0-		
Space to Be Renovated GSF	-0-		
New GSF	-0-		
27. Year of Construction of Any Structures Proposed for Renovation, Restoration or Conversion			None

28. Comments: (Limit Length to Visible area)

This Bond Bill request for a study and marketing plan for a new police station and community facility is important to move the project from the idea stage through the planning and acquisition of design assistance. The City over the course of the past three years has presented to the citizens of Glenarden the need and justification for the new station and it has been decided and approved by the Mayor, City Council, and the majority of the residents that Glenarden should design and construct a new police station.
