11. Description and Purpose of Project (Limit Length to Visible area)

The Tome Gas House will serve as a visitor and Northern Map Turtle Educational Center. The grounds surrounding the structure will become a protected nesting ground for the turtles. The Northern Map Turtle is a Maryland Endangered Species. With the money requested in this bond bill (Phase1) architectural/engineering will be completed for the gas house and nesting grounds. Turtle ramps will allow for ease of access and relocation for certain amenities of nesting activities

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.
