1           (3) “Board of Education District” means a geographic area of  
2 Montgomery County in which an elected member of the Montgomery County Board of  
3 Education must be a legal resident. The geographic area of each district is described in  
4 subsection (f) of this section. Each district shall be substantially equal in population,  
5 and the districts shall be reapportioned on the basis of each decennial census of the  
6 United States.

7           (b) The Montgomery County Board consists of:

8           (1) 5 elected members, each of whom resides in a different board of  
9 education district;

10           (2) 2 elected members who may reside anywhere in the county; and

11           (3) 1 student member.

12           (c) An elected member of the county board shall be a registered voter of  
13 Montgomery County.

14           (d) Members of the Montgomery County Board shall be elected at the general  
15 election every 2 years as required by subsection (f) of this section.

16           (e) (1) The student member shall be a bona fide resident of Montgomery  
17 County and a regularly enrolled junior or senior year student from a Montgomery

20 county board and the Montgomery County region of the Maryland Association of  
21 Student Councils. This agreement shall include a process by which to replace one or  
22 both of the final candidates if they are unable to proceed in the election. Any student  
23 enrolled in a middle or high school in the Montgomery County public schools may:

24           (i) Nominate a student member candidate;

25           (ii) Vote for delegates from the student’s school, who in turn

5 county board, the student member may not attend an executive session that relates to:

6                   (i) Hearings held under § 6-202(a) of this article; or

17           (f) (1) Each elected member serves for a term of 4 years beginning on

19 The terms of elected members are staggered as required by the terms of the members
