3 SECTION 2. AND BE IT FURTHER ENACTED, That the County is hereby
4 authorized to finance any part or all of the costs of the public facilities described in
5 Section 1 of this Act, and to borrow money and incur indebtedness for that purpose, at
6 one time or from time to time, in an amount not exceeding, in the aggregate,
7 \$33,810,000 and to evidence such borrowing by the issuance and sale upon its full
8 faith and credit of general obligation bonds in like par amount, which may be issued at
9 one time or from time to time, in one or more groups or series, as the County may
10 determine.

11 SECTION 3. AND BE IT FURTHER ENACTED, That the bonds shall be issued
12 in accordance with a resolution of the County, which shall describe generally the
13 construction, improvement, or development of public facilities for which the proceeds
14 of the bond sale are intended and the amount needed for those purposes. The County
15 shall have and is hereby granted full and complete authority and discretion in the
16 resolution to fix and determine with respect to the bonds of any issue: the designation,
17 date of issue, denomination or denominations, form or forms, and tenor of the bonds
18 which, without limitation, may be issued in registered form within the meaning of
19 Section 30 of Article 31 of the Annotated Code of Maryland, as amended; the rate or
20 rates of interest payable thereon, or the method of determining the same, which may
21 include a variable rate; the date or dates and amount or amounts of maturity, which
22 need not be in equal par amounts or in consecutive annual installments, provided only
23 that no bond of any issue shall mature later than 30 years from the date of its issue;
24 the manner of selling the bonds, which may be at either public or private sale, for such
25 price or prices as may be determined to be for the best interests of Calvert County; the
26 manner of executing and sealing the bonds, which may be by facsimile; the terms and

30 principal of and the interest on the bonds, which may be at any bank or trust company
31 within or without the State of Maryland; covenants relating to compliance with
32 applicable requirements of federal income tax law, including (without limitation)
33 covenants regarding the payment of rebate or penalties in lieu of rebate; covenants
34 relating to compliance with applicable requirements of federal or state securities laws;
35 and generally all matters incident to the terms, conditions, issuance, sale, and delivery
36 thereof.

37 The bonds may be made redeemable before maturity, at the option of the
38 County, at such price or prices and under such terms and conditions as may be fixed
39 by the County prior to the issuance of the bonds, either in the resolution or in a bond
40 order pursuant to the bond resolution. The bonds may be issued in registered form and
41 provision may be made for the registration of the principal only. In case any officer
42 whose signature appears on any bond ceases to be such officer before the delivery
43 thereof, such signature shall nevertheless be valid and sufficient for all purposes as if
44 he had remained in office until such delivery. The bonds and the issuance and sale

1 thereof shall be exempt from the provisions of Sections 9, 10, and 11 of Article 31 of
2 the Annotated Code of Maryland, as amended.

3 The County may enter into agreements with agents, banks, fiduciaries,
4 insurers, or others for the purpose of enhancing the marketability of any security for
5 the bonds and for the purpose of securing any tender option that may be granted to
6 holders of the bonds, all as may be determined and presented in the aforesaid
7 resolution, which may (but need not) state as security for the performance by the
8 County of any monetary obligations under such agreements the same security given by
9 the County to bondholders for the performance by the County of its monetary
10 obligations under the bonds.

11 If the County determines in the resolution to offer any of the bonds by
12 solicitation of competitive bids at public sale, the resolution shall fix the terms and
13 conditions of the public sale and shall adopt a form of notice of sale, which shall
14 outline the terms and conditions, and a form of advertisement, which shall be
15 published in one or more daily or weekly newspapers having a general circulation in
16 the County and which may also be published in one or more journals having a
17 circulation primarily among banks and investment bankers. At least one publication of
18 the advertisement shall be made not less than 10 days before the sale of the bonds.

19 Upon delivery of any bonds to the purchaser or purchasers, payment therefor
20 shall be made to the Treasurer of Calvert County or such other official of Calvert
21 County as may be designated to receive such payment in a resolution passed by the
22 County before such delivery.

23 SECTION 4. AND BE IT FURTHER ENACTED, That the net proceeds of the
24 sale of bonds shall be used and applied exclusively and solely for the acquisition,
25 construction, improvement, or development of public facilities for which the bonds are
26 sold. If the amounts borrowed shall prove inadequate to finance the projects described
27 in the resolution, the County may issue additional bonds with the limitations hereof
28 for the purpose of evidencing the borrowing of additional funds for such financing,
29 provided the resolution authorizing the sale of additional bonds shall so recite, but if
30 the net proceeds of the sale of any issue of bonds exceed the amount needed to finance
31 the projects described in the resolution, the excess funds so borrowed and not
32 expended shall be applied to the payment of the next principal maturity of the bonds
33 or to the redemption of any part of the bonds which have been made redeemable or to
34 the purchase and cancellation of bonds, unless the County shall adopt a resolution
35 allocating the excess funds to the acquisition, construction, improvement, or
36 development of other public facilities, as defined and within the limits set forth in this
37 Act.

38 SECTION 5. AND BE IT FURTHER ENACTED, That the bonds hereby
39 authorized shall constitute, and they shall so recite, an irrevocable pledge of the full
40 faith and credit and unlimited taxing power of the County to the payment of the
41 maturing principal of and interest on the bonds as and when they become payable. In
42 each and every fiscal year that any of the bonds are outstanding, the County shall levy

1 or cause to be levied ad valorem taxes upon all the assessable property within the
2 corporate limits of the County in rate and amount sufficient to provide for or assure
3 the payment, when due, of the principal of and interest on all the bonds maturing in
4 each such fiscal year and, in the event the proceeds from the taxes so levied in any
5 such fiscal year shall prove inadequate for such payment, additional taxes shall be
6 levied in the succeeding fiscal year to make up any such deficiency. The County may
7 apply to the payment of the principal of and interest on any bonds issued hereunder
8 any funds received by it from the State of Maryland, the United States of America, any
9 agency or instrumentality thereof, or from any other source, if such funds are granted
10 for the purpose of assisting the County in financing the acquisition, construction,
11 improvement, or development of the public facilities defined in this Act and, to the
12 extent of any such funds received or receivable in any fiscal year, the taxes that are
13 required to be levied may be reduced accordingly.

14 SECTION 6. AND BE IT FURTHER ENACTED, That the County is further
15 authorized and empowered, at any time and from time to time, to issue its bonds in
16 the manner hereinabove described for the purpose of refunding, by payment at
17 maturity or upon purchase or redemption, any bonds issued hereunder. The validity of
18 any such refunding bonds shall in no way be dependent upon or related to the validity
19 or invalidity of the obligations so refunded. The powers herein granted with respect to
20 the issuance of bonds shall be applicable to the issuance of refunding bonds. Such
21 refunding bonds may be issued by the County in such an amount as shall be necessary
22 for the purpose of providing it with funds to pay any of its outstanding bonds issued
23 hereunder at maturity, for the purpose of providing it with funds to purchase in the
24 open market any of its outstanding bonds issued hereunder, prior to the maturity
25 thereof, or for the purpose of providing it with funds for the redemption prior to
26 maturity of any outstanding bonds issued hereunder which are, by their terms,
27 redeemable, for the purpose of providing it with funds to pay interest on any
28 outstanding bonds issued hereunder prior to their payment at maturity of purchase or
29 redemption in advance of maturity, or for the purpose of providing it with funds to pay
30 any redemption or purchase premium in connection with the refunding of any of its
31 outstanding bonds issued hereunder. The proceeds of the sale of any such refunding
32 bonds shall be segregated and set apart by the County as a separate trust fund to be
33 used solely for the purpose of paying the purchase or redemption prices of the bonds to
34 be refunded.

35 SECTION 7. AND BE IT FURTHER ENACTED, That the County may, prior to
36 the preparation of definitive bonds, issue interim certificates or temporary bonds,
37 exchangeable for definitive bonds when such bonds have been executed and are
38 available for such delivery, provided, however, that any such interim certificates or
39 temporary bonds shall be issued in all respects subject to the restrictions and
40 requirements set forth in this Act. The County may, by appropriate resolution, provide
41 for the replacement of any bonds issued hereunder which shall have become mutilated
42 or lost or destroyed upon such conditions and after receiving such indemnity as the
43 County may require.

1 SECTION 8. AND BE IT FURTHER ENACTED, That any and all obligations
2 issued pursuant to the authority of this Act, their transfer, the interest payable
3 thereon, and any income derived therefrom in the hands of the holders thereof from
4 time to time (including any profit made in the sale thereof) shall be and are hereby
5 declared to be at all times exempt from State, county, municipal, or other taxation of
6 every kind and nature whatsoever within the State of Maryland. Nothing in this Act
7 shall prevent the County from authorizing the issuance and sale of bonds the interest
8 on which is not excludable from gross income for federal income tax purposes.

9 SECTION 9. AND BE IT FURTHER ENACTED, That the authority to borrow
10 money and issue bonds conferred on the County by this Act shall be deemed to provide
11 an additional and alternative authority for borrowing money and shall be regarded as
12 supplemental and additional to powers conferred upon the County by other laws and
13 shall not be regarded as in derogation of any power now existing; and all Acts of the
14 General Assembly of Maryland heretofore passed authorizing the County to borrow
15 money are hereby continued to the extent that the powers contained in such Acts have
16 not been exercised, and nothing contained in this Act may be construed to impair, in
17 any way, the validity of any bonds that may have been issued by the County under the
18 authority of any said Acts, and the validity of the bonds is hereby ratified, confirmed,
19 and approved. This Act, being necessary for the welfare of the inhabitants of Calvert
20 County, shall be liberally construed to effect the purposes hereof. All Acts and parts of
21 Acts inconsistent with the provisions of this Act are hereby repealed to the extent of
22 such inconsistency.

23 SECTION 10. AND BE IT FURTHER ENACTED, That this Act shall take
24 effect June 1, 2013.
