AMENDMENT TO HOUSE BILL 100
(First Reading File Bill – Committee Reprint)

On page 226, after line 35, insert:

“SECTION 41A. AND BE IT FURTHER ENACTED, That notwithstanding any other provision of this Act, the fiscal 2014 budget shall be reduced by \$333,000,000 from general funds. The Governor is hereby authorized to allocate the reduction among agencies of the Executive Branch including higher education. This reduction may not apply to appropriations to the State Reserve Fund or federal fund appropriations.

Further provided that, contingent on enactment of a provision in Chapter (H.B. 102) of the Acts of the General Assembly of 2013 executing the transfer, the Governor may transfer \$333,000,000 in general funds to the Transportation Trust Fund to be allocated to Baltimore City, counties, and municipalities based on the highway user formula provided in §§ 8-404 and 8-405 of the Transportation Article. It is the intent of the General Assembly that the Governor provide funding in the fiscal 2015 and 2016 budgets, in equal amounts, to restore to the Transportation Trust Fund the remaining share of the local share of highway user revenues that were transferred from fiscal 2003 to fiscal 2012.”.
