

**SB0083/770318/1**

BY: Environment and Transportation Committee

AMENDMENTS TO SENATE BILL 83  
(Third Reading File Bill)

AMENDMENT NO. 1

On page 1, at the top of the page, insert “EMERGENCY BILL”; strike line 2 in its entirety and substitute “Environment – Vibrio Public Information Campaign”; strike beginning with “Department” in line 3 down through “regulations” in line 8 and substitute “Department of the Environment, after certain consultation, to develop and implement a certain public information campaign about the health risks associated with the Vibrio bacteria in the waters of the State; requiring the public information campaign to identify certain facts relevant to Vibrio and Vibrio infections, target certain geographical areas and time periods, provide certain warnings relevant to Vibrio and Vibrio infections, emphasize certain measures, implement certain processes related to informing and preparing the medical community in the State for Vibrio infections, and provide a link to a certain Web site where additional information about Vibrio infections is available; requiring the Department to develop and implement the public information campaign on or before a certain date; making this Act an emergency measure; and generally relating to the development and implementation of a public information campaign about the Vibrio bacteria”; and strike in their entirety lines 9 through 13, inclusive.

AMENDMENT NO. 2

On page 1, in line 15, strike “the Laws of Maryland read as follows”.

On pages 1 and 2, strike beginning with line 16 on page 1 through line 15 on page 2 and substitute:

“(a) The Department of the Environment, in consultation with the Department of Natural Resources, the Department of Health and Mental Hygiene, and other interested State, local, and private stakeholders, shall develop and implement an

(Over)

appropriate public information campaign about the health risks associated with the Vibrio bacteria in the waters of the State.

(b) The Vibrio public information campaign shall:

(1) identify that Vibrio is a naturally occurring bacteria that is a rare waterborne cause of illness nationwide;

(2) target the geographical areas and times of the year that the Vibrio bacteria is most active;

(3) warn of the dangers of contracting a Vibrio infection and that certain pre-existing health conditions may increase the risk posed by Vibrio;

(4) emphasize preventative measures, identify symptoms to facilitate early detection, and encourage individuals with symptoms to seek immediate medical attention;

(5) implement processes to ensure that the medical community in the State is properly notified of the risks and symptoms of a Vibrio infection and is properly prepared for the treatment of a Vibrio infection; and

(6) provide a link to the Web site of the Department of the Environment where additional information about Vibrio infections is available.

(c) The Department of the Environment shall develop and implement the Vibrio public information campaign required under this Act on or before June 15, 2015.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act is an emergency measure, is necessary for the immediate preservation of the public health or safety, has been passed by a ye and nay vote supported by three-fifths of all the members elected
