Senate Bill 180 (Senator Manno, *et al.*)
Education, Health, and Environmental Affairs

General Provisions - Commemorative Days - National Healthcare Decisions Day

This bill requires the Governor to annually proclaim April 16 as National Healthcare Decisions Day.

Fiscal Summary

State Effect: Commemorating National Healthcare Decisions Day does not affect State finances.

Local Effect: None.

Small Business Effect: None.

Analysis

Current Law: Twelve official commemorative days and six months are recognized in State law as shown in **Exhibit 1**. The Governor also must issue a proclamation each year encouraging citizens and other individuals to observe a moment of silence at 3 p.m. on Memorial Day to unite in remembrance and commemorate the heroic acts and efforts of Marylanders who have served and died in the U.S. Armed Forces.

Background: The eighth annual National Healthcare Decisions Day, as established by a nonprofit dedicated to the cause, will be commemorated on April 16, 2015. Healthcare Decisions Day is designed to raise public awareness of the need to plan ahead for healthcare decisions related to end of life care and medical decision making whenever patients are unable to speak for themselves and to encourage the specific use of Advance Directives to communicate these important healthcare decisions.
