Washington County - Liquor Tasting License

This bill authorizes the Washington County Board of License Commissioners to issue a special liquor tasting license (LTL) to a holder of a Class A (off-sale) beer, wine, and liquor license. The annual license fee is \$300 for 12 tastings and \$500 for 24 tastings. An LTL allows the licensee to provide liquor, for tasting or sampling purposes only, on the licensed premises. Servings are limited to no more than one-half ounce of any one liquor to any one customer and four samples per customer. A licensee may not charge for tasting or sampling and may not hold more than one liquor, beer, or wine tasting event on the same day. Further, a licensee may not open more than four bottles at any one time during a liquor tasting event. The contents of each bottle may not be mixed with any other bottle, and all bottles must be destroyed once empty. A licensee must notify the board in writing at least 10 days in advance of any scheduled tasting day. The board may adopt regulations.
