Background: Baltimore County advises that it generated \$989,821 in revenues from alcoholic beverage licenses and permits in fiscal 2014. The county had 765 active licenses in fiscal 2014 and currently reports 768 active licenses.

The bill repeals increases in license fees established by Chapter 302 of 2011 (Senate Bill 875), restoring fees to their previous levels.

Local Revenues: Local revenues decrease by \$340,500 annually beginning in fiscal 2016 as a result of the decrease in alcoholic beverage license fees. This estimate is based on

information provided by the county on the number of active licenses by type and assumes that the number of licenses by type remains constant.
