20 person to certain actions for participating or refusing to participate in good faith
21 compliance with this Act; providing that an individual's request for aid in dying or
22 an attending physician's prescription of medication in good faith compliance with
23 this Act does not constitute neglect or provide the sole basis for an appointment of a
24 guardian or conservator; authorizing a health care provider to prohibit another
25 health care provider from participating in aid in dying on certain premises, under
26 certain circumstances; authorizing a health care provider to subject another health
27 care provider to certain sanctions, under certain circumstances; providing that
28 certain authorization does not prohibit a health care provider from participating in
29 aid in dying, under certain circumstances, or prohibit an individual from contracting
30 with a certain physician for a certain purpose; providing that participation by a
31 health care provider in aid in dying is voluntary; prohibiting a health care facility
32 from requiring certain physicians to participate in aid in dying; requiring an
33 attending physician to provide certain information to an individual and transfer a
34 copy of certain medical records, under certain circumstances; authorizing a health
35 care facility to adopt certain policies; establishing certain penalties for certain
36 violations; providing that certain provisions of this Act do not limit certain liability;
37 providing that certain penalties do not preclude certain penalties applicable under
38 other law for certain conduct; authorizing the Maryland Insurance Commissioner to
39 enforce certain provisions of this Act; establishing that a licensed health care
40 professional does not violate the statutory prohibition on assisted suicide by taking
41 certain actions in accordance with this Act; defining certain terms; and generally
42 relating to aid in dying.

13 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,

14 That the Laws of Maryland read as follows:

15 **Article – Criminal Law**

16 3–103.

17 (a) A licensed health care professional does not violate § 3–102 of this subtitle by
18 administering or prescribing a procedure or administering, prescribing, or dispensing a
19 medication to relieve pain, even if the medication or procedure may hasten death or
20 increase the risk of death, unless the licensed health care professional knowingly
21 administers or prescribes the procedure or administers, prescribes, or dispenses the
22 medication to cause death.

23 (b) A licensed health care professional does not violate § 3–102 of this subtitle by
24 withholding or withdrawing a medically administered life–sustaining procedure:

25 (1) in compliance with Title 5, Subtitle 6 of the Health – General Article;

26 or

27 (2) in accordance with reasonable medical practice.

28 **(C) A LICENSED HEALTH CARE PROFESSIONAL DOES NOT VIOLATE § 3–102**
29 **OF THIS SUBTITLE BY TAKING ANY ACTION IN ACCORDANCE WITH TITLE 5,**
30 **SUBTITLE 6A OF THE HEALTH – GENERAL ARTICLE.**

31 **[(c)] (D)** (1) Unless the family member knowingly administers a procedure or
32 administers or dispenses a medication to cause death, a family member does not violate §
33 3–102 of this subtitle if the family member:

34 (i) is a caregiver for a patient enrolled in a licensed hospice program;

35 and

1 (ii) administers the procedure or administers or dispenses the
2 medication to relieve pain under the supervision of a health care professional.

3 (2) Paragraph (1) of this subsection applies even if the medication or
4 procedure hastens death or increases the risk of death.
