10. Description and Purpose of Organization (Limit length to visible area)					
<p>The Allegany Museum's Lefty Grove Memorial Committee was formed in the fall of 2014, for the purpose of erecting a bronze statue of hall of fame baseball player, Lefty Grove, in his hometown of Lonaconing, Md. While the Allegany Museum is providing the oversight of fund expenditures, the Community Trust Foundation is serving as the repository for the funds received and is the actual recipient of this Bond Bill. Our committee is comprised of local citizens, business owners, elected officials, and members of Lefty Groves family.</p>					

**11. Description and Purpose of Project (Limit length to visible area)**

The goal of our committee is to create a bronze statue, and surrounding enhancements to a town park in Lonaconing, which was granted to us by the town for our project. In addition to the statue, we intend to create a simulated baseball field, complemented with a series of interpretive signs, relevant to the career of Lefty Grove, Maryland's baseball heritage, and the history of baseball. Lefty led the league in strikeouts in each of his first seven years in the American League. He won the very first American League MVP trophy ever awarded by the Baseball Writer's Association of America in 1931, beating Lou Gehrig and Babe Ruth to earn the award. The Athletics appeared in three consecutive World Series from 1929-1931, winning the first two of them. The overall objective is to honor our local baseball hero and create a regional tourist attraction.

**28. Comments**

The Allegany Museum's Lefty Grove Memorial Committee will erect a statue to Lefty Grove in a park donated by the city of Lonaconing. The committee will add interpretive panels and install other elements to make the park a usable location for both the local residents and tourist. Once all the key elements are install, the committee will donate the park and installed items to the city of Lonaconing which has already agreed to accept them and provide the future maintenance. The committee is optimistic that it will exceed its donation goals and raise addition funds to help offset the cost of any future maintenance.
