(As enacted by Chapter 8 of the Acts of the General Assembly of 2016)

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,
That the Laws of Maryland read as follows:

Article – State Finance and Procurement

14–302.

(a) (1) (i) 1. Except for leases of real property, each unit shall structure procurement procedures, consistent with the purposes of this subtitle, to try to achieve an overall percentage goal of the unit’s total dollar value of procurement contracts being made directly or indirectly to certified minority business enterprises.

2. Notwithstanding subparagraph 1 of this subparagraph, the following contracts may not be counted as part of a unit’s total dollar value of procurement contracts:

A. a procurement contract awarded in accordance with Subtitle 1 of this title;

B. a procurement contract awarded to a not-for-profit entity in accordance with requirements mandated by State or federal law; and

C. a procurement by the Maryland Developmental Disabilities Administration of the Department of Health and Mental Hygiene for family and individual support services, community residential services, resource coordination services, behavioral support services, vocational and day services, and respite services, as those terms are defined in regulations adopted by the Department of Health and Mental Hygiene.

(ii) 1. The overall percentage goal shall be established on a biennial basis by the Special Secretary of Minority Affairs, in consultation with the Secretary of Transportation and the Attorney General.

2. During any year in which there is a delay in establishing the overall goal, the previous year’s goal will apply.

(iii) 1. In consultation with the Secretary of Transportation and the Attorney General, the Special Secretary of Minority Affairs shall establish guidelines

1 on a biennial basis for each unit to consider while determining whether to set subgoals for
2 the minority groups listed in § 14–301(k)(1)(i)1, 2, 3, 4, and 6 of this subtitle.

3 2. During any year in which there is a delay in establishing
4 the subgoal guidelines, the previous year’s subgoal guidelines will apply.

5 (iv) 1. The Special Secretary of Minority Affairs, in consultation
6 with the Secretary of Transportation and the Attorney General, shall establish goals and
7 subgoal guidelines that, to the maximum extent feasible, approximate the level of minority
8 business enterprise participation that would be expected in the absence of discrimination.

9 2. In establishing overall goals and subgoal guidelines, the
10 Special Secretary of Minority Affairs shall provide for public participation by consulting
11 with minority, women’s, and general contractor groups, community organizations, and
12 other officials or organizations that could be expected to have information concerning:

13 A. the availability of minority– and women–owned
14 businesses;

15 B. the effects of discrimination on opportunities for
16 minority– and women–owned businesses; and

17 C. the State’s operation of the Minority Business Enterprise
18 Program.

19 (v) In establishing overall goals, the factors to be considered shall
20 include:

21 1. the relative availability of minority– and women–owned
22 businesses to participate in State procurement as demonstrated by the State’s most recent
23 disparity study;

24 2. past participation of minority business enterprises in
25 State procurement, except for procurement related to leases of real property; and

26 3. other factors that contribute to constitutional goal setting.

27 (vi) Notwithstanding § 12–101 of this article, the Special Secretary
28 of Minority Affairs shall adopt regulations in accordance with Title 10, Subtitle 1 of the
29 State Government Article setting forth the State’s overall goal.

30 (2) The Special Secretary of Minority Affairs, in consultation with the
31 Secretary of Transportation and the Attorney General, shall establish guidelines for each
32 unit to consider when determining the appropriate minority business enterprise
33 participation percentage goal for a procurement contract in accordance with paragraph (3)
34 of this subsection.

1 (3) Each unit shall:

2 (i) consider the practical severability of all contracts and, in
3 accordance with § 11–201 of this article, may not bundle contracts;

4 (ii) implement a program that will enable the unit to evaluate each
5 contract to determine the appropriate minority business enterprise participation goals, if
6 any, for the contract based on:

7 1. the potential subcontract opportunities available in the
8 prime procurement contract;

9 2. the availability of certified minority business enterprises
10 to respond competitively to the potential subcontract opportunities;

11 3. the contract goal guidelines established under paragraph
12 (2) of this subsection;

13 4. the subgoal guidelines established under paragraph (1)(iii)
14 of this subsection; and

15 5. other factors that contribute to constitutional goal setting;

16 (iii) monitor and collect data with respect to prime contractor
17 compliance with contract goals; and

18 (iv) institute corrective action when prime contractors do not make
19 good–faith efforts to comply with contract goals.

20 (4) Units may not use quotas or any project goal–setting process that:

21 (i) solely relies on the State’s overall numerical goal, or any other
22 jurisdiction’s overall numerical goal; or

23 (ii) fails to incorporate the analysis outlined in paragraph (3)(ii) of
24 this subsection.

25 (5) (i) A woman who is also a member of an ethnic or racial minority
26 group may be certified in that category in addition to the gender category.

27 (ii) For purposes of achieving the goals in this subsection, a certified
28 minority business enterprise may participate in a procurement contract and be counted as
29 a woman–owned business, or as a business owned by a member of an ethnic or racial group,
30 but not both, if the business has been certified in both categories.

1 (6) Each unit shall meet the maximum feasible portion of the State's
2 overall goal established in accordance with this subsection by using race-neutral measures
3 to facilitate minority business enterprise participation in the procurement process.

4 (7) If a unit establishes minority business enterprise participation goals for
5 a contract, a contractor, including a contractor that is a certified minority business
6 enterprise, shall:

7 (i) identify specific work categories appropriate for subcontracting;

8 (ii) at least 10 days before bid opening, solicit minority business
9 enterprises, through written notice that:

10 1. describes the categories of work under item (i) of this
11 paragraph; and

12 2. provides information regarding the type of work being
13 solicited and specific instructions on how to submit a bid;

14 (iii) attempt to make personal contact with the firms in item (ii) of
15 this paragraph;

16 (iv) offer to provide reasonable assistance to minority business
17 enterprises to fulfill bonding requirements or to obtain a waiver of those requirements;

18 (v) in order to publicize contracting opportunities to minority
19 business enterprises, attend prebid or preproposal meetings or other meetings scheduled
20 by the unit; and

21 (vi) upon acceptance of a bid or proposal, provide the unit with a list
22 of minority businesses with whom the contractor negotiated, including price quotes from
23 minority and nonminority firms.

24 (8) The Special Secretary of Minority Affairs shall:

25 (i) in consultation with the Secretary of Transportation and the
26 Attorney General, establish procedures governing how the participation of minority
27 business enterprise prime contractors is counted toward contract goals; and

28 (ii) notwithstanding § 12-101 of this article, adopt regulations
29 setting forth the procedures established in accordance with this paragraph.

30 (9) (i) 1. If a contractor, including a certified minority business
31 enterprise, does not achieve all or a part of the minority business enterprise participation
32 goals on a contract, the unit shall make a finding of whether the contractor has
33 demonstrated that the contractor took all necessary and reasonable steps to achieve the
34 goals, including compliance with paragraph (7) of this subsection.

1 2. A waiver of any part of the minority business enterprise
2 goals for a contract shall be granted if a contractor provides a reasonable demonstration of
3 good-faith efforts to achieve the goals.

4 (ii) If the unit determines that a waiver should be granted in
5 accordance with subparagraph (i) of this paragraph, the unit may not require the contractor
6 to renegotiate any subcontract in order to achieve a different result.

7 (iii) The head of the unit may waive any of the requirements of this
8 subsection relating to the establishment, use, and waiver of contract goals for a sole source,
9 expedited, or emergency procurement in which the public interest cannot reasonably
10 accommodate use of those requirements.

11 (iv) 1. Except for waivers granted in accordance with
12 subparagraph (iii) of this paragraph, when a waiver determination is made, the unit shall
13 issue the determination in writing.

14 2. The head of the unit shall:

15 A. keep one copy of the waiver determination and the reasons
16 for the determination; and

17 B. forward one copy of the waiver determination to the
18 Governor's Office of Minority Affairs.

19 (v) On or before July 31 of each year, each unit shall submit directly
20 to the Board of Public Works and the Governor's Office of Minority Affairs an annual report
21 of waivers requested and waivers granted under this paragraph.

22 (vi) The report required under subparagraph (v) of this paragraph
23 shall contain the following information on those contracts where the unit considered a
24 contractor's request for waiver of all or a portion of the minority business enterprise goals:

25 1. the contract titles, numbers, and dates;

26 2. the number of waiver requests received;

27 3. the number of waiver requests granted; and

28 4. any other information specifically requested by the Board.

29 (10) (i) 1. This paragraph applies to a bidder or offeror after
30 submission of a bid or proposal and before the execution of a contract with an expected
31 degree of minority business enterprise participation.

1 2. If the bidder or offeror determines that a minority
2 business enterprise identified in the minority business enterprise participation schedule
3 has become or will become unavailable or ineligible to perform the work required under the
4 contract, the bidder or offeror shall notify the unit within 72 hours of making the
5 determination.

6 (ii) 1. If a minority business enterprise identified in the minority
7 business enterprise participation schedule submitted with a bid or offer has become or will
8 become unavailable or ineligible to perform the work required under the contract, the
9 bidder or offeror may submit a written request with the unit to amend the minority
10 business enterprise participation schedule.

11 2. The request to amend the minority business enterprise
12 participation schedule shall indicate the bidder's or offeror's efforts to substitute another
13 certified minority business enterprise to perform the work that the unavailable or ineligible
14 minority business enterprise would have performed.

15 (iii) A minority business enterprise participation schedule may not
16 be amended unless:

17 1. the bidder or offeror provides a satisfactory explanation of
18 the reason for inclusion of the unavailable or ineligible firm on the minority business
19 enterprise participation schedule; and

20 2. the amendment is approved by the unit's procurement
21 officer after consulting with the unit's minority business enterprise liaison.

22 (11) (i) This paragraph applies after execution of a contract with an
23 expected degree of minority business enterprise participation.

24 (ii) The minority business enterprise participation schedule,
25 including any amendment, shall be attached to and made a part of the executed contract.

26 (iii) 1. A. ~~FOR~~ EXCEPT AS PROVIDED IN

28 SUBPARAGRAPH, GOOD CAUSE FOR REMOVAL OF A CERTIFIED MINORITY BUSINESS

31 CERTIFIED MINORITY BUSINESS ENTERPRISE TO CEASE WORK ON THE CONTRACT.

32 B. FAILURE OF A CERTIFIED MINORITY BUSINESS
33 ENTERPRISE TO PROVIDE A BOND REQUESTED BY A CONTRACTOR IN VIOLATION OF
34 § 13-227 OF THIS ARTICLE MAY NOT BE CONSIDERED NONPERFORMANCE BY THE
35 MINORITY BUSINESS ENTERPRISE.

1 [1.] 2. A contractor may not terminate or otherwise cancel
2 the contract of a certified minority business enterprise subcontractor listed in the minority
3 business enterprise participation schedule without showing good cause and obtaining the
4 prior written consent of the minority business enterprise liaison and approval of the head
5 of the unit.

6 [2.] 3. The unit shall send a copy of the written consent
7 obtained under subparagraph [1] 2 of this subparagraph to the Governor's Office of
8 Minority Affairs.

9 (iv) A minority business enterprise participation schedule may not
10 be amended after the date of contract execution unless the request is approved by the head
11 of the unit and the contract is amended.

12 (12) If, during the performance of a contract, a certified minority business
13 enterprise contractor or subcontractor becomes ineligible to participate in the Minority
14 Business Enterprise Program because one or more of its owners has a personal net worth
15 that exceeds the amount specified in § 14-301(k)(3) of this subtitle:

16 (i) that ineligibility alone may not cause the termination of the
17 certified minority business enterprise's contractual relationship for the remainder of the
18 term of the contract; and

19 (ii) the certified minority business enterprise's participation under
20 the contract shall continue to be counted toward the program and contract goals.

21 (13) (i) Except as provided in subparagraph (ii) of this paragraph, a
22 not-for-profit entity participating as a minority business enterprise on a procurement
23 contract awarded by a unit before July 1, 2015, may continue to participate in the contract
24 until the contract expires or otherwise terminates, including all options, renewals, and
25 other extensions.

26 (ii) 1. The not-for-profit entity's participation may not be
27 counted toward achieving the minority business enterprise participation goals in this
28 subsection.

29 2. The unit may not require that a certified minority
30 business enterprise be substituted for the not-for-profit entity in order to meet the
31 minority business enterprise goals for the procurement contract.
