19 retirement plan; borrow from, sell assets to, or purchase assets from a retirement plan. I
20 recognize that granting my agent the authority to create or change a beneficiary
21 designation for a retirement plan may affect the benefits that I may receive if that authority
22 is exercised. If I grant my agent the authority to designate the agent, the agent’s spouse,
23 or a dependent of the agent as a beneficiary of a retirement plan, the grant may constitute
24 a taxable gift by me and may make the property subject to that authority taxable as a part
25 of the agent’s estate. Therefore, if I wish to authorize my agent to create or change a
26 beneficiary designation for any retirement plan, and in particular if I wish to authorize the
27 agent to designate as my beneficiary the agent, the agent’s spouse, or a dependent of the
28 agent, I will explicitly state this authority in the Special Instructions section that follows
