A BILL ENTITLED

1 AN ACT concerning

2 **Investigational Drugs, Biological Products, and Devices – Right to Try Act**

3 FOR the purpose of authorizing a manufacturer of an investigational drug, biological
4 product, or device to provide the investigational drug, biological product, or device to
5 certain patients; specifying the manner in which an investigational drug, biological
6 product, or device may be provided to certain patients; authorizing a manufacturer
7 of an investigational drug, biological product, or device to require an eligible patient
8 to pay certain costs, subject to certain limitations; establishing that the heirs of
9 certain patients are not liable for certain debts under certain circumstances;
10 prohibiting a health occupations board, under certain circumstances, from revoking,
11 failing to renew, suspending, or taking certain action against a health care provider's
12 license based solely on a certain recommendation of the health care provider;
13 prohibiting the Department of Health and Mental Hygiene from taking action
14 against a health care provider's Medicare certification based solely on a certain
15 recommendation of the health care provider; prohibiting an official, employee, or
16 agent of the State from blocking or attempting to block a certain patient's access to
17 an investigational drug, biological product, or device; establishing that this Act does
18 not create a certain cause of action; providing for the effect of certain provisions of
19 this Act; defining certain terms; and generally relating to the provision of
20 investigational drugs, biological products, and devices in the State.
