The bill takes effect June 1, 2017.

Analysis

Current Law/Background: The boards of license commissioners in each county, Baltimore City, and the City of Annapolis are responsible for issuing alcoholic beverage

licenses (the Comptroller's Office also issues some licenses) and generally administering the Alcoholic Beverages Article in their respective jurisdictions.

The Governor must appoint three members to the Anne Arundel County Board of License Commissioners and no more than two members of the board may belong to the same political party. Each member of the board must be (1) a resident and voter of the county and (2) an individual of high character and integrity and of recognized business capacity. The term of a board member is two years. In case of a vacancy, the Governor must appoint an eligible individual to fill the remainder of the term of office of the individual originally appointed. Additionally, the Governor may remove a board member for misconduct in office, incompetence, or willful neglect of duty in a specified manner.

Local Expenditures: In Anne Arundel County, the chair of the board must receive an annual salary of up to \$18,000, and each other member of the board must receive an annual salary of up to \$15,000. Therefore, salary expenditures increase by up to \$30,000 annually beginning in fiscal 2018 due to the bill's addition of two new board positions. Other operating expenditures are estimated to increase minimally.
