This bill requires, in Charles County, that the license holder, or an individual designated by the license holder who is employed in a supervisory capacity, must be certified by an approved alcohol awareness program and be present on the licensed premises at all times when alcoholic beverages may be served. The bill specifies that a license holder who violates the bill's requirements is subject to, for a first offense, a \$100 fine. For each subsequent offense, the license holder is subject to a fine of up to \$500, or a suspension or revocation of the license, or both.

obtain and retain their alcoholic beverages license. The training program must be approved and certified by the Comptroller, and it must provide information on how alcohol affects a person's body and behavior, the dangers of drinking and driving, refusing service before a customer becomes intoxicated, and determining if a customer is old enough to legally consume alcohol. The training is valid for four years.

**Background:** In fiscal 2016, 175 alcoholic beverages licenses were issued in Charles County.
