The findings and recommendations of the task force must be reported to the Governor, State Superintendent of Schools, Prince George's County Executive, Prince George's County Council, Chief Executive Officer of the Prince George's County Public School System, Prince George's County Board of Education, Prince George's County Senate Delegation, and Prince George's County House Delegation.

**Current Law/Background:** The Prince George's County Board of Education consists of 14 members, including 9 elected members (each residing in one of nine school board districts); 4 appointed members; and 1 student member with limited voting rights. Members serve four-year terms. Each candidate for an elected board seat must be a registered voter and a resident of the school board district he or she intends to represent.

Of the four appointed members, three members are appointed by the county executive and must possess, respectively, a high level of (1) knowledge and expertise concerning education; (2) business, finance, or higher education experience; and (3) knowledge and expertise concerning successful administration of a large organization. Also, one member is appointed by the county council and must be the parent of a student enrolled in the county public school system.

The board chair receives an annual salary of \$19,000, while other board members (except the student member, who receives no salary) receive an annual salary of \$18,000. Elected and appointed members receive health insurance and other fringe benefits. All members are entitled to a maximum of \$7,000 per fiscal year in allowances for travel and other expenses, as provided in the county budget.

The Prince George's County Board of Education is 1 of 3 hybrid school boards in the State consisting of both elected and appointed members. <sup>1</sup>A = Appointed by Governor, except in Baltimore City, where board is appointed jointly by the Governor and the Mayor; E = Elected; and A/E = Combined appointed by Governor and elected board, except in Prince George's County.

<sup>2</sup>There are three steps to being appointed and retained as a member of the Anne Arundel County Board of Education. First, the School Board Nominating Commission selects nominees who are recommended to the Governor as candidates for appointment to the Anne Arundel County Board of Education. The commission consists of 13 members – 3 appointed by the county executive, and 10 appointed from various county organizations. A board member begins serving immediately upon appointment; however, the board member must stand for “approval or rejection of the registered voters of the county” at the next general election. The board member is placed on the ballot, without opposition. If the voters retain the board member, he or she may complete the remainder of the 5-year term. If the voters reject the board member, the position becomes vacant and the process begins again. Chapters 177 and 178 of 2011, as well as an Opinion of the Attorney General (98 Op. Att’y Gen. 51 (May 22, 2013)), clarify that this three-step process applies not only to newly appointed board members, but also to incumbent board members seeking a second term.

<sup>3</sup>The nonstudent members of the Baltimore City Board of School Commissioners are jointly appointed by the Mayor of Baltimore City and the Governor from a list of qualified individuals submitted by the State Board of Education. Each member must be a resident of Baltimore City, and the membership must reflect the demographic diversity of Baltimore City. In addition, Chapter 723 of 2016 restructured the board to be a hybrid board with two members elected from the city at large, nine members jointly appointed by the Governor and the Mayor of Baltimore City, and one student member. The two elected board members will be elected at the general election in November 2022 and every four years thereafter.

<sup>4</sup>Chapters 480 and 481 of 2014 restructured the Baltimore County Board of Education from a 12-member appointed board (including 1 student member) to a 12-member board consisting of 4 at-large members appointed by the Governor, 7 nonpartisan members each elected from one of seven councilmanic districts, and a student member. The elected members will be elected at the general election in November 2018 and every four years thereafter. In addition, Chapters 480 and 481 of 2014 established the Baltimore County Nominating Commission. The commission is responsible for selecting eight nominees to be recommended to the Governor as qualified candidates for appointment to the Baltimore County Board of Education. The commission consists of 19 members of the county and must reflect the diversity of the county. Except in extenuating circumstances, the Governor must appoint members to the board of education from the list the nominating commission provides.

<sup>5</sup>Chapter 147 of 2013 altered the membership of the Prince George's County Board of Education by adding four appointed members to the existing elected board. The county executive appoints three members with certain experience requirements, and the county council appoints one member who must be a parent of a student in the county school system. If a seat held by an elected member becomes vacant, the county executive must appoint a qualified individual for the remainder of the term, with the appointment subject to rejection by a two-thirds vote of the county council.

<sup>6</sup>The Washington County Board of Education reports that the student member can only concur on votes and must abstain from certain matters.

<sup>7</sup>Chapter 169 of 2016, subject to referendum, required the restructuring of the Wicomico County Board of Education. In the 2016 general election, the county approved a fully elected board option, with five members each elected from one of the five councilmanic districts and two members elected from the county at large. Members will be elected at the general election in 2018 and every four years thereafter. The terms of board members who are in office on December 2, 2018, will expire on December 2, 2018.
